

St. Augustine Catholic School Uniform Requirements 2019-20 Academic Year

The purpose of a uniform is to establish a more uniformed and identifiable look amongst the student body of a school. It serves to eliminate a "fashion" competition among students and creates a more cohesive bond among the members of the student body.

Basic Uniform: Uniforms <u>must</u> be purchased by **Schoolbelles** (school code S1155) or **Lands End** (school code 900120221). Gym uniforms may also be purchased through J's Silkscreen. Items such as socks, belts, and shoes may be purchased elsewhere but must be the required colors and styles. Refer to their websites for specific styles and ordering instructions.
