

Yard Road violation claim for yard job taking road train outside of switching limits.

Conductor/Foreman Claim:

“Claiming 8 hours account being instructed to work outside of switching limits while assigned to yard job (train ID) on duty (date) at (time) at (location). I was instructed by (manager) at (time) to take train (train ID or car #) from (location) to (location) which was outside of the scope of my yard service assignment (explain the work you did). I departed switching limits at (time) by (train/cab/etc) and arrived back in switching limits at (time) by (train/cab/etc).”

Make sure you are putting in you FRA Tie up screen the train you took out side switching limits. Keep a copy of your warrant you used to make the moves!
