About Moody Clinic

Moody Clinic, a 501(c)3 nonprofit organization, was established in 1952 and has provided comprehensive pediatric outpatient rehabilitation services to children in need for more than six decades. Our mission is to, 'provide the highest quality of rehabilitative services to maximize the potential of children with special needs.' The clinic is governed by 18 volunteer directors.

Our Mission

Our mission is to provide the highest quality of rehabilitative services to maximize the potential of children with special needs.

Our Goal

Our goal is to provide affordable access to rehabilitative care and create a lasting impact for those who would otherwise go untreated.

Our Services

Licensed therapists provide speech, feeding, physical and occupational therapy to children with developmental delays, disabilities, or acquired injuries from birth to age 21.

1

PHYSICAL THERAPY

Physical therapists create personalized programs to enhance a child's movement, strength, balance, mobility, and motor skills. The treatment may involve therapeutic exercises and activities, functional training, physical agents, and/or assistive devices to help the child achieve maximum functional independence, alleviate pain, and avoid further impairments.

2

OCCUPATIONAL THERAPY

Occupational therapists specialize in helping children with a range of needs improve their cognitive, physical, sensory, and motor skills, which in turn helps to enhance their self-esteem, sense of accomplishment, and overall quality of life. Given that play and learning are a child's primary activities, occupational therapists often evaluate kids' skills for playing, school performance, and daily activities, and compare them with what is developmentally appropriate for their specific age group.

3

SPEECH THERAPY

Speech and language pathologists diagnose and evaluate speech problems that include fluency (stuttering), articulation, voice disorders, and language problems such as aphasia and delayed language. Therapists also treat feeding and swallowing difficulties.

Chief Executive Officer, Moody Clinic

IN 2024, I CELEBRATED MY SEVENTH YEAR AS THE CHIEF EXECUTIVE OFFICER OF MOODY CLINIC. IT HAS BEEN A TRUE HONOR TO SERVE OUR COMMUNITY ALONGSIDE THE DEDICATED STAFF AND BOARD OF DIRECTORS AT MOODY CLINIC.

AS I REFLECT ON 2024, THE WORD "EVOLUTION" RESONATES DEEPLY. WE HAVE EXPERIENCED TRANSFORMATIVE CHANGES IN OUR FACILITY, STAFF, BOARD MEMBERS, AND COMMUNITY SUPPORTERS. OUR FACILITY HAS RECEIVED A MUCH-NEEDED FACELIFT, OUR STAFF HAS EMBRACED CONTINUING EDUCATION OPPORTUNITIES TO ENHANCE PATIENT CARE, OUR BOARD MEMBERS ARE UNWAVERING IN THEIR COMMITMENT TO MEET COMMUNITY NEEDS, AND OUR SUPPORTERS ARE STEPPING UP WITH AN EAGERNESS TO ENGAGE WITH MOODY CLINIC.

LOOKING AHEAD, 2025 IS POISED TO BE AN UNFORGETTABLE YEAR OF FURTHER EVOLUTION. THANK YOU FOR PLACING YOUR TRUST IN ME AND MY TEAM TO NURTURE THIS REMARKABLE CLINIC!

At Moody Clinic, we believe in seeing possibilities where others might see limitations. Our team of experienced clinicians works closely together to create a personalized plan of care tailored to each child's unique needs. Our goal is to provide rehabilitative treatment that helps children achieve developmentally appropriate functional skills.

Having been in operation for over seven decades, our staff has gained valuable experience and firsthand knowledge of the daily struggles families face when trying to find the right care for their children with special needs.
