Etiquette

Etiquette is an integral part of the game, defining golf's core values. It describes the manner in which the game of golf should be played to ensure all players gain maximum enjoyment.

In short, it's about "respect":

- Respect for the course – leave the course as you would like to find it by repairing pitch-marks, replacing divots and raking bunkers.
- Respect for your fellow players – be sportsman-like and polite, stay by the green to watch them hole out, and avoid distracting them.
- Respect for the game – by knowing the Rules and etiquette of golf.

Golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players, care for the course and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be.

This is the spirit of the game of golf.

Dress and Conduct

Members are requested to take pride in their club in regard to dress and general conduct.

Within the Clubhouse, neat, tidy dress and orderly conduct must be maintained in accordance with the rules as defined by the Committee including no swearing or bullying.

On the course, neat, tidy dress **MUST** be maintained at all times in accordance with the minimum requirements on the "Display Board" and/or the rules as defined by the committee. (See below for guidance).

All players must carry a sand bucket and fill in any divots found.

All pug marks on green must be repaired by pushing edges inwards, not lifting.

Please check notice board for local rules and changes.

MENS DRESS REQUIREMENTS

Sport socks must be worn.

Shorts must be at least mid thigh length.

Jeans and casual trousers are permitted.

Playing without a shirt or shirt without sleeves is not permitted.

Tracksuit trousers (all styles) are not permitted on competition days.

Dress and Conduct (cont'd)

LADIES DRESS REQUIREMENTS

Dress jeans, neat slacks are permitted.

Sun tops, singlet tops, faded or tattered jeans, track-suits, thongs or moccasins are not permitted.

SUMMER PLAY

Mirboo North Golf Club strongly recommends the use of broad brimmed hats, long sleeves, pants, sunglasses and sunscreen to minimize the effects of UV rays during the summer.

 0407 623 960

Competition Rules

Open only to those who hold current financial membership.

R&A rules of golf shall apply together with local rules printed on score card or posted on notice board.

Name must be entered on competition sheet before play.

Score cards must be returned by 4.00pm on the day of play.

All competitors are expected to return score cards.

Please note that all rules of golf provide for compulsory disqualification in many defined circumstances.

Players must play in groups as directed by the match committee or appointed starter.

Juniors under the age of 16 must obtain match committee approval before being eligible to play senior competitions.

Men shall play from white markers on tees.

Women shall play from red markers on tees. Unless otherwise stated.

The honor at first tee shall be in order of handicap. But Ready Golf is preferred to speed up play.

A tie in any competition other than scratch events shall be decided by approved count back method.

Scratch events shall be decided by play-off at the discretion of the match committee.

Additional competition rules as adopted by the committee are on display at the club house.

Competition Rules

INTERPRETATION OF RULES

In stroke play, if any doubt arises as to correct application of rules or procedure, a second ball should be played as provided in rule 3.3 All instances of doubt or dispute must be reported to the captain or member of match committee. This will assist to attain the objectives of uniform interpretation, equity, education and implementation of local rules.

MATCH PLAY

Four Ball: Reduce lowest handicap to scratch, reduce all other correspondingly and each player then plays off his resultant handicap.

If a match is all square after 18 holes, continue play until a decision is reached and where play has commenced from other than the first hole, shall be continued from the hole first played.

Each round must be played on the date specified in the program, or by the date specified for any knockout competition. Every round must be decided by play, except where one competitor may be declared a winner due to the default by the other competitor.

PRACTICE

Practice with more than 2 golf balls must be confined to the defined practice areas. In accordance with rule 33.2(c) of the Rules of Golf, the 14th fairway which excludes the teeing ground and the green is defined as practice area. Playing from the tee onto the green is not permitted.

General Comments

All persons entering the course or playing do so at their own risk.

The Club is not responsible for the loss or damage to property of any member or other person in or about the premises.

No canvassing for donations, raffles, etc. is allowed in or about the Club premises unless permission is obtained from the Committee.

Buggies and clubs should not be brought into or left in locker rooms.

HANDICAPS

It is the player's responsibility to check the handicap board to determine their correct handicap prior to commencement of play.

PROMOTION OF YOUR CLUB

Make new members welcome.

Encourage others to join.

Show consideration to fellow members.

Help care for your course.

Be interested and involved, you will benefit through being a real part of the club.

Those interested in assisting with the grounds should contact the Grounds Superintendent.

PRIORITY ON COURSE

Person not in competition event must give way to all other players. Players in groups other than numbers approved by Match Committee or appointed Starter must give way.

Pace of Play

To ensure that the pace of play is met, the following R&A pace of play guidelines shall be adhered to:

- All players (not just the lowest marker) are responsible for the speed of play of their group.
- Move quickly between shots and be ready to play when it is your turn.
- If you are behind, abandon the 'Honour' system and the furthest from the hole hits first rule and adopt the procedure where, if it can be done safely, the person who is ready hits, even if he is further up the fairway, **providing it is safe to do so**. On the tee, shorter hitters hit first. Longer hitters hit last.
- Maximum combined handicap of a group in regular stroke play shall be 85.
- Play a provisional ball if there is some doubt to where your ball finished.
- Leave buggies on the side of the green nearest the access to the next tee.
- Line up your putt and get set to putt while other players are putting without breach of etiquette.
- If you 'have the honour' on the next tee, hit first and then mark your scorecard.
- Mark your scorecard on the next tee while others are teeing off.
- In other than Stroke competitions, pick up your ball when you cannot score.
