BASE FORMAT FOR LEAGUE BOWLING

- The bowling start date is up to each league.
- 32 week league bowling start and end date *options*:
 - September 8th-April 13th

- If your league chooses to do a fun night during scheduled league time, ALL BOWLERS must be present. Fees will be the same as any normal week unless you have more bowlers than normal.
- Cancellations due to bad weather **WILL need to be made up.**

If your league chooses not to bowl the above base 32 week format, please meet with Bowl Winkle's prior to the start of your league to go over the fees so that there is no confusion. Please remind your league that our WI weather still isn't very nice outside in March (when a shorter league would likely finish up) but it's still great bowling weather ☺

Thank you,

Eric
