From the President ...

So wow! That was summer? It goes faster every year, I hope you were able to make the best of it. For those of us that are growers, rain would have made the crops much better, but we still did okay. The Pageant of Steam Show at Canandaigua was bigger and better this year. Our meeting in the show grounds conference room provided a refreshing rest after walking the grounds much of the day. Those walkways are getting longer and longer. One meeting proposal by Past Secretary/Director Gary Hill resulted in a push to get a nice turn out of tractors for our Alexander Rally. Thanks to Dale who will be placing our club banner at Alexander marking our show site.

Past member Bruce D. Wright passed away August 23, 2022 at age 76. He had three dandy Farmalls, a Cub H and an M. From Trumansburg, NY, Schuyler County, he was on our BOD serving for three years and then left the club. He did a lot for the club especially when we were outfitting the chapter trailer years ago. Our sympathy to the Wright Family.

The big WNY Gas & Steam Engine Association Rally enjoyed fine weather this year as many of us gathered on Wednesday evening to get our tractors lined up behind our club banner on the hill where we became familiar years back. By the time we left 17 tractors had arrived, 4 of them Cub Cadets. On Saturday I was told nearly 35 tractors were lined up in two long rows. This was the result of member Gary Hill and his telephone drive to revive some of our old club spirit of showing lots of red. Let us hope that this continues next year during the show season.

The Alexander Rally was fun this year seeing our club tractors lined up on the hill, a spot we claimed years ago. Chapter 35 Cub Cadets, Farmalls and Internationals never looked better. I had planned on giving credit here to all our members showing their tractors, but misplaced my list. Many agreed the Tom Macauley 1206 Turbo was best in its class. Terry Page's Farmall 300 and Gary Hill's Farmall Cub stood tall as did Dale Rissinger's Tractor Shed trailer full of his pedal tractors. And thanks too for Dave Meacham and his mighty Farmall M on the pulling track. My 682 was all spruced up and in the front row. A surprising highlight was when we were blessed to see long time Director Harry Pankow and family roar up in their golf cart smiling and waving to all. Harry has bounced back from serious illness and seeing him out and about again made our day. Way-to-go Harry! While surveying club tractors our club's first president, Lew Esten stopped by to say hello and chat. We are forever grateful for our early club presidents for all they did to grow the club.

We conducted our meeting Saturday afternoon as planned as 14 members showed up, not bad for a show meeting. Director and General Meeting highlights include BOD approval of a motion to name Alexander our permanent State Show site. This followed discussion of other chapters around the country doing the same, and with the blessing of the national

organization. The BOD is excited about this move and applaud the idea. Another highlight of the meeting was the approval for Director Dale to purchase a new pedal tractor at a cost of \$300 for the purpose of a fund raiser raffle. An implementation committee will be formed at the next meeting to work out the details including the printing of tickets, etc. This will be our first fund raiser in several years. In the past we have done a new Cub Cadet GT 2544, carts filled with IH goodies, and more.

I received word from Past President Ray DeGlopper that Charter Member Rob Mings had a major stroke on Labor Day. I have been in contact with Rob's wife Susan who says the stroke has affected Rob's right side and his speech. He continues to be in therapy and is making some progress at this time. Keep Rob in our prayers and cards are welcome at: *Mr. Rob Mings, 929 Campbell Blvd, Amherst, NY, 14228-1464.*

A final push is on for a huge turnout at the December 3, 2022 Christmas Party. We are grateful to Roberta Learn for heading up the party this year. Be sure to RSVP her at 607-423-7079 before November 23 if you are attending. Again this year we ask you to bring a canned good for the church Food Closet. New this year will be a table set aside for you to Show & Tell a favorite IH collectible or model toy. Last year our Christmas Party was one of the best ever with a guest speaker, food closet donations, and great meal.

Our annual election of directors is covered in a separate window here in *Farmall Flyer*. Incumbent directors Dick Monkelbaan, Dave Meacham and Gene Preston were reinstated on the BOD. Records show all are charter members with Gene being on the board 15 years.

Breaking news as they say is that we are having a club fund raiser, the first in several years. It too is explained elsewhere here in *Farmall Flyer*.

In our desire to revive some of the fun things our club did in its early years, next year we plan on having our April 16, 2023 meeting at Steve and Susan Sondericker's Friendly Acres Farm in Attica, NY. Steve has offered to host a meeting and we look forward to a different setting at his place in the spring. It is always a treat to hold a meeting at a member's farm and look at their tractors, etc. Steve has a heated shop for us to meet in and all we need to do is bring our lawn chairs. Plan on attending this meeting and we will provide pizza for lunch.

We got word from Ballona IH Tractor Club president, our friend Howie Hemminger about his VP, the late Steve Straight's IH collection auction. It takes place October 29, 2022, 10 AM at 7479 Dryer Road, Victor, NY 14564. Steve was killed in a farm accident in early August. A fitting tribute was displayed at the Ballona club site at the Canandaigua Steam Show this summer.

I apologize, for the first time I failed to meet the deadline for the Chapter Happenings report in Harvester Highlights. Too many irons in the fire is my excuse.

It is hard to believe this is the last newsletter for this year. That means it is time to thank everyone for their attending Chapter 35 events and meetings in 2022. Happy Thanksgiving to each and every one of you. As Americans we have much to be thankful for in our daily lives. We continue to pray for members that are fighting illness and pain. And finally, on behalf of Vice President Dick and myself, the BOD and officers, we wish our membership a most blessed Merry Christmas and Happy New Year.

Best regards,

Gene Preston

Everyone, thank you so much! I received 100 renewals the first 2 weeks of the renewal season. All has been going fairly smooth this time around. Please refer to the 2023 National Dues Increase page in this Newsletter. As a reminder National is not accepting any multi-year renewals without the extra \$5.00. By renewing for only one year this year it is making this membership task much less complicated for everyone.

Hope to see you all at the next meeting! Just one little reminder I have made our website mobile aware. So if you go to www.ihcc35ny.com on your smart phone all the content is there for you. Thanks again.

CHAPTER FUND RAISER

A Fund Raiser has been approved at our last meeting by the Board of Directors. An IH pedal Tractor has been acquired to be awarded to a lucky ticket holder of our Fund Raiser to begin as soon as tickets can be printed and sales begun. More details coming at the November meeting

Meeting Minutes Chapter 35 Membership Meeting 8-12-22
Pageant of Steam Show, Canandaigua, NY

Meeting Called to Order by President Gene Preston at 2:18 PM following the BOD meeting.

Pledge to the flag. Invocation: By Gene. Welcome by Gene and he thanked all for coming.

Tom Macauley shared his "Power of Prayer" story of how the many prayers offered for his son Dean ill with COVID-19, and how he finally pulled through the long hospital stay.

Members Present: President Gene Preston, Vice President Dick Monkelbaan, Director/Membership Secretary Dave Meacham, Treasurer Tom Macauley, Director and Past President Dale Rissinger, Director Harry Pankow, Past President Ray DeGlopper, Oliver Macauley, Gary Hill, Chris Hill, Dick Dahmer.

Motion: Gene asked for a motion approving the last meeting minutes. A motion was made by Harry and seconded by Dale. Carried.

Treasurer's Financial Report. Balance of today is \$17,382.05.

Membership Secretary's Report. Dave reported we now have 211 members. He also spoke about the National dues increase and for Chapter 35 it is still \$25 this year. Dave said that if he gets any multi-year renewals he will take the first \$25 and use that for the 2023 renewal year and the rest will be a donation. This is being handled this way because the National is not accepting any multi-year renewals.

Old Business: Gene asked Dale how Sharon is doing. Dale said she is pretty much confined to the house since being released from the hospital. Our prayers continue that Sharon's health improves.

Our next meeting will be Saturday, September 10, 2022 at the clubhouse during the Alexander Rally. Dale will have the clubhouse key.

Gene explained the annual fall election with himself, Dick Monkelbaan and Dave Meacham, terms expiring. All have agreed to run again for the office of director. Others interested are to submit a bio of not more than 150 words to the Secretary no later than October 1, 2022.

Reminder that the RSVP for the Christmas Party is November 23 to Roberta Learn at 607-423-7097. Please do not wait until the last moment to call her.

New Business: Gene showed a small tri-folded color brochure he saw at the Case Show feature tractor display and asked if that is something we could use to promote our club as a handout when appropriate. The directors asked Gene to put together a draft for their consideration at the next meeting. Dave Meacham cautioned us that the cost may deem the idea beyond our means.

Annual election of directors. Terms of Dick, Dave and Gene expire in November. No floor nominations received. All have agreed to continue if re-elected.

Good & Welfare: Discussed a memorial displayed at the Bellona Club show site in tribute to their late VP Steve Straight killed August 4, 2022 in a farm accident. A photo and sign is next to his Farmall MTA.

Gary Hill spoke of our lack of club member tractors at shows. He will manage an attempt to get some tractors on display behind our club banner at the upcoming Alexander Rally. Dave Meacham will provide Gary with a directory. Gene will get the club banner to Dale who will put it in place on the hill at the show grounds. All thanked Gary for his idea. Let's hope for a good turnout of our chapter tractors.

It was great seeing Harry Pankow at the show and how good he looked. Keep up the good work Harry! Gene will send NYSEA President Rick Finley a thank you email for letting us use their conference room.

Adjournment: Having no further business to conduct Gene asked for a motion for adjournment. Motion made by Dick Dahmer, seconded by Dale. Carried.

Meeting adjourned at 2:58 PM.

Respectfully submitted by Dave Meacham, acting secretary

General Membership Meeting Minutes 09.10.2022 State Show **“RED POWER CHARGE”, Alexander, NY**

Meeting called to order by: Gene Preston, President at 2:12 pm.

Pledge to the Flag led by: Gary Hill

Invocation by: Gene Preston, President

Reading of Minutes: Minutes from 08.12.2022 meeting were read by Sandra Austin, Secretary
Motion to Approve: Dick Monkelbaan
Seconded by: Dale Rissinger. Carried.

Treasurer's Report: Current balance in \$17,347.00

Motion to Approve: Georgia Macauley

Seconded by: Patty. Carried.

Committee Reports: Nominations Committee – see Annual Election below.

Correspondence: None at this time. Our next newsletter will be out in October.

Past Presidents Present: Past President Dale Rissinger in attendance at today's meeting.

Membership Secretary Report by Dave Meacham: We are currently at 211 members.

Renewals will be sent out shortly.

Annual Election: We have three expiring director terms (Gene, Dick, and Dave); all three are planning to run again. Interested members can apply with a 150-word bio sent to Sandra Austin, Secretary by 10.01.2022. At the November 13th meeting, the Nominations Committee will present the slate of candidates.

Old Business: Still in need of member tractor/collection stories for Farmall Flyer. Club brochure update. See below.

New Business: Club Brochure: Having a small club brochure as a handout to promote new members, etc., was discussed. A brief Chapter 35 history, photos and a membership application would be included. Gene is working on a draft and pricing to be presented to the BOD.

State Show: Our State Show has been rotating between Canandaigua and Alexander Steam Shows the past few years. We have learned that many other chapters hold their state show in the same location year after year. Discussion followed. A motion was made by Dave Meacham to modify the bylaws listing Alexander as our annual state show site; seconded by Dale Rissinger. Motion was carried. They will present a bylaw change to that effect.

Upcoming Shows and Meetings:

11.13.2022: Directors' Meeting at 12pm

Potluck Lunch at 1pm

General Membership/Reorganizational Meeting to follow after lunch.

12.03.2022: Christmas Party & Meeting!! In Batavia same place as last year. Must **RSVP to Roberta Learn (607-423-7097) by 11.23.2022.** See calendar for details.

IH Pedal Tractor: One of the flea market vendors offered the club a Case IH pedal tractor for \$300.00. Discussion was held to sell raffle tickets at \$5.00 per ticket as a fund raiser; volunteers will also be needed to sell tickets at next year's Steam Show. Motion to move forward made by Dave Meacham; seconded by Dick Monkelbaan. The motion was carried. Dale will purchase the pedal tractor in the box and be reimbursed by the club treasurer.

State Show "RED POWER CHARGE 2022" at WNYG&SEA Rally. Gary Hill called many members about bringing their tractors to the Steam Show Rally and there was a good response with a good showing of tractors! The club would like to extend sincere thanks to Gary; this was a very time-consuming endeavor. Thanks also to members that brought their tractors and to Dale for placing our banner marking our show grounds area. We hope that this showing of member tractors will continue at future shows, especially our state show.

Financial Ledgers: The Club's financial books are due to be audited. This will be further discussed at the next meeting with an anticipated audit date in February, 2023. Patty Feeney and Dick Dahmer volunteered to do the audit; the Treasurer will either bring the books to the meeting or make arrangements to get them to the auditors.

Good and Welfare: Sharon Rissinger is ill and currently resting at home. Harry is present at today's meeting and looks much improved; it's great to see him back! Anita DeGlopper recently had a few setbacks following surgery. All are in our thoughts and prayers.

NEXT MEETING: 11.13.2022 @ Alexander Clubhouse. Directors' Meeting at 12pm; Pot luck Lunch at 1pm followed by General Membership/Reorganizational Meeting

Motion for Adjournment: By Dick Monkelbaan
Second: Harry Pankow. Carried.

Meeting Adjourned: At 2:57 pm, by Gene Preston, President/Director.
Respectfully submitted by Sandra Austin, Secretary

State Show “RED POWER CHARGE 2022”

By Gene Preston, President

Our 2022 State Show took on the appearance of our shows years back when our chapter had more members and was more involved. This is thanks to our emails “Drumming Up” our participation, and members Dale Rissinger acquiring our site, and Gary Hill’s telephone calls resulting in a good turnout of tractors at the Alexander Rally. Two pages of color pictures show some of our tractors and fun. Let us continue this show of red iron at our shows next year. Numerous members were could be seen present now and then during the September 8-11, 2022 WNYG&SEA 55th Annual Rally. Pleasant weather made walking the grounds enjoyable as featured Waterloo Boy, Arrow Gas Engines and daily demonstrations drew large crowds.

Our Saturday afternoon directors and general membership meetings were well attended with meeting minutes printed here in Farmall Flyer. Dave Meacham and I along with others offloaded our tractors Wednesday evening before the show officially opened. Dale had already put our banner in place providing us with our familiar old Chapter 35 show grounds site on the hill. Dave Meacham was on the pulling track with his mighty Farmall M putting on a show for the Macauleys, Patty and I and other 35er’s sitting in the filled grandstand. Thanks to everyone attending our state show this year and proudly representing Chapter 35. Let’s do it again next year.

Chapter 35 "Red Power Charge 2022" WNYG&SEA Rally

Chapter 35 "Red Power Charge 2022" WNYG&SEA Rally

August 19 was another gorgeous perfect day for the **"Classic Tractor Show"** at the Wyoming County Fair. In all we had 66 tractors stuffed in the area near the cattle and horse barns. A big shout out to the following members who came: Don Delude from Orchard Park, Dale Rissinger, Randy Starr, Logwell Acres Farm and Alan Rudgers all from Pavilion, Judd Ewell from Warsaw, Dean Macaulty came from Groveland, and Terry Page from Perry.

The plaques for People's Choice donated by Kelly's Garage in Perry were won by: Pre 1939 Randy Starr with his 1936 Farmall F-20, Matt Granger, a high school student at Letchworth who along with his father restored a 1949 Farmall Cub, and Logwell Acres (Arnold Logsdon) with their 1972 IH 1066. Arnold won last year also so the 1066 is a showstopper and it had some stiff competition this year.

Randy and I want to **Thank all of you** for making the show such a success. There was a sizeable crowd walking around looking at the tractors, sharing stories with the owners and voting!

A Son's Tribute To His Late Father

By Gene Preston, President

The County of Monroe had a contractor milling and repaving my road this summer and I got to talking with some of the workers one afternoon after I cultivated my nearby field using my International 140. One of the gentlemen praised the little tractor with its front and rear cultivators. I replied that he seemed to appreciate IH tractors. He introduced himself as Spence Marsh of Pavilion, NY, Wyoming County. He went on to say his late dad farmed all his life using International Harvester equipment.

We chatted more as I told him about my fleet of Farmalls and about our club. He went on to tell how he got a tattoo in honor of his dad, and immediately pulled up his shirt sleeve and proudly displayed a big red and black IH logo on his upper arm. We all applauded his tattoo in memory of his late farmer dad. What a unique tribute!

He let me photograph it so I could share it here with *Farmall Flyer* readers. Here are the pictures for all to enjoy and appreciate.

FYI- A member of the Bellona Club in Penn Yan had a member who died in a tragic truck accident a few months ago and his wife has scheduled an auction for October 29th. You can check out the items at www.dannauctioneers.com for Steve Straight's auction. He had many tractors, implements and tools you might be interested in.

NOTICE OF 2022 ELECTION RESULTS TO BOARD OF DIRECTORS

By Order of the Board of Directors

The terms of office for Directors Dick Monkelbaan, Dave Meacham and Gene Preston expire in November this year. No floor nominations occurred at the September meeting. Our posted deadline of October 1, 2022 for bios of 150 words or less from interested members running for the position of director elapsed with nobody submitting their names to Secretary Sandra. Therefore in accordance with our bylaws there will be no need for election ballots to be mailed out this fall.

The three incumbent directors, Dave Meacham, Dick Monkelbaan and Gene Preston will be processed by the Nominating Committee and returned to office at the November Reorganizational meeting. Thanks to all for all they do and for agreeing to stay on the BOD. They will be installed at the December Installation meeting and Christmas Party.
