

New York Onsite Wastewater Treatment Training Network presents:

SEPTIC INSPECTION TRAINING - Auburn, NY

September 22, 2021

9 a.m. – 4 p.m.

Location: Cayuga County Soil & Water Conservation District

7413 County House Road Auburn NY 13021

This class will instruct you on how to conduct and document a thorough onsite septic system inspection. Various aspects of the inspection process will be reviewed using training scenarios, videos, and the New York Onsite Wastewater Treatment Training Network's standardized inspection and reporting forms.

Training is available to anyone interested in becoming a competent inspector. This includes code enforcement officials, engineers, contractors, design professionals, and septic installers.

Lunch will be provided. Please register early! Space is limited.

Please mail your registration fee of \$200. Make checks payable to: OTNNY.

The New York Onsite Wastewater Treatment Training Network, Inc. (OTNNY) represents various industry and agency professionals, including specialists from NYS-DEC, NYSDOH, and NYSDOS. The OTN provides hands-on training throughout NYS to those involved with onsite systems. <http://www.otnny.org/>

Please return registration form and payment to: OTNNY PO Box 6265 Syracuse, NY 13217 by September 17, 2021
