

# MIST AND SHOUT™

## Rose Water Mist

Quench your skin with rose, aloe, and 19 superfood extracts to hydrate, soothe, balance, and leave your skin feeling fresh and awake. This lightweight body mist absorbs quickly for glowing skin, leaving behind a delicate rose water scent.

SJ5003

Nourish and hydrate with 19 superfood plant extracts, including: chia seed, tea leaves, mustard greens, cabbage, kale, cauliflower, broccoli, dill, matricaria flower, lemongrass, ginger, jasmine, honeysuckle, bee balm, watercress, sassafras, linden flower, clover, and rosemary.

Rose is a popular ingredient in products for dry, mature, and/or sensitive skin types. It functions as a gentle cleanser and toner resulting in refreshed, supple skin. It's naturally soothing, hydrating, and calming.

Aloe vera can help soothe and restore moisture to dry skin—it's 99% water—and helps reduce the appearance of fine lines and wrinkles. It contains minerals, enzymes, and amino acids. Aloe vera also provides refreshing, cooling, and soothing hydration.

Use as a pick-me-up on the go to hydrate skin, or pre- and post-makeup application for a dewy finish.
