March 20

2022 Calendar of Events

February 13- 1 PM- Annual "Braggin Rights" Farm Toy Show & General Membership Meeting at the clubhouse. Directors meeting at 12 noon, eat at 1 PM submarine sandwiches, followed by general meeting. **Set up displays any time after 11:30 AM.** Contact: Gene at 585-690-8005.

March 24-26 - 30th Annual IHC Winter Convention, Pigeon Forge, TN hosted by Chapter 9. See details in Harvester Highlights.

April 3- 1 PM- Annual "SWAP MEET" & General Membership Meeting at the clubhouse. Directors meeting at 12 noon, eat at 1 PM - lunch to be provided, followed by general meeting. **NOTE THE DATE CHANGE!**

May 8- 1 PM, Elba Plow Day at Lew Esten's farm, Rt. 98 & Edgerton Rd. 9 AM to 4 PM. Food available on your own. Directors Meeting at 1 PM and General Meeting at 2 PM. More info coming on this as it nears. Contacts: Gene Preston & Lew Esten at 585-690-8005.

June 23-25- 33rd Annual Red Power Roundup, Springfield, Ohio hosted by Chapter 6. See details in Harvester Highlights.

July 10, "Tractor Showdown" at Charcoal Corral, Perry, NY. Noon to 4 PM. Setup starting at 9AM Contact: Becky at 585-493-5158.

August 10-13, NYSEA Pageant of Steam, Canandaigua, NY. General Membership Meeting at show Friday, August 12. Directors Meeting at 2 PM, followed by general meeting. Contact: Gene Preston at 585-690-8005.

September 7-11, WNYG&SEA Rally, Alexander, NY. General Membership Meeting at show Saturday, September 10. Directors meeting 2 PM, followed by general meeting. This will be our state show, "Red Power Charge." Food available on grounds. Contact: Dale Rissinger at 585-584-3886.

Sunshine Notes: Becky Broughton will send cards or notes to our members who are ill, in distress, recuperating or who have lost a loved one. If you know of anyone needing some TLC at these times, please contact **Becky at (585) 493-5158 or beckybroughton@frontier.com**

From the President.....

Hello everyone. The holidays are over and we can now try to get back into a groove again as best we can with lingering pandemic regulations. Many years ago at the firehouse my boss used to tell us it was okay to get into a groove but not into a rut. This whole COVID thing has been just that, a rut. A tough bunch, we will survive just like our forefathers and old red iron tractors have survived.

I will begin my column for 2022 by boasting about our grand Chapter 35 Christmas Party held in Batavia, NY, December 4, 2021, our first holiday party since COVID concerns started. Scheduled for a Saturday afternoon so members did not have to miss the Sunday Buffalo Bills game, night time deer hazard driving, and Sunday church services, it proved to be good planning as a good turnout enjoyed the fun party. Thanks to Dave Meacham and Patty Feeney for helping with the work. Read more about the day's activities in a separate report elsewhere in this newsletter titled, 2021 Christmas Party.

Our installation of officers consisted of swearing in our officers and directors including our new treasurer, Tom Macauley. Re-elected board members Sharon Rissinger and Bob "Goober" Andrews ran unopposed and have begun their new three-year terms. It was my pleasure to call on past president Randy Broughton to officiate the swearing-in oath of office to all. Thanks again Randy.

Our calendar of events for the coming year is posted here in Farmall Flyer. I encourage members to attend as many meetings and events as possible. Start 2022 out right by planning to support our club more than ever. If you have any ideas for meeting locations or guest speakers for future meetings please give me a call.

Two major events for our club will take place in mid-winter and late spring if COVID restrictions and the Omicron dominant variant does not spoil our plans. First our Annual "Braggin' Rights" Farm Toy Show and Memorabilia display is scheduled for February 13, 2022. This year we will be blessed with a famous guest speaker who is a member of 35 and nationally known for his farm toy expertise. Author/writer Doug Harke of Geneseo, NY has agreed to be our guest speaker and we look forward to that exciting time. Dust off those favorite IH farm toys and haul them down to the Gillate Road clubhouse for Doug to describe and reveal their special features. See the show poster in this newsletter.

Second event new to us in a while is our return to Lew Esten's popular long-running plow days at Elba, NY. Lew is our very first club president and has gained a reputation for putting together a plow day weekend

every year that has drawn tractors and plows from as far away as PA. Our day will be Sunday, May 8, 2022 for a fun day including our directors and general membership meetings. Put this on your calendar and plan on bringing a Farmall or Cub Cadet and turn some furrows on a nice spring day. More details to come on this.

I have talked with our newsletter editor Becky and we have agreed to establish a mailing schedule similar to that of the national newsletter, *Harvester Highlights*. We hope to have *Farmall Flyer* in your hands during the months of January, April, July and October. This will provide us with ideal timing to inform you of dates and times for events such as our farm toy show, plow day, picnic, Canandaigua Steam Show and Alexander Rally meetings, annual election and Christmas Party.

You are urged to regularly check our website www.ihcc35ny.com for additional information on events. Breaking news of unexpected CANCELLATIONS and CHANGES will be announced there. For members not having a computer, we will attempt to telephone you. As you know in these uncertain times, sudden pandemic activity is a constant threat to our calendar events.

Added excitement grows as the Annual Winter Convention nears. Word has spread that on the way to Pigeon Forge, TN traveling from the north, Benham, KY awaits in all its International Harvester glory and history. Harvester history fans will recall that Benham, KY is known as "The Little Town That IH Built." Much has been written mostly by the late Darrel Darst and

his wife Kevin about this coal mining town that IH laid out and built for employees to live in and raise their families. In its beginning Benham had its own everything including post office, police and fire department. Today the population is fewer than 600 and much has been preserved for tourists interested in IH history. Patty and I look forward to taking the tours as does my friend and noted Chapter 17 President Ben Trapani, who also wrote about this trip highlight in their recent newsletter, *Harvester*. We are booked to stay one night at the old school now renovated into the Benham Schoolhouse Inn. More on all this when we return in early April.

We at Chapter 35 are a large family concerned for one another. If you know of members that are ill or in need of help, please let a club official know so that Becky can send a card or we can take other appropriate action.

As I put the wraps on my first writing for 2022, public health concern builds with the pandemic once again. Keep an eye out for last minute event changes and updates. Until we meet again, stay warm and healthy. Be thankful for our many blessings.

Best regards,

Gene Preston

When reading the ad I chose for this newsletter take note of the date the offer was announced.

Becky

TREASURER'S REPORT

4th QUARTER 2021

OPENING BALANCE:	\$19,008.18

A PEEK INTO THE PAST.....

By Gene Preston, president

This appeared under Announcements in a Harvester Highlights Newsletter on page 9 dated September 1995. At that time interest among IH collectors for a NYS Chapter of IHC was strong and I wrote the national

and I wrote the national for their Chapter Formation Packet. HH then included my appeal for member Interest as shown in the clipping below.

With little reaction at the time. I tabled the Idea. Nine years later in 2004, Ray and Anita DeGlopper of Grand Island, NY got the idea rolling again and the rest is history as Chapter became official in 2005.

MEET OUR NEW TREASURER TOM MACAULEY

By Order of the Board of Directors

The board of directors has successfully ended their search for a member to take over the position of Chapter 35 Treasurer. Long time treasurer Laura Pfennig of Erie County has retired, and **Tom Macauley of Livingston County** was approved at our September 11, 2021 BOD meeting as our new treasurer. Tom will be installed at our Annual Installation of Officers Ceremony during the December meeting.

Many of you got to know Tom when he hosted our Chapter picnic last June at his beautiful East Groveland Road farm in Mt. Morris, NY. A lifelong farmer, Tom hosts annual Farm Bureau activities at his farm and is well known throughout the community.

On Monday, October 18, 2021 Tom and chapter president Gene met with an official of the M&T Bank of Perry, NY where we presented Chapter 35 paperwork necessary for the bank to complete forms officially naming Tom as treasurer in place of Laura Pfennig. At the same time paperwork was processed naming president Gene Preston as second signer in place of past president Ray DeGlopper. We wish Laura all the best and welcome Tom to his new position with our club.

**General Membership Meeting 12.04.2021:
During Christmas Party
at Batavia First United Methodist Church Hall, Batavia, NY**

In attendance: Gene Preston, President/Director; Dick Monkelbaan, Vice President/Director; Bob Andrews, Director; Harry Pankow, Director; Dave Meacham, Membership Secretary/Director; Sandra Austin, Secretary, Tom Macauley, Treasurer.

Meeting called to order by: Gene Preston, President at 1:54 PM

Pledge to the flag led by: Dick Monkelbaan, Vice President

Invocation by: Gene Preston, President

Welcome: Gene welcomed everyone and thanked all for coming to our Christmas Party and bringing non-perishable food donations for the church food closet. He referenced the printed color programs at each place setting showing the program details for today.

Reading of Minutes: Minutes will be published in the next Farmall Flyer newsletter.

Treasurer's Report: Account is stable with no changes other than today's expenditure for the Christmas party. The Board of Directors approved payment for the party along with a donation to the church. The total is \$750.00 for the meal and tip. Detailed report in next *Farmall Flyer*.

Old Business:

- None

New Business:

- Board of Directors: Nothing individually to report.
- President Gene reported that during the directors meeting the traditional annual election of officers took place. They will be installed later in this meeting.
- A big thank you to Becky Broughton for continuing to keep the *Farmall Flyer* newsletter going!! This year, we only had three newsletters go out; the goal is to have quarterly newsletter mailing schedule similar to the National newsletter, *Harvester Highlights*. Please submit any stories, etc., to be put in the newsletter; this is an opportunity for everyone to boast about their tractors and collections!
- Committees: There are currently no working committee reports.
- Membership: Current membership is up to 199! Per the National, Chapter 35 is doing just fine. Other chapters' numbers are down as well. For 2020, membership dropped substantially to less than 190 members. However, Dave reports things have picked up this year and we are back up to 199 with some memberships still coming in! We are still considering a membership drive for 2022 with Pennysaver ads being run.

Installation of Officers for 2022:

President Preston called on Past President Randy Broughton to officiate the oath of office to the 2022 Officers and Directors.

- *President:* Gene Preston
- *Vice President:* Dick Monkelbaan
- *Membership Secretary:* Dave Meacham

- *Secretary:* Sandra Austin
- *Treasurer:* Tom Macauley
- *Director positions:* Sharon and Bob both ran unopposed for another three-year term, as there was no interested candidates from the general membership.

Calendar for 2022:

Dates of events were mentioned. Complete list on front page of newsletter.

Today's Speaker: Member John Frater gave a wonderful presentation with photos on his antique car collection featuring his **IH 1961 B112 pickup.**

Good and Welfare: One of our members, Dean Macauley, was hospitalized with Covid-19 and was on a ventilator for three weeks. He was just taken off the vent and is on an oxygen mask with forced air. He's doing well, and doctors are very optimistic!

No 50/50 drawing conducted today.

OUR NEXT MEETING: February 13, 2022. See calendar for details.

Motion for Adjournment: Jay Fullerton

Second: Dick Monkelbaan

Meeting Adjourned at 2:32 pm by President Preston

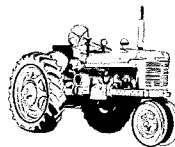

Dinner, guest speaker, gift exchange, door prizes, group photo & social time followed. Gene made closing remarks thanking the kitchen staff for the excellent meal, and thanking our members for their donations of non-perishable food for the church food closet. He cautioned everyone to have a safe drive home.

Respectfully submitted by Sandra Austin, Secretary

**2022 CHAPTER OFFICERS
AND DIRECTORS**

Gene Preston, President

My motion to the board of directors to reinstate present officers including the new treasurer for the coming year was seconded by Dave Meacham and was carried. All officers agreed to remain in office for 2022. On behalf of the BOD thanks to everyone for their interest in holding chapter positions and committee assignments and continuing to work at improving our chapter.

ADVICE FROM MY TRACTOR

- Plow ahead with hope.
- Pull your weight.
- Cultivate lasting friendships.
- Work and play hard.
- Don't blow a gasket.
- Take time to rest.
- Be outstanding in your field.
- Get your rear in gear.
- Keep your rows straight.
- Have a happy harvest.

IHC NYS CHAPTER 35 ANNUAL "BRAGGIN' RIGHTS"

FARM TOY SHOW

AND

IH MEMORABILIA DISPLAY

Featuring Nationally Famous Author, Writer and Speaker

"The Master Himself"

Doug Harke of Geneseo, NY

Sunday, February 13, 2022

Meeting at WNYG&SEA Clubhouse

Let's have a strong turnout and showing

of your favorite IH Farm Toys

and IH Memorabilia for all to see and enjoy.

Bring your oldest farm toys and

most admired piece for Doug to analyze

In keeping with COVID-SAFE recommendations

Our lunch will be an assortment of catered submarine sandwiches.

TOYS CAN BE SETUP ANYTIME AFTER 12 NOON

Contact: Gene Preston at 585-690-8005

CHRISTMAS PARTY

DECEMBER 4, 2021

By Gene Preston, President

A new setting this time around, the Batavia First United Methodist Church hall was all decked out in International Harvester Company colors - red, white and black with balloons and place settings to match. Red poinsettias complete with American flag, small model IH tractor, and special made Chapter 35 Christmas ornaments on the tables made for end of day gifts.

We observed public gathering COVID limitations of social distancing of seating by putting chairs on one side of the table only in a horseshoe shape. Nobody had anyone sitting opposite them.

Our BOD and General Membership meetings kicked off our busy Christmas Party program followed by our traditional Installation of Officers swearing-in ceremony. This year we were blessed by member John Frater's strong speaking skills and enjoyed his presentation on acquiring and restoring his dandy 1961 IHC B12 pickup truck and his other classic vehicles. The red and white "Cornbinder" beauty was first introduced to our club at last year's picnic at members Tom and Georgia Macauley's neat Mt. Morris, NY farm.

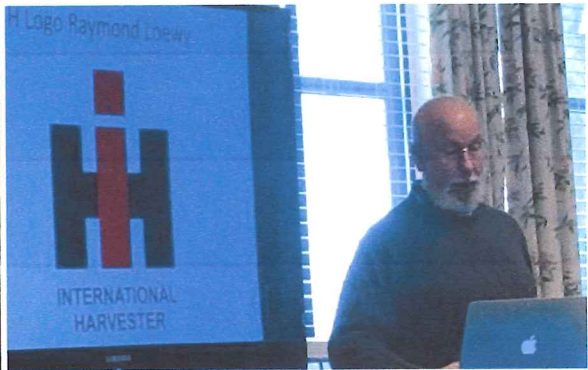

John's excellent presentation with photos enhanced our knowledge of world famous industrial designer Raymond Loewy, the creative genius consultant for more than 200 companies including International Harvester Company where he designed the famous IH logo – Man On a Tractor. Loewy also created

the Farmall tractor look and the trademark prototype corporate dealer buildings with the red pylon. John also enlightened us to the Loewy connection with Detroit and the tail fin automobile era. Thank you John. Indeed Chapter 35 has been enhanced with your membership and friendship.

Next came dinner served by the church hall staff. Everything you ever heard about homemade dinners by the ladies of the church community was true as our smoked brisket dinner with mashed potatoes and vegetable sides was perfect topped off with delicious apple crisp. Our wrapped gift exchange led to social time for all to relax and chat, something we tractor folks are good at doing. Nearby was a table full of non-perishable food Chapter 35 generously donated for the church food closet. It was deeply appreciated.

We concluded our afternoon of fun by gathering in front of the Christmas tree for a group photo consisting of nearly all that were present. A final call for the kitchen staff to come out to receive our huge round of applause wrapped up the program. We have received numerous emails and phone calls from members expressing satisfaction of this year's program. That is deeply appreciated by the planning committee and co-chairmen Dave Meacham and myself.

Indeed it was good to get together once again in the spirit of Christmas among our International Harvester Chapter 35 brothers and sisters. Here are a few photos showing the fun. A more complete photo gallery is available on our website at ihcc35ny.com for your enjoyment.

Membership Report by David Meacham

This membership renewal period for 2022 has been a very busy one. We have been fortunate to have picked up members that have not renewed since 2019 and 2020. We also picked up 8 new members. The new members came in from using the newsletter application and our IHCC35ny.com website. Out of the currently active 202 members we have 67% of our members that have an email address on file. So please if you have not sent in your email address, please send to David Meacham at membership@ihcc35ny.com. This gives our chapter the ability to have more timely communications with our members. By providing your email address we will never sell it or use in any way besides for chapter business. The membership renewal brought into our chapter the following donations and the Board of Directors would like to recognize those who donated above and beyond their dues:

Richard L. Belding SR
Fred Crane
Tom Macauley
Brant R. Sherlock
Jay Dee Whiting

Robert Belding
Douglas J. Irwin
Daniel D. Park
Larry C. Smith

Gary M. Bray
Dale LaBombard
Byron K. Pfleuger
Louis G. Van Leeuwen SR

John F. Brennan
Ed W. Lincoln
Robert E. Phelps

THANK YOU FOR YOUR GENEROUS SUPPORT!

2022 MEMBERSHIP DRIVE

Your Leadership Team has engaged in a Membership Drive for 2022. It involves paid space in Pennysaver Newspapers in rural communities that still have such printed media. Facebook and other forms of social media may help recruit new members. Membership applications are readily available in our newsletter and on our website.

It also involves YOU – all NYS Chapter 35 members. So it is really a workforce of more than two-hundred individuals all working hand-in-hand in an attempt to successfully bring new members onboard.

If each of you simply speak to a relative, neighbor, friend, or that employee down at the Tractor Supply store, farm machinery dealership or acquaintance in your old iron collector circle, explaining to them our club, we may pick up dozens of new members.

Benefits include access to a network of information assisting with mechanical repairs for tractors, etc. Most clubhouse meetings include a meal, and our quarterly newsletter, *Farmall Flyer* has a free classified ads section for members who care to buy or sell. It also offers you a means of submitting written articles about your IH collection or tractors.

Chapter membership dues of \$10 that must be coupled with national membership dues of \$15 totaling \$25 and that gets you a great full color quarterly magazine-like newsletter, *Harvester Highlights* filled with stories and activities shared in reports from all 40 chapters. The International Harvester Collectors website has numerous links and calendar of events that are very helpful to IH enthusiasts. Like any organization the more you participate the more satisfaction and enjoyment you get from being a member.

So that is our membership drive plan. Go forth into the new year prepared to tell all about our club and help us grow larger and stronger. New members just may yield some fresh ideas and skills to move us ahead into the future.

It was meant to be...

By David Meacham,
Director/Membership Secretary
IHC Chapter 35 of NYS

My wife, two young boys and I moved into my grandfather's house in 1981. The house was built by my grandfather after he, my grandmother and their two girls moved to the USA from the UK. In fact, my mother was only six years old when they moved over here and became citizens. The house he built sits on two acres in the beautiful Town of Clarence. After my grandmother passed and my grandfather could not live alone anymore in the house he built and cherished is when we decided to purchase his home and sell our house in the City of Buffalo, NY.

Considering it was my grandfather's house there where a lot of things just left here. One of those things happened to be an old **1947 David Bradley 917.5751 Model 263** (Sears and Roebuck) two wheeled walk behind tractor. It had all the implements to work a garden, cut the grass and clear our long driveway of snow. As it worked out after we moved, I did use it for a little garden we had as well as clear the drive of snow.

However, when I was just a little boy somewhere between 10-12 my grandfather started to let me plow the driveway in the wintertime. I loved doing that except for one thing; sometimes I would slip on the ice and the David Bradley would drag me almost to the road before I could get up and stop it. I am not sure if my grandfather ever saw that happen but as I write this, he is probably having a good laugh about it. As

I got a little older that did not happen anymore.

After several years of trying to keep the wildlife from destroying our little garden we finally gave up and filled in the garden with topsoil and planted grass. I also bought my first Cub 129 which I used to cut the grass as well as plow the driveway of snow.

The David Bradley and its implements became a thing that I mostly tripped over and was in my way all the time in our small garage. After a few years of that I decided to sell it. A man that installed satellite dishes bought it figuring he could use the dirt plow to make a furrow in the grass to bury the cable and then use the snowplow to cover up the furrow. We struck up a decent deal on the machine if he took all the implements with it. So now the tractor and all the implements were out of my hair, and it felt good.

Now a few years down the road my two sons said I never should have sold it and the more I heard them say that the more I agreed with them. So, I went to the place where this man lived and inquired about it, but he no longer lived there, and he was out of business. That is where I left it figuring that was that...period!

A few years went by, and my younger son and I were in Hectors hardware on Main St. in the Town of Clarence. My son Jeff wanted to buy a new Carhart jacket so while he was looking at jackets and I was just wandering around the store. There was a for sale sign in the far corner of the store, so I walked over to see what it was. To my disbelief it was the old David Bradley with a dirt plow on it. I had to look twice but that was it!

I asked the store owner what the story was behind the tractor, and he told me

that a man brought it in, and it needed some carburetor work. After the work was complete the man never came back for it, so Hector's was just trying to recoup the cost of repairs by selling it. Hector's wanted \$100 for it and the dirt plow. I quickly reached in my wallet and all I had was \$50 cash. I told the store owner the whole story and he finally said if you can take it away now, I will sell it to you for \$50. Jeff and I loaded it onto my truck and home the David Bradley came again.

I could not believe that the Bradley was back home again. I said to my son Jeff it is his if you restore it, Great Grandpa would be proud to see it in a restored condition. So off to work Jeff went and this is what he accomplished.

You do not see many of these with the original knobby tires and after a lot of research he found how to make the color for the wheels. The wheel color is made up of one part John Deere green and one part John Deere yellow. Who would have ever thought of that combination to color the wheels?

After a few years Jeff decided to take it to the WNYG&SEA rally and use it to get around. So, with that thought in mind he created a little sulky for it.

The David Bradley now lives with my son Jeff and his family and is well taken care of.

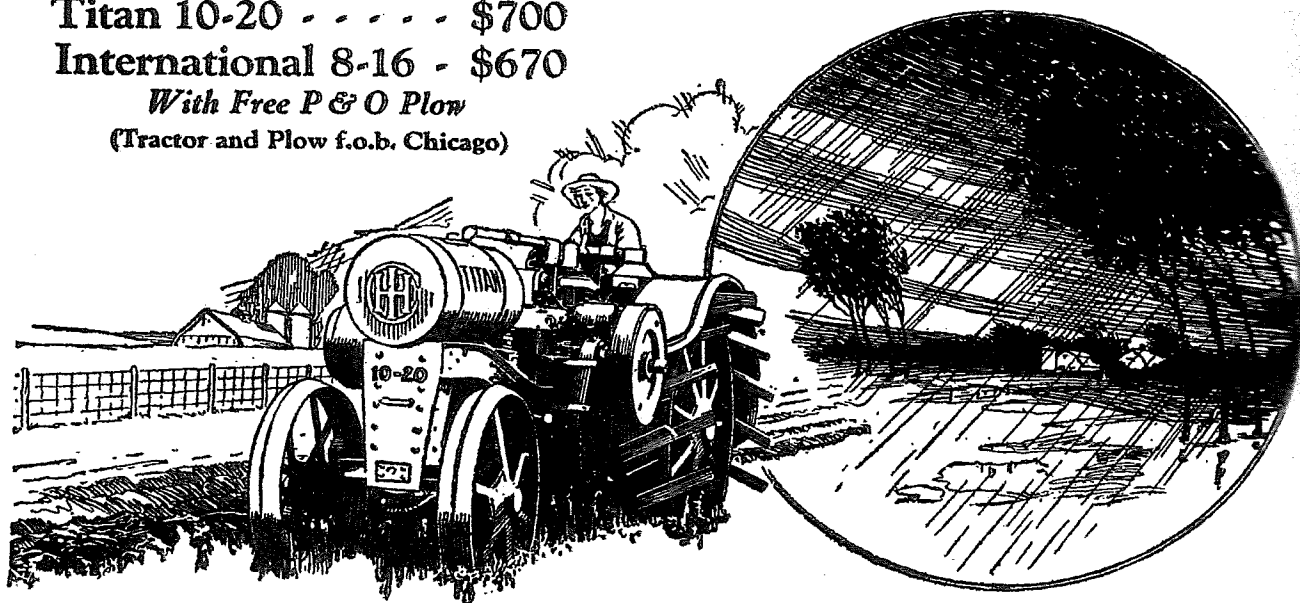

The April Meeting date has been changed to **April 3** for the Swap Meet due to a scheduling conflict at the clubhouse. Mark your calendar as there will not be another newsletter before then. There is information on the front page under Calendar of Events and check the website for any updates.

Titan 10-20 - - - - - \$700

International 8-16 - \$670

With Free P & O Plow

(Tractor and Plow f.o.b. Chicago)

Free Plow Offer Good 20 Days Longer to Offset Late Spring Season

In many sections heavy rains and a tardy spring have delayed tillage and planting beyond the point of safety. *Now* extra power and help must be put to work to make up for lost time. Hundreds of farmers who did not intend buying a tractor this spring will find in the Titan or International tractor plowing outfit the answer to their big problem.

Our original Free Plow Offer was advertised to close on May 1, as that is ordinarily the end of the heavy tillage season. But after weeks of delay thousands of acres remain untilled, and an unexpected need has developed for Titan and International tractor power.

To keep in line with the unusual season we have instructed the McCormick-Deering Dealer in your locality to extend our Free Plow Offer for 20 days. Until May 20 you can buy a Titan or International tractor at the present low prices, and receive a free plow or tractor disk harrow as outlined in our original Free Plow Offer announced February 3, 1922.

Unseasonable weather has created a real emergency that can best be met with good tractor power. Every hour saved now means dollars at harvest time. See the McCormick-Deering Dealer today.

Please have fun with this. A highlighter is the best way to mark the words. If you want to share it with someone make a copy for them.

I did another puzzle because some members enjoy it (especially Brant Sherlock, Bill Pfennig and Bill Herrick). Bill H. usually sends me his to correct so I can give him a grade on it!! I like to do a theme and when thinking about it this thought came to me so with a little research these were the cities I found. If you really want to test yourself see if you know what each plant manufactured. The answers are on the classifieds page.

I hope you learned a little more about the history of IH. There were also many more factories overseas.

Becky

FOR SALE

MEMBERSHIP APPLICATION (new or renewals)

If your address changes, please call, email, or write to Dave Meacham or you will not be receiving your newsletters. It costs the chapter money every time a newsletter or National magazine is returned, and bulk mail will not be forwarded.

Thank you for your interest in the International Harvester Collectors, Chapter 35 of New York State. Below is an application with information necessary to process your membership.

If you are a member and questioning whether you need to renew, just look at the top left of your address on the newsletter and if it is equal to or greater than N22 you are already renewed. The N22 means you need to renew in November 2022. See sample label below.

Please use your legal name and full address as required by your post office. New members will receive a national membership card with your national and state member numbers. Save this, they are not reissued each year.

Club benefits include:

- membership in the National Club and NY State Chapter 35
- quarterly magazine publication from the IHC National Club, *Harvester Highlights*
- quarterly newsletter from Chapter 35, *Farmall Flyer*
- National IHC insurance policy coverage at **Chapter 35** sanctioned events
- post your equipment pictures on our website www.ihcc35ny.com for all to see!

Dues currently are \$25.00 per year from November 1 to October 31.

Please print information, **cut out application** and return with remittance of \$25.00 payable to **IHC Chapter 35 of NYS** to the address below. Save the rest of the information for your records. We look forward to hearing from you and meeting you at one of our future events.
