

# CLAYING DIRTY™

## Clarifying Body Scrub & Cleanser

You're so dirty. Thanks to the environment, pollution and toxins are all around us. And your skin absorbs the dirt, oils, and impurities more than you think. These micropollutants stick to your skin. They weigh it down and make it look dry, tired, and old. Fight back with Claying Dirty™ Clarifying Body Scrub and Cleanser. Scented with fresh green blossoms.

### WHY IT'S GOOD

Why it's Good: Claying Dirty is our limited body detox ritual that helps you remove every day from your skin in 3 powerful ways:

Bentonite and kaolin clays absorb the molecules from your skin's surface and pores to draw out impurities and help clean deep down.

Apple cider vinegar helps break up the gunk that lives in your pores and on the surface of your skin to tone and provide moisturize.

Charcoal and pumice do the dirty work of scrubbing off the pollution in the dead dry layers of skin you remove as you scrub. They naturally and gently polish the surface of your skin and absorb particles deep down.

### APPLICATION

Cover yourself from face to toes. Sit on an old towel, or in your bathtub. Apply in a circular motion to maximize the exfoliating benefits. Allow Claying Dirty to work for up to 10 minutes (drier skin, recommended 5 minutes). Rinse thoroughly, then apply moisture: body butter from head to toes and All is Balm™ to rougher areas like knees and elbows.

### READ OUR INGREDIENTS:

Water, Bentonite, Propanediol, Pumice, Sodium C14-16 Olefin Sulfonate, Titanium Dioxide, Kaolin, Charcoal Powder, Cocamidopropyl Betaine, Vinegar, Magnesium Aluminum Silicate, Caprylhydroxamic Acid, Caprylyl Glycol, Phenoxyethanol, Fragrance, Xanthan Gum, Citric Acid, Disodium EDTA, Yellow 6, Red 40.
