

REMEMBERING MARGY M. VANVALKENBURG

By Gene Preston, President

November 28, 2023, marked a sad day for the Chapter 35 family of members as Charter Member # 013, Marge M. VanValkenburg passed away. She and her late husband Lewis were very active members in the early years of our club. Lewis Passed away in 2021, and now with the passing of Margy we have our first husband and wife charter member team honored on our Deceased Member Memorial Plaque at our Alexander Clubhouse.

In the backyard of their Bergen, NY, Genesee County land by the barn, Farmall tractors could often be seen. They lived there since the early 1980's, moving from Churchville, NY.

We will miss seeing Marge at the various shows with her handmade tractor related items for sale. Marge was an accomplished LPN retiring in 2006. She will be missed, but never forgotten by our many members that she admired and enjoyed talking with at tractor shows. Marge is to be buried beside Lewis at Prospect Hill Cemetery, Perry Center, NY. Rest in peace dear friend.
