About Us

Moody Clinic is a 501(c)(3) nonprofit outpatient rehabilitative clinic that provides affordable access to feeding, occupational, speech-language, and physical therapy services for children ages 0-21 who have been diagnosed with developmental delays, medical conditions, and/or acquired injuries. The organization was founded in 1952 by a woman whose son suffered from Hypoxia at birth and felt that the community lacked proper treatment options. Since then, Moody Clinic has impacted thousands of patients' lives by helping children with special needs in the Rio Grande Valley.

Vision

- Our goal is to provide affordable access to rehabilitative care and create a lasting impact for those who would otherwise go untreated.

Mission
