|----------------------|----------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|-----------------|--------------------|
| 860013426705         | <br>"Pig Spit" BBQ sauce      | Mr. PoPo's BBQ, "Pig Spit" BBQ sauce, 16 oz. This "Level 1-Mild" sauce is the base for all our sauces. Kansas City style BBQ sauce at its best...tangy and sweet with just a hint of cayenne.                                                                              | \$ 72.00             |                 | \$                 |
| 860013426712         | <br>"Hot Spit" BBQ sauce      | Mr. PoPo's BBQ, "Hot Spit" BBQ sauce, 16 oz. This "Level 2-Medium" sauce builds on the cayenne in our PIG SPIT with the addition of red chili flake and habanero peppers to perfectly complement the sweetness.                                                            | \$ 72.00             |                 | \$                 |
| 860013426729         | <br>"Holy Spit" BBQ sauce    | Mr. PoPo's BBQ, "Holy Spit" BBQ sauce, 16 oz. This "Level 3-Hot" sauce adds ghost peppers to build on the cayenne, red chili flake, and habanero from HOT SPIT. The sweetness is not lost to the heat.                                                                     | \$ 72.00             |                 | \$                 |
| 860013426736         | <br>"Spit'n Fire" BBQ sauce | Mr. PoPo's BBQ, "Spit'n Fire" BBQ sauce, 16 oz. This "Level 4" sauce is packed with the heat of cayenne, red chili flake, habanero, ghost, and scorpion peppers. The full-bodied flavor profile is out of this world. Sweet and spicy...who knew heat could taste so good! | \$ 72.00             |                 | \$                 |
| <b>Instructions:</b> |                                                                                                                |                                                                                                                                                                                                                                                                            |                      |                 | <b>Order Total</b> |
