

MISSION

The purpose of the MYA Soccer Club is to provide Merrimack's youth an opportunity to learn and build potential in the sport of soccer while emphasizing enjoyment, sportsmanship, teamwork, and personal accomplishment through safe participation.

MYA Soccer Club provides an opportunity for all Merrimack youth between the ages of three to 18, catering to all levels, ability and previous soccer experience, to play recreational and competitive soccer in an environment designed to promote learning, fair play, teamwork, healthy competition and the fun and joy of soccer.

OUR PROGRAMS

Recreational Program

The recreational program is a Fall and Spring season sport. The Fall program runs from late August through early November. The Spring program runs from mid-April through mid-June. We offer coed divisions in the U4, U6, U8, U10, U12, U15 and U19 leagues.

Competitive (Travel) Program

The competitive program is a Fall and Spring season sport. The Merrimack Soccer Club (MSC) teams compete with nearby towns, private-clubs and regional teams within the New Hampshire Soccer League as well as selected jamborees and tournaments throughout the Fall and Spring seasons. The program is organized into boys and girls (and sometimes coed) divisions based on U8 through U18 leagues.

MYA Soccer Club – Sponsorship Program

SPONSORSHIP

As a non-profit club, our aim is to help build a legacy for the Merrimack Youth Soccer community. This can only be achieved with the continued support and the generous contributions made by companies and individuals who want to give back to Merrimack's youth.

Sponsors are very important to the Merrimack Soccer Club and sponsorships for this league would provide over 600 Merrimack children, between the ages of three to 18, the opportunity to play the game of soccer on safe and clean fields, provide uniforms for all registered players and offer the opportunity for players and coaches with soccer clinics and required training. The Merrimack Soccer Club also provides families with financial hardship scholarships, giving every eligible youth the opportunity to experience the sport of soccer.

Our club's long-term goal is to provide fixed lighting on Town fields and install an irrigation system to help maintain them for the safety of the players. *Your financial assistance is greatly appreciated!*

Working together, we can create a very special future for our children by providing them with a safe, happy and vibrant environment, geared to help them fulfill their dreams with a sport they love.
