Dress: Mufti

Rules: Triples verses Pairs. The game is a 9 bowl triples competition. However pairs teams **playing 4 bowls each are allowed to suit the number of players or the amount of teams playing . Whoever wins the end places the mat and rolls the Jack. **Triples team always bowl first and** therefore have the last bowl. The triples team bowl 3 bowls each.**

These rules eliminate the advantage that the pairs team have in bowling 4 bowls each.

Tie Break Rule: In the event of a draw the teams will go to a tie break. 1 End with 1 Bowl each to decide the winner. The team winning the end is deemed to have won the game. The end does **not count** on the scorecard.

In the event a draw between a pairs team & a triples team the teams will go to a Tie Break. Pairs team 1end &1 bowl each The triples team skipper will select 2 players from his team to play 1 bowl each to play the extra end to decide winner. The end does not count on the scorecard

Thank you for your support, we wish you good health and a pleasant bowling season.
