

SERVES YOU BRIGHT™

Super C Crème

This citrus-fragranced face crème is packed with vitamin C from citrus fruit and carrots for brighter looking skin and features a combination of oils to keep skin hydrated all day long, while squalane forms a barrier on the surface of the skin to keep pollutants out and hydration locked in.

LN1032

Carrots are high in antioxidant vitamin A and beta-carotene. Carrot extract can help reduce the appearance of skin imperfections by helping to exfoliate and refresh pores for a softer, clearing looking complexion.

Orange is a soothing skin conditioner that has cleansing and astringent qualities to help reduce the appearance of skin imperfections. It's high in vitamin C, a potent antioxidant, which helps to even out skin tone for a supple, radiant complexion.

Vitamin C rejuvenates skin by hydrating and helping brighten skin tone, keeping skin looking younger and firmer.

Following your serum and eye crème, apply a dime size amount to a clean face and neck morning and night.
