Mission & Vision

Our vision is to facilitate and enhance communication gaps between trucking, brokers, and ports, fostering a more efficient and collaborative logistics chain.

Vision

VISION

MISSION

To ensure customer satisfaction and manage their containerized goods, offering secure, effective, and top-notch logistics services.

Mission

MISSION

Our Services

FREIGHT

Maritime transport

Maritime transportation in exports and imports

Door-to-door service, paperwork, documentation, and freight within the country, including loading and unloading.

Container transportation

We operate in major ports, such as:

Miami, Tampa, Jacksonville, Savannah, Charleston, Houston, Dallas, New York, and New Jersey.

Transshipment and Storage

Loading and unloading services for loose and palletized items.

Packaging, laminating, palletizing, and storage for various durations.

Truck distribution

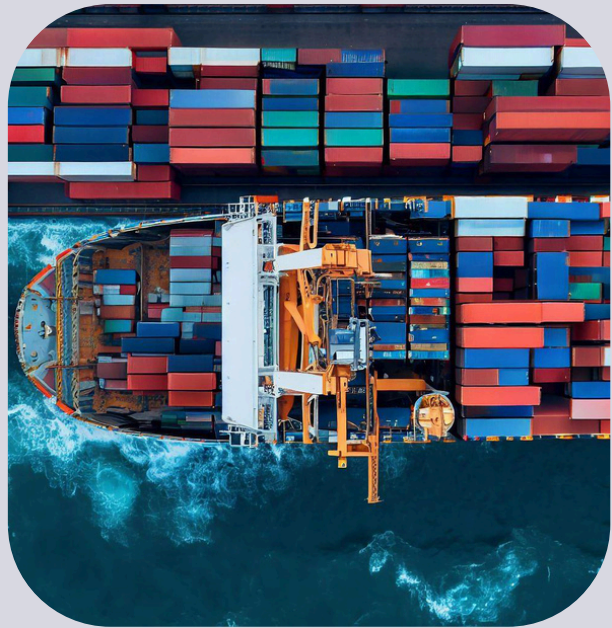

Palletized goods transportation

Customers in the La Florida area receive their individual deliveries promptly.

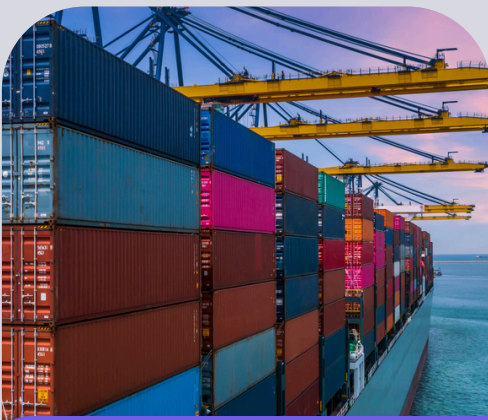

Achievements

With our experience and dedication, we have established established routes for overweight goods from Latin America: ceramics, flour, timber, refrigerated pasteurized products, and solar panels.

First goal

Second objective

Maintaining high levels of customer experience has been crucial to shipping an average of 1,000 containers annually.

Thank you very much.
