# A MESSAGE FROM OUR CEO

As I reflect on the year behind us and look ahead, the word that defines this next chapter for Moody Clinic is **momentum**. Over the past several years, we have experienced meaningful growth and significant change—expanding our capacity, strengthening our team, and positioning the clinic for long-term success. This year is about harnessing that momentum with intention and consistency. We have been given the tools, the talent, and the opportunity; now is the time to execute, align our efforts, and ensure that our growth translates into measurable impact for the children and families we serve.

None of this progress would be possible without the unwavering support of our donors, community partners, families, board members, and advocates who believe in the mission of Moody Clinic. Your trust, generosity, and commitment have fueled this momentum, and we are deeply grateful for your role in our journey.

As we move forward, we remain focused on honoring that support through thoughtful stewardship, strong execution, and outcomes that reflect the confidence you have placed in us. It is our goal not only to sustain this momentum, but to make you proud.

At Moody Clinic, we take immense pride in our dedicated staff, whose commitment to professional development translates into exceptional patient care. Throughout the year, our team diligently pursues a variety of certifications and specialized training tailored to their specific roles. This ongoing quest for excellence is made possible by the generous support of our donors and long-standing funders, whose contributions empower us to invest in our personnel. Every member of our staff is passionate about their work, striving to achieve these prestigious credentials that not only validate their advanced knowledge but also enhance the quality of care we provide to our patients.

# About Moody Clinic

## OUR MISSION

Our mission is to provide the highest quality of rehabilitative services to maximize the potential of children with special needs.

## OUR GOAL

Our goal is to provide affordable access to rehabilitative care and create a lasting impact for those who would otherwise go untreated.

Moody Clinic, a 501(c)3 nonprofit organization, was established in 1952 and has provided comprehensive pediatric outpatient rehabilitation services to children in need for more than seven decades. Our mission is to, 'provide the highest quality of rehabilitative services to maximize the potential of children with special needs.' The clinic is governed by 18 volunteer directors.

## OUR SERVICES

### Physical Therapy

Physical therapists create personalized programs to enhance a child's movement, strength, balance, mobility, and motor skills. The treatment may involve therapeutic exercises and activities, functional training, physical agents, and/or assistive devices to help the child achieve maximum functional independence, alleviate pain, and avoid further impairments.

### Occupational Therapy

Occupational therapists specialize in helping children with a range of needs improve their cognitive, physical, sensory, and motor skills, which in turn helps to enhance their self-esteem, sense of accomplishment, and overall quality of life. Given that play and learning are a child's primary activities, occupational therapists often evaluate kids' skills for playing, school performance, and daily activities, and compare them with what is developmentally appropriate for their specific age group.

### Speech Therapy

Speech and language pathologists diagnose and evaluate speech problems that include fluency (stuttering), articulation, voice disorders, and language problems such as aphasia and delayed language. Therapists also treat feeding and swallowing difficulties using techniques like sensory integration, oral motor exercises, behavioral strategies, and more.

**MOODY CLINIC**

On behalf of the Board of Directors, it is my honor to share our deep gratitude for the support that makes the work of Moody Clinic possible. This past year, we continued to change lives by helping children reach milestones once thought out of reach. Through compassionate care, clinical excellence, and an unwavering commitment to each child and family we serve, our staff and partners have delivered hope, progress, and opportunity to our community.

None of this would be possible without the dedication of our therapists, staff, volunteers, and donors. Your belief in our mission ensures Moody Clinic patients receive the care they need to grow stronger, more independent, and more confident in their futures.

As we look ahead, the Board remains committed to strengthening our programs, expanding access to care, and stewarding our resources responsibly. Together, we are Sparking Hope and Shaping Futures.

With gratitude,

*Karen Peña*

President, Board of Directors

## OUR BOARD OF DIRECTORS

Moody Clinic is a 501 (c)3 status organization with a Board of Directors. The volunteer members are the fiduciaries who steer the organization towards a sustainable future by adopting sound, ethical, legal governance and financial management policies, as well as by making sure the nonprofit has adequate resources.

# Charles' Legacy Scholarship

**2025**  
AT A GLANCE

Moody Clinic was thrilled to launch its very first scholarship program in 2023, a meaningful initiative dedicated to providing accessible rehabilitative therapy for children in need. Named for Charles Stallard, the courageous patient for whom the clinic was founded in 1952, this scholarship program serves as a vital lifeline for families facing financial barriers to treatment.

To date, Moody Clinic has proudly provided ten deserving patients with a full year of therapy at no cost, amounting to over 960 individual treatment sessions — an invaluable service that would have otherwise cost families more than \$138,000.

Thanks to the generous contributions of our incredible donors, we are excited to have supported four worthy patients this scholarship cycle, each one receiving the opportunity to transform their lives through our dedicated therapeutic services.

# Patient & Family Activities

## Camp Moody

Moody Clinic hosted its first ever "Camp Moody" with the generous support of Las Huellas, DHR Health Brownsville, and the UTRGV Athletic Department.

Camp Moody was an opportunity for our patients to explore the outdoors through adaptive equipment and in a safe environment at Camp Rio.

## Holiday Celebrations

At Moody Clinic, we celebrate holidays with our patients because connection and joy are meaningful parts of care. Our clinicians incorporate holiday-themed activities into therapy, thoughtfully tailored to each child's individual needs and abilities. We recognize that not every child can participate in a traditional celebration, so we provide a safe, supportive environment where every patient can engage in ways that feel comfortable and reassuring. Sharing these moments with our patients and families is a privilege we truly cherish.

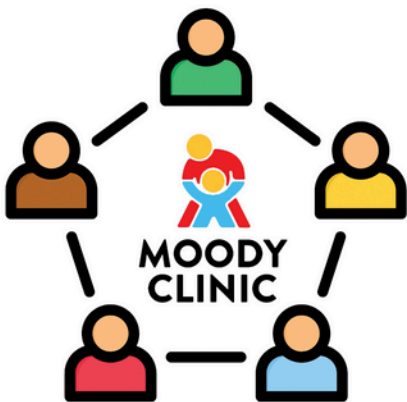

## The Family Support Group & The NICU Clinic

Moody Clinic was excited to initiate two new programs for our families, a family support group & a NICU Clinic.

Family Support Group aims to strengthen, support, and empower caregivers and families so they can better navigate both the emotional and practical realities of their journey of raising a child with special needs.

NICU Clinic aims to provide timely, compassionate care to infants transitioning from the NICU by prioritizing those with the most complex medical needs.

Moody Clinic explored expanding into the Mid-Valley with the assistance of Knapp Community Care Foundation in order to serve more children in the Rio Grande Valley.

# Review

Our Expansion Plan, using grant monies from Valley Baptist Legacy Foundation and Brownsville Community Improvement Corporation, brought a great deal of renovations and upgrades to our facility.
