

A vibrant illustration of the solar system. The Sun is a large, bright orange-yellow sphere in the center. Several planets are shown in various colors and sizes, including Saturn with its rings, Jupiter with its bands, Uranus and Neptune in shades of blue, and Earth with its blue oceans and white clouds. The planets are positioned along elliptical orbits that curve around the Sun. The background is a deep black space filled with stars and a faint, colorful nebula. The text "GENEL ÇEKİM YASASI - KEPLER KANUNLARI" is written in large, bold, yellow capital letters across the lower half of the image.
