

# SAINTS WEEKLY

St. Augustine School spreads the good news by Navigating a Christian course, Educating body, mind, and spirit, Worshipping the Lord, and Serving others.

November 15, 2019

## Principal's Message

-Mrs. Lenn

Student Council taste testing has been rescheduled, and will take place on Wednesday at lunch. Remember that student council members will be served a complimentary lunch that day. Thank you to Anchor Bay Food Service for allowing our students to have input regarding the lunch menu items!

Girls' basketball season is here! Remember to turn in the pay to participate fee for basketball, which is \$40. Also, if you haven't turned in two athletic hold checks, the athletic consent and responsibilities form, concussion form, and current physical, these are also required for athletic participation.

Parents, if you need service credits, but are looking for something to do from home, we may have just the opportunity for you!!! In preparation for fish fry, we are looking to have our fish fry manual updated. The updates are already written on the documents, we just need someone to retype them. Please call the office if you are interested in doing this. Thanks!

On Monday, our students will be learning about Type 1 Diabetes. Third grader, MyKenzie Kipp and St. Augustine Alumna, Jacqueline Rey, will be talking to classes briefly regarding Type 1

Diabetes. Students will also have the option to dress down for \$1, wearing blue for Diabetes Awareness. All money collected will be donated to the Juvenile Diabetes Research Foundation. This will be a great learning opportunity for our students in support of a special cause for one of our Saints!

TO BENEFIT

**JDRF** **IMPROVING  
LIVES.  
CURING  
TYPE 1  
DIABETES.**

During the month of October the 4th graders read mystery books and completed a book report project. The project for this book was to turn their book into a pizza complete with all the toppings. After the reports were presented, the class made individual pizzas here at school to enjoy. Thank yous go out to Mrs Kaltz for donating the supplies and her time along with Mrs. Bertossi for helping out! Students had fun, and the pizza was delicious!

Remember to have your child practice the songs for the Advent program! Visit Ms. Mantey's website for updated resources. They can be found here: <http://kaylamantey.wixsite.com/music>

Eighth graders were busy working on their Atomic Theory skits this week, which they will perform for our fourth graders next week.

Two of our Saints had their poetry featured in the book, *Illustrious*, which is a student poetry compilation! Congratulations to our poets, Isabella Bongiovanni and Shelby Theut!

Our three year old preschool class enjoyed their Thanksgiving Feast today. Students and their special guests enjoyed songs and a feast. Thank you to all the special guests that attended and for the food prepared by our families. We are blessed to have your children begin their education here, and are always happy to have you join us. The four year old class will enjoy their feast tomorrow!

If you are interested in purchasing SCRIP cards for Black Friday shopping, your orders need to be placed by Wednesday, November 20 at the end of the school day.
