

**Organization Name**

Elliot Lake Family Health Team

Position

Full-time RN

Address

31 Nova Scotia Walk
Elliot Lake, Ontario, P5A 1Y9
Canada

The Elliot Lake Family Health Team (ELFHT) offers the opportunity to join an innovative, community-based primary health care team serving Elliot Lake and area. We are looking for a talented team player to join our busy team.

Position Summary

The Registered Nurse (RN) will collaborate with the physicians and other interdisciplinary providers to achieve the mission and vision of the organization. The RN will help the ELFHT to serve the community by participating in chronic disease management, health promotion and disease prevention programs.

The RN reports to the Executive Director and is responsible for working within the full scope of practice set out by the College of Nurses of Ontario. The RN must possess the ability to function effectively in a team environment with physicians, nurses, allied health professionals and administrative staff. The role also requires a high level of interpersonal skills to interact with patients and their families. In addition, the RN must possess and utilize their knowledge, skills, and judgement to function autonomously within the full scope of practice. The RN will participate in the development of ELFHT programs and will work with the multidisciplinary team, patients, and community partners to provide integrated services to meet the health needs of individuals, families, groups, communities, and our population.

Requirements

- Certificate of registration in good standing as an RN with the College of Nurses of Ontario
- Completion of a post-secondary Bachelor of Nursing degree
- Proof of current professional liability insurance
- Current CPR certification
- Valid Ontario Drivers' License and access to one's own method of reliable transportation
- Minimum one to three years demonstrated experience, preferably in a primary care, long-term care, or hospital setting
- Strong interest and experience in program development, implementation and evaluation of health promotion, disease prevention and chronic disease management programs
- Able to function as a team player, working collaboratively with other ELFHT staff and community partners
- Excellent communication, problem solving skills and positive attitude
- Sound organizational, teaching and leadership skills
- Working knowledge of Microsoft and EMR software
- Proficiency in the Accuro EMR system would be an asset

Responsibilities

- Provide mutual support to other nursing staff and other health care professionals within the ELFHT
- Support patients participating in programs and one-on-one
- Support in-person and virtual Specialist Clinics.
- Apply recognized clinical practice guidelines and best practices to screening, monitoring, and assessment of patients' physical and emotional well-being
- Provide care and management for patients with a wide range of health issues
- Maintain professional competence and up-to-date knowledge (e.g. evidenced-based care) through ongoing participation in professional development, etc.
- Occasional after-hours support as required

Skills and Abilities

- Demonstrate an understanding of chronic disease management and patient self-care strategies
- Ability to keep confidential all information regarding patients, health care providers, employees, business operations and clinic/team functioning
- Professionalism displayed through mannerisms, attire, and response to stressful situations
- Organizational ability to prioritize a wide range of job activities with accuracy and speed
- Communication skills which reflect the ability to work well in a team environment while maintaining respect and attentiveness to patients and fellow team members
- Problem solving skills to identify and effectively solve problems and to help patients and team members solve problems
- Time management abilities to effectively set priorities and complete tasks within agreed upon time frames

This is a full-time position. Interested candidates are invited to submit a cover letter and resume to:
