Principal's Message

-Mrs. Lenn

I am so proud of our Saints! We have had so many successes this year. During the month of March, Mrs. Waterstraat had students keep track of the books they were reading. As students read, their names were entered into a drawing for a basket of goodies. There were 3 baskets, appropriate for different grades. Congratulations!

Earlier this year, many students created posters for an Earth Day Poster contest sponsored by the Department of Environmental Quality. Last year 3,200 posters were entered. We don't know how many were entered this year, but we had two students who earned "Honorable Mention". Congratulations! Great job, Saints!

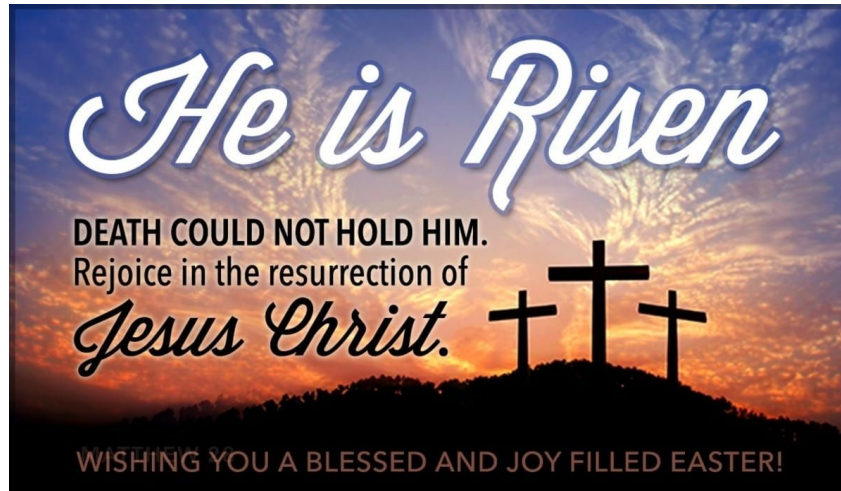

Parents, we are still seeking volunteers to join the athletic committee for next year. We will have at least 1, possibly two board positions open. Again, if you are interested, please call the office. Athletic families, just a reminder that the time for the athletic banquet on May 5 has been changed to 2-4pm. Please make that adjustment to your calendar. We will be having coffee, drinks, and desserts. Every family needs to bring a dessert item to share. Thanks!

Many of our students have enjoyed learning experiences outside the classroom lately. The 5th, 6th, and 8th graders visited the Detroit Institute of Arts last week. The third graders attended Rural Education Day at the Armada Fairgrounds. Here are a few highlights from the trips:

Have a blessed Easter and a relaxing break! God bless you all. Enjoy the time with your families!
