

International Harvester Collectors Chapter 35 of NYS **Dues Increase**

It was decided during the Chapter meeting on November 13, 2022, that the local Chapter 35 dues would increase from \$10 to \$15 per year. This increase approved by the board of directors will become effective January 1, 2023, and coincides with the National Dues increase from \$15 to \$20.

What this all means is that any new members or renewals after December 31, 2022, will be a total of \$35 per year.

Gene Preston, President
