

National IH Collector's Dues Increase for 2023

National Dues Increase

From the National Board of Directors

As most of you know, the National IH Collectors is increasing National dues starting in year 2023 to \$20/year. I have had some clubs ask me if members could pay dues ahead at the lower \$15 rate. I have clarified this with the National Board.

Any clubs with **dues due through the rest of this calendar year** (Chapter 35 is up in October 2022) will pay the National dues at the \$15 rate. Any dues paid ahead for future years, will need to be paid at the rate of \$20. Anyone that has previously paid ahead as of this date will not need to remit the additional \$5.

All National dues paid after 1/1/2023 need to be paid at the rate of \$20 as well.

Thanks for all you do to further IH Collectors!!!!

Now that the National board has clarified this increase, please keep this in mind when you receive your renewal in September 2022.

Timely renewal is important.

If you do not renew before January 1, 2023, please ensure the extra \$5.00 is included with your renewal.

Also, if you send in a multi-year renewal the first \$25.00 will be used for your renewal and the remaining will be considered a donation unless you include the extra \$5.00.
