

# More Than Money: Reflective Journal

**This journal companion is designed to accompany the blog “*More Than Money: Why God Keeps Bringing It Up.*”** Use it as a guided reflection tool to explore your thoughts, beliefs, and spiritual posture around money, trust, identity, and control.

## Reflection Questions

1. Have I ever tuned out a verse or sermon because it mentioned money? Why?
2. What do my thoughts about money reveal about my trust and identity?
3. Where am I tempted to seek control, comfort, or validation outside of Christ?
4. What ‘possessions’ or desires might I be holding onto too tightly?
5. How is God calling me to treasure Him more deeply in this season?

**Personal Reflection**

Use this space to write down what the Holy Spirit is revealing to you as you reflect on Scripture and your own journey.

**Prayer Prompt**

Lord, show me where I've looked to things—money, people, or status—for identity or safety. Help me treasure You above all. Thank You for being my provider and portion. Amen.
