## School Uniform Requirements

The purpose of a uniform is to establish a more uniformed and identifiable look amongst the student body of a school. It serves to eliminate a “fashion” competition among students and creates a more cohesive bond among the members of the student body.

Basic Uniform: Uniforms **must** be purchased by **Schoolbelles (school code:S1155) or Lands End (school code: 900120221)**. Items such as socks, shoes, and belts may be purchased elsewhere but must be the required colors and style.

Gym uniforms may be purchased through Schoolbelles, Shabby Pig or For Sports. The links to these vendors are posted on the school website.

**\*Belts must be worn on all pants and shorts that do not have an elastic waistband.  
(Elastic waistband pants and shorts are only an option for TK and K)**

### Hair, Jewelry, & Cosmetic Policy: (as stated in the School Handbook)

Hairstyles should be combed, neat, and of natural color. **Hair dye is not permitted.** Girls hair accessories should be conservative and not distracting. Headbands may not have ears, unicorn horns, miniature hats, etc. Boys haircuts should be conservative in appearance, with hair length above the eyebrow and collar. Mullet hairstyles do **not** meet this requirement, nor do shaved designs in the hair. Stud earrings are allowed; however, hoops and dangle earrings are not permitted for safety reasons. Necklaces should be worn beneath shirts so that they cannot be pulled. Nail polish must be clear, beige, or light pink in color. Seasonal or bright colored nails are not permitted. Hair, jewelry, and cosmetics will be subject to the discretion of the administrator. **The objective of this policy is to create an environment focused foremost on faith and academics, rather than fashion.**
