For Immediate Release

St. Simon's Island, GA, April 6, 2024 -- AMERICAN DIPLOMAT, a memoir by Alex Reinshagen, retired US Foreign Service Supervisory Special Agent, is due to be published June 21, 2024, by Moonshine Cove Publishing, a traditional publisher out of South Carolina.

AMERICAN DIPLOMAT is an exploration of one's life and dreams set against the backdrop of a thrilling yet complex career in the US Foreign Service. The book is filled with enticing, compelling, and often tense stories while portraying how the US Diplomatic Corps works, offering a modern and fearless appraisal of the State Department in a non-political way. This non-fiction narrative uncovers the mystery and intrigue of real-life cloak and dagger accounts of the complexities and difficulties encountered by a federal agent assigned to six different countries across a twenty-year career in the US Department of State. Beyond the riveting stories of what life is like as an American Diplomat, the book explores personal choices many of us make, from the person we want to be to the person we want to be remembered as.

AMERICAN DIPLOMAT has already received high praise from nationally known and New York Times best-selling authors, promising to be an exciting and interesting read for a wide range of audience.

Fred Burton, former special agent and New York Times best-selling author of Beirut Rules, Chasing Shadows, Ghost, and Under Fire states, "Since 1916, State Department special agents have protected our nation's secrets and diplomats around-the-globe. AMERICAN DIPLOMAT is a window into the dynamic and complex world of protecting diplomats, defending embassies, combating terror, hunting spies, and investigating complex international crime. Read Alex's story, you won't be disappointed."

Vince Vawter, author of The Paperboy Trilogy whose book Paperboy won a prestigious Newbery Honor in 2014 said, "In my 40-year newspaper career, I have met several government agents. After reading AMERICAN DIPLOMAT, I'm convinced I finally know one now. Alex Reinshagen has given us a rare look at what goes on behind the scenes that most of us only catch fleeting glimpses of on the news. His story will not disappoint."

"AMERICAN DIPLOMAT is twenty-plus years in the making, and I am excited to finally be bringing it out into the world," shares Alex Reinshagen about his upcoming book release.
