THE NO-THINGNESS TENT

AN INTERACTIVE MINDFULNESS INSTALLATION

INSTALLATION SPECS:

- A minimum circular footprint of 12 meters/40 feet, flat and cleared of rocks, plants, and debris
- A minimum 4 meters/14 feet vertical clearance
- Ideal placement is near workshop centers/yoga stations/quieter areas but still visible & accessible. Nooks that can be modified to blend tent with surrounding nature are especially magical (i.e. making an entrance trail out of sticks/branches, rocks, etc)
- 20 amp 3-prong extension cord ideal but not required-- installation is 100% self-sustainable
