

IN MEMORY OF ORION C. SAMUELSON

By NYS Chapter 35 Board of Directors

While attending the 2026 Winter Convention at Clemmons, NC, we received word of the passing of the one and only, Orion Samuelson at age 91 on March 19, 2026. Mr. Samuelson grew up on his family 200-acre dairy farm in near Ontario, Wisconsin. He became world-known farm radio and television personality working for numerous radio stations. He became associated with Max Armstrong and together they became good friends during his 60-year career. We are saddened to know that the authoritative and rich baritone voice of “The Big O” has been silenced. On behalf of all at NYS Chapter 35 we extend our sincere sympathy to his wife Gloria, and family.
