for the next issue is

April 12

2023 Calendar of Events

February 12- 1 PM Annual "Braggin Rights" Farm Toy Show & General Membership Meeting at the clubhouse. Directors Meeting at 12 noon, Potluck Lunch at 1 PM followed by the General Membership Meeting. Set up displays any time after 12 noon.. Contact: Gene at 585-690-8005.

March 16-18- 31st Annual IHC Winter Convention, Roanoke, Virginia hosted by Virginia Chapter 41. See details in Harvester Highlights.

April 16- Steve & Susan Sondericker "Friendly Acres Farm", 1458 Exchange St Rd, Attica, NY 14011. Directors Meeting at 12 noon, Pizza & Drinks Lunch provided by the chapter at 1 PM followed by the General Membership Meeting. Please bring your lawn chairs.

May 6- Saturday, Elba Plow Day at Lew Esten's farm, Rt. 98 & Edgerton Rd. Directors Meeting at 1 PM and General Membership Meeting at 2 PM. Food available on your own. Contact: Gene Preston 585-690-8005. Lew Esten 585-409-8308. *Please take note that this is on a Saturday.*

June 11- Annual Picnic & Meeting at Tom & Georgia Macauley, Merrimac Farm, 3920 E. Groveland Rd, Mt. Morris, NY. Rt-390, Exit #7. PLEASE R.S.V.P. Gene Preston 585-690-8005. Starts at 1 PM, picnic followed by Directors and General Meetings. Bring your lawn chairs and **WEAR RED** for group photo for Harvester Highlights Magazine.

June 15-17- 34th Annual Red Power Roundup, hosted by Nebraska Chapter 12 at Grand Island, Nebraska. See details in Harvester Highlights.

Sunshine Notes: *Becky Broughton will send cards or notes to our members who are ill, in distress, recuperating or who have lost a loved one. If you know of anyone needing some TLC at these times, please contact Becky at (585) 493-5158*

From the President

Happy New Year to all our more than 200 members, 43 of you admired charter members. Now that we are in the winter months, it is time to snuggle up near the heater in the old barn shop with country music playing on the radio, the beagle snoring away on his blanket, and perform some overdue tractor maintenance. Some days I just slip out the back door of the house and head for the barn unlocking the door, quietly stepping inside flipping on the lights to just stand there a moment admiring my red blessings peacefully at rest, and be thankful. Life is good. Thank you Lord.

Think SPRING and it will soon be here. What's new at NY 35? Following our November 13th BOD meeting and open discussion with members at the general membership meeting that day, and with input from our membership secretary, effective January 1, 2023 annual dues will increase by five dollars. This also coincides with the recent increase in dues by the National IHC. With costs of everything going up these days, we are confident our membership will understand.

Also new to the chapter unfolding in accordance with our bylaws over the past few months as a result of BOD approval, is a bylaw change designating the WNYG&SEA Annual September Rally as our permanent site for *RED POWER CHARGE*, our State Show. Numerous other chapters have learned what

we have learned over the years that holding the show around the state only results in poor attendance. Adding the high cost of fuel and travel compounds the matter. Calling the rural hamlet of Alexander, NY and the WNYG&SEA clubhouse our home base has a nice ring to it. The idea has received approval by the BOD and member acceptance at recent meetings.

While on the subject of WNYG&SEA, I was reading in their newsletter, *The Flywheel News* that they are expanding the parking area near the clubhouse and their new office building to make more room for folks attending clubhouse activities. A tip-of-the-hat to all at WNYG&SEA for all they do to maintain their huge complex.

We nearly made it through the 2022 year without a member passing, but we just discovered that Member #259, Randy W. Turner of Jordon, NY, Cayuga County, passed away back on June 23, 2022 at age 75. He was the proud owner of a SMTA and Super-A. Failure to renew his membership resulted in me making a follow-up phone call to his residence when we sadly learned of his passing back in June. All at NYS Chapter 35 send our sincere sympathy to his family at this difficult time. Cards to: *The Turner Family, 8814 Pump Road, Jordon, NY 13080.*

Randy's name makes 44 individual name plates on our Deceased Member Memorial Plaque at the clubhouse since our chapter begun 18 years ago. Most of these folks were very dedicated active members. Their loss has been felt in our club on committees and attendance at meetings and events. In talking with other chapter presidents we agree that because of the median age of old tractor lovers, it is a fact of life all chapters must accept.

Our 2023 Calendar of Events is full as posted here in *Farmall Flyer* and on our website. It is posted well into November so you can make notes to attend meetings and events. Of special interest is our April 16th meeting at member Steve and Susan Sodericker's "Friendly Acres Farm." They have graciously invited us to come to their place in the

spring and hold a meeting and see their IH collection, including a SMTA and 656. Doing things such as this is a big part of why we are in this exciting hobby, why we do what we do, sharing and enjoying what others have discovered along this journey of saving the International Harvester Company legacy. Also please note that members Tom and Georgia Macauley have offered to host and donate expenses for our annual picnic at their farm. We are blessed with members offering to host meetings, etc., and kindly thank them.

My routine back-and-forth exchange of newsletters with other chapter presidents reflects how many have gone to electronic newsletters. After months of discussion with our BOD and members present at meetings we have agreed to email our next edition of *Farmall Flyer* to members with computers. Non-computer using members will receive their hardcopy newsletter as usual. The benefits are enormous. Most apparent is the cost savings of materials, handling, printing and postage. Mailing would be free. There is no limit to the number of pages, color, and graphics, and the ease of sharing. We are pleased that Becky has agreed to continue being our newsletter editor until we can find a replacement for her. Past FF's show Becky first asked to be relieved of editor duty back in 2017.

The big Stew Paquette International Harvester Museum Auction in Leesburg, FL is now history. Online auctions started October 11 and went until October 14, 2022. Diehard IH collectors worldwide still cannot accept what happened to that awesome museum. I am hopeful that somebody who has closely followed the auction sale will write a story about how the auction played out. We need to bring closure to losing this IH gold mine. I am so glad that I was able to take in the museum three different years while vacationing in Florida. That place was amazing, International Harvester Heaven on Earth, I tell you. A friend of mine who belongs to the Antique Truck Club of America (ATCA) told me they used to hold their winter show at Stew's Farmall Museum

and now have to settle for a lesser county fairgrounds setting instead.

Let us continue praying and offering our help to the following members who are not feeling well. Louis Buckner, Tom Macauley, Rob Mings, Sharon Rissinger, Anita DeGlopper, Harry Pankow and Jim Bagley. Jim is being treated for a heart problem. Please send a card or make a phone call to them. For us seniors, health issues often become a compromise.

There is plenty of interesting reading in this edition of *Farmall Flyer*. Make sure you read about our Christmas party, and member Brad Banks surprising us with his donation of an F-20 pedal tractor. Our Farm Toy Show is coming in February. Our recent election of directors and installation of officers has us positioned to face the New Year with hope and vigor. It is our wish that you will step up and become more active in our club such as Jerry Taylor, Brad Banks and Roberta Learn have done to help with all that we do as a family at NY35. We saw more of this during our Christmas Party meeting when member Butch Christ came forward and offered to handle the pedal tractor raffle and then Jay Fullerton, Jerry Taylor and Gary Hill too. That is the volunteer spirit our club needs. Read his notice in FF about that project and his committee's timeline. Thank you all.

Our Treasurer Tom Macauley has been in Highland Hospital with pneumonia. We will keep Tom in our prayers. A January 27th benefit for Rob Mings is SOLD OUT according to his wife Sue. Rehab is going slowly.

During our December meeting we heard that long time Case/IH dealer, Lamb & Webster of Springville, NY has been sold to Monroe Tractor.

In closing I hope you had a blessed Christmas and pray that you have a wonderful New Year filled with family, friends, exciting new IH memorabilia discoveries, and happiness and good health.

Gene Preston **RED FOREVER!**

TREASURER'S REPORT
4th Quarter 2022

Opening Balance	\$ 16,682.12
Income:	
October membership dues & donations	\$ 3285.00

Batavia 1st United Meth. Church Christmas Party	\$ 908.00
Total Expenses	\$ 4865.14
ENDING BALANCE	\$ 16,709.98

Did you know?

When the 706/806 series came out they were a huge success. One of the problems created was they were selling so well that the dealerships were flooded with used tractors.

In fact, one owner told his salesmen that they couldn't sell a 706 or 806 until they sold a used tractor.

Calendar of Events

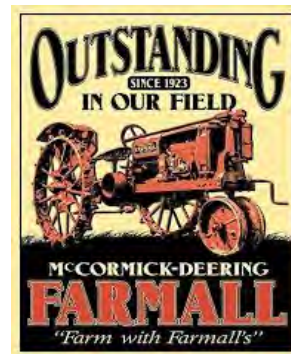

(continued from front page)

July 9- TRACTOR SHOWDOWN, at Charcoal Corral, Perry, NY. Noon to 4 PM. Contact Randy or Becky at 585-493-5158.

August 9-12- 63rd Annual Pageant of Steam, Canandaigua, NY. Directors Meeting at show 2 PM on Friday followed by General Meeting in Conference Room. Contact: Gene Preston at 585-690-8005.

September 7-10- 56th Annual WNYG&SEA Rally. Chapter meeting Saturday, September 9, 2023. Directors Meeting at 2 PM followed by General Meeting. This is our State Show, **"Red Power Charge 2023."** Food available on grounds. Contact: Dale Rissinger at 585-584-3886.

November 12,-Reorganizational Meeting at the clubhouse. Directors Meeting at 12 noon, Potluck lunch at 1:00 PM followed by General Meeting. Election results.

General Membership Meeting 12.03.2022:

Time: 1:40pm

In attendance: Gene Preston, President/Director; Dick Monkelbaan, Vice President/Director; Bob Andrews, Director; Harry Pankow, Director; Dave Meacham, Membership Secretary/Director; Tom Macauley, Treasurer; Sandra Austin, Secretary. Others in attendance were: Georgia Macauley, Carol Monkelbaan, Butch Christ, Jack Hall, Terry Page, Donna Page, Dick Belding, Lois Pankow, Carol and Paul Welker, Dick Schuessler, Debbie Mazur, Sue AND Dan DeLude, Gary Hill, Bob and Pat Page, Jerry and Rachel Taylor and their 3 children, Jay and Sharon Fullerton, Brenda and Dean Macauley.

Meeting called to order by: Gene Preston, President

Pledge to the Flag led by: Bob Andrews

Invocation by: Gene Preston, President

Christmas Gift exchange and Door Prize tickets were issued as members signed in on the attendance sheet. All were urged to be sure they got their tickets.

Reading of Minutes: Motion to approve by Terry, seconded by Gary; the motion was carried.

Treasurer's report: Treasurer Tom Macauley reported there is currently a balance of \$17,532; Motion to approve treasurer's report made by Jack, seconded by Dick. Carried.

Membership Secretary Report: Renewal started out strong but dwindled; we are now over 200 members. After 01.01.23; dues will be \$35/year due to \$5 increases at the local and national chapter levels.

Committee reports: None at this time.

Past presidents: None in attendance today.

Benefit: A benefit is being held for member Rob Mings, who is currently at Elderwood.

There will be a Meat Raffle on 01.27.2023 at the Sikora Post 1322, 950 Payne Avenue, North Tonawanda, NY. Doors open at 6pm with the first spin at 7pm; admission is \$10. Contact Emily at 716-949-7580 for ticket information. Contact Sally at 716-465-9135 to donate a basket.

Old Business:

- **Financial Audit:** The club financial records will be audited at the April 2023 meeting. Dick Dahmer, Patty Feeney, and Tom McCauley, Treasurer will meet to go over the books.
- **Fundraiser:** Director Dale acquired a pedal tractor for \$300 at the Alexander Steam Show. Member Jerry Taylor volunteered to help with the raffle. Butch Christ volunteered to manage the raffle, and Jay Fullerton and Gary Hill also volunteered to assist making a committee of four. The committee will work on designing tickets and getting them printed. Books of tickets can be mailed out to members to purchase or sell; it was suggested we do a \$1 per ticket or six tickets for \$5. The Warsaw Penny Saver has a print shop that may be able to help at a reasonable cost; Gene also provided some examples of some other options. There was discussion of giving the winter a choice between the Case/IH Pedal Tractor and the F-20 Pedal Tractor.
- **Yearly Calendar:** Our calendar of meetings and events is on the front page of the newsletter and posted online through next November. It looks to be a busy year!
- **Membership Drive:** The club previously attempted a Membership Drive by placing ads in multiple local Penny Savers; this was unsuccessful. However, our membership brochures are here! 500 brochures were ordered from the Warsaw Penny Saver. All

board members and officers took some brochures to pass out at various locations throughout the community where we thought new members might be attracted such as Tractor Supply Stores, Farm Machinery dealers, etc. Brochures were provided to General Membership so they can distribute them as well.

- **Newsletter:** We have an urgent need for a new newsletter editor. Becky has done a wonderful job, but she would like to hand it over to someone else once we go digital. Going electronic would save the club a significant amount of money in postage, printing and handling. The next newsletter will be digital. An email was sent out asking members how they would like to receive their newsletters; please respond so we know if you would like an email copy or a hard copy.

New Business: Many members brought some of their toys in today for a display.

- Member Dick Belding brought in a Doepke Model Toys road grader from 1949 along with a photograph of when he received it as a lad.
- Gene had a nameplate made for member, the later Randy Turner, and will be put on our Memorial Plaque at our February 2023 meeting.
- Long time Case/IH dealer Lamb & Webster was recently sold; and bought out by Monroe Tractor.

Guest speaker: After our Christmas luncheon, member Terry Page gave a wonderful presentation on antique woodworking tools and skills. We thank Terry for a grand presentation.

For Good and Welfare of the Organization:

- ❖ Member Rob Mings is currently at Elderwood (corner of Eggert and Bailey in Amherst). He enjoys visitors, but his speech is a bit slow; he's also having some issues with moving his right arm and leg at this time. He is in the process of a long and slow recovery, and is receiving OT, PT, and speech services. There will be a benefit for him January 27, 2023. Details in the newsletter.
- ❖ Member Louis Buckner also had a stroke in September; he is up and doing well.
- ❖ Gene Preston & Patty and Tom and Georgia Macauley will be attending the IHC Winter Convention in March at Roanoke, VA..
- ❖ President Gene thanked the officers and directors for their support during the past year.

Next Meeting: Our next meeting will be on 02.12.2023 at the Alexander Steam show Clubhouse; this will be our Annual Farm Toy Show. All are urged to bring toys to brag about.

Motion for Adjournment: Dick Monkelbaan, **Second:** Gary Hill. Carried.

Note: An outstanding meal was enjoyed by all. A full report appears elsewhere in *Farmall Flyer*. At 2:22pm, the meeting was adjourned by Gene Preston, President/Director.

NOTE: Immediately following the general membership meeting, Past Director & Secretary Terry page assisted with the oath of office swearing-in ceremony and installation of the 2023 officers:

****For the office of President:** Gene Preston

****For the office of Vice President:** Dick Monkelbaan

****For the office of Membership Secretary:** Dave Meacham

****For the office of Secretary:** Sandra Austin

****For the office of Treasurer:** Tom McCauley

Respectfully submitted by Sandra Austin, Secretary

From the desk of the Membership Secretary...

This is my 10th year anniversary that I have been doing the Membership Secretary job for Chapter 35. Hopefully the renewal process for all concerned has improved and has become easier to renew.

We currently have 205 active members for 2023. While this is down a bit from years past our membership is more active now than in the last couple of years. A couple good examples of this are the picnics we have had lately as well as the tractor turnout at our state show at Alexander.

If anyone has any questions as to my process or has thoughts for improvement, please do not hesitate to contact me.

Director/Membership Secretary

CHRISTMAS PARTY 2022, BATAVIA, NY

By Gene Preston, President

December 3, 2022 marked the date for our Chapter 35 big social gala for the year, the Annual Christmas Party held again at the Batavia First United Methodist Church on Lewiston Road, Batavia, NY. We simply cannot give the church hall staff enough praise for their hospitality and great dinner. This year our servers even included their pastor, The Reverend Wayne Mort who also introduced us to the head chef, Don Roda. What a blessed fun team those two gentlemen make. Always a goal at this gathering, I was able to keep the director and general meeting agendas brief so our main focus could be the Christmas Party, installation of officers, gift exchange and door prize fun.

How ironic when member Roberta Learn who volunteered to organize this year's banquet, could not attend because of illness. All that work and she and her dad Brant Sherlock had to miss the event. We no sooner got that word and more bad news arrived that Ray DeGlopper was also seriously ill so he and Anita also were unable to make it. This caused me to rewrite our installation/swearing-in ceremony script because I had Past Presidents Ray and Anita conducting that program. Thankfully we had past director and secretary, Terry Page in attendance and he graciously agreed to cover for them. Always have a backup plan ready to apply if needed.

Despite illness absentees, our turnout was excellent and a grand afternoon of fun and pleasure was enjoyed by all. Our meetings resulted in progress in several areas that can be read in meeting minutes printed elsewhere here in *Farmall Flyer*. Terry Page, our guest speaker upheld his professional grade performance as he spoke of the use and history of old tools. We learned much about tools we have seen most of our lives but have not understood their names or proper use. Furthermore, we learned where old sayings originated such as "Sawing wood while asleep," and "I wouldn't touch that with a ten foot pole." Thanks again for entertaining and educating us, Terry.

Our gift exchange and door prize portion of the day provided all with something nice to take home. Photos displayed here reflect members in attendance and the fun enjoyed by all. The large group photo with our chapter banner will appear in an upcoming issue of *Harvester Highlights Magazine*. Plenty more Christmas Party pictures can be seen on our website at: www.ihcc35ny.com

On behalf of all club officials and our board of directors, a BIG thank you for making the year 2022 a success. Thanks to Roberta Learn for organizing the party and to everyone for attending. Again this year, the meal was outstanding. Merry Christmas and Happy New Year to you and your families. We pray that Almighty God bless each of us with good health and happiness.

PEDAL TRACTOR RAFFLE

A pleasant surprise took place during our November 13, 2022 meeting at the clubhouse when Charter Member # 038 Bradford Banks of Clarence, NY stood and announced that he was donating an F-20 Pedal Tractor as a Raffle prize. It is a dandy replica of the famous Farmall F-20 tractor produced by International Harvester under the Farmall brand from 1932 to 1939. It replaced the Farmall Regular, and was itself replaced In 1939 by the Farmall H. Acquisition of this pedal tractor came on the heels of the club purchasing a Case/IH pedal tractor also as a raffle prize tractor.

RAFFLE COMMITTEE FORMED

At the December 3 meeting Charter Member **Butch Christ** gave life to the raffle by graciously volunteering to chair the Pedal Tractor Raffle committee. A BIG thanks to Butch for putting this project in gear and rolling along. Members jumping on board agreeing to serve on the committee are Gary Hill, Jerry Taylor and Jay Fullerton. The committee will determine the offering of the tractors and the raffle details. Let's all get behind these guys and join the excitement of selling tickets assuring a successful fund raiser, our first in several years. Feel free to contact committee members for books of tickets as soon as they become available. The photo below shows President Gene Preston and VP Dick Monkelbaan accepting the tractor at the clubhouse from Brad. We are pleased and truly blessed to acquire the F-20 tractor. It will jump start our fund raiser because the cost of that tractor will not need to be taken out of ticket sales. **Complete raffle kick-off details and updates will be provided in emails and newsletter reports by Chairman Butch as the raffle plays out.**

MEMBERSHIP DRIVE HANDOUT NOW AVAILABLE

Our membership drive continues to be of high priority for The chapter officers and BOD.

Membership secretary Dave Meacham has been helping members Patty Feeney and Gene Preston create

a recruitment brochure handout of our club with information, photos and a membership application Approved by the BOD and members

at our November meeting, five-hundred copies have been printed in full color.

The handsome tri-folded brochures will be given to farm machinery dealerships, Tractor Supply Stores, etc., where we feel potentially new members may be attracted to them and pick them up. Half of the brochures were handed out at the December meeting. Members are urged to have them in their vehicles ready to share as appropriate.

PEDAL TRACTOR RAFFLE TICKETS NOTICE

By Butch Christ, Committee Chairperson

We have received our printed Raffle Tickets for the Pedal Tractor Raffle. Please contact me, Butch Christ @ 585-748-3215 for tickets. I will also have a good supply of tickets at our February 12, 2023 meeting at the clubhouse. My committee of Jay Fullerton, Gary Hill, and Jerry Taylor are eager to make this a successful event but will need everyone's support by helping us sell the tickets.

A PEEK OF THE PAST

Our PEEK OF THE PAST this issue focuses on two pictures I came across recently that show noted individuals that came to Alexander, NY for our November 14-15, 2008 National Consignment Auction. We had to compete for the honor and after being selected by the National BOD, hosted it inside and outside at the Alexander Fire Department Recreation Hall and Grounds, Route 98, Alexander, NY.

This picture shows left to right our first club President Lew Esten, Dave Daugherty, President of Chapter 34 Cub Cadet Collectors, and Chapter 35 Director Gene Preston at the auction site. Dave was quite a fellow from Reynoldsville, PA. He was a friend of our member Jim Bagley and they could talk Cub Cadets all day long. Dave passed away a couple years after this picture was taken, and sadly his beloved Chapter 34 eventually shut down. In the opinion of many the club had all the well-known Cub Cadet folks in a 19 state region as members, but none that wanted to hold office and keep Chapter 34 going. Many of us were also members of 34 and still cannot believe that a chapter dedicated to IH built Cub Cadets failed.

Shown here at the auction left to right is a reporter for a Batavia newspaper, Past President Ray DeGlopper, and the late Darrell Darst, editor of our National Newsletter, *Harvester Highlights*. Darrell was a true IH icon known for his anything IH expertise. We became good friends and his widow Kevin is now editor. Darrell bought some IH collectible items that were resold at auction after he passed in 2019.

INTERNATIONAL HARVESTER DEALERS OF THE PAST

By Gene Preston, President

One of my fun research projects ongoing now for at least 10-years has been documenting Past International Harvester Dealers of New York State. Gathering names and locations has been fun while at events like winter conventions and roundups. Another productive resource has been old dealer match folders, dealer decals on tractors and implements, advertising items such as rulers, pens, and brochures with dealer names stamped on them.

I thought I had been doing well until recently when George Snyder of Victor, NY, a longtime friend who once worked for an IH dealer emailed me a 59-page listing. Suddenly my work is done and reading through this list of NYS past IH dealers is fun and entertaining. Finding dealer names, etc., that family and farm neighbors dealt with during their farming years is a delight. Early on before IH came up with the corporate prototype red pylon trademark dealership building, they apparently would allow any corner garage, car or truck dealer of any brand, service station, even hardware stores, feed and farm supply stores, produce and fertilizer dealers, to become a dealer and sell IH farm equipment, IH appliances, Scout vehicles, etc. It is difficult understanding the combination of Packard Automobiles and Farmall tractors, or Pontiacs & Scouts in the same showroom. You can bring up the list at <http://www.ihdealerspast.net/states/ny.pdf>

That's the Day We Open
OUR NEW BUILDING

It is with great pleasure that we announce the opening of our new place of business on Thursday, August 9th.

This is your invitation to attend our grand opening on this date and look over our building. We'll be glad to show you our well-stocked parts department and large service shop, to have you look around the display floor and any part of the building that interests you.

Our new "Base of Operations" was built with one aim—to give better service to our friends and customers in this community. The International Harvester equipment we handle is designed solely for this purpose. Our new building and all our personnel are pledged to aid you in this work.

1951- 1961

Bauch Farm Equipment, Inc. ~ 37 North Main Street ~ Brockport, New York
This building still exists but the trademark red pylon has been taken down.

When I was recently going thru some old photos from my mother, I came across this photo. My father's name was on the back but we cannot find dad in the photo or my grandfather, Burt J. Peffer who had a dealership in Bliss, NY during 1947-1948. Thanks to Gene's listing of past dealerships I was able to find the exact dates. We knew the 40's but hadn't been able to identify which years.

In 2016, a third cousin from Pennsylvania gave me a Farmall M that he bought from grandpa in 1947 when they had come to visit. He said that it had worked many acres. My grandfather and John's family both were large potato growers for the time.

I just found this picture that looks just like it.

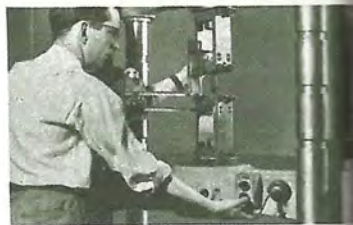

YOU GET 3 BIG IH ADVANTAGES

that add dollars of value to every McCormick machine!

Unmatched research, design and product development

1

Hundreds of IH engineers spend full time creating new or improved McCormick machines. They are armed with the latest scientific equipment—take nothing for granted... not even the quality of the smallest nut or bolt.

World's largest network of parts depots

2

You pay no premium for this extra crop production insurance. Twelve strategically located IH parts depots can supply seldom-called-for parts on short notice. Your nearby IH dealer stocks most parts you'll ever need.

Factory-quality service close to home

3

IH-trained servicemen use precision equipment and follow factory methods to install IH parts that restore original tolerances. This renews tractor or implement performance—adds years of usefulness.

Watch for announcement of your IH dealer's **OPEN HOUSE** —SOON!

See and try the great **NEW FARMALLS** at your IH dealer's

Don't miss the IH farm power progress show of the century! See the latest IH developments that make Farmalls "the greatest line of farm tractors on earth!" Try Torque Amplifier drive that boosts pull-power on-the-go to increase daily work capacity up to 10 per cent. Switch

jobs in seconds with Farmall Fast to gain extra field time. Get paid it pays to line up with the leader—you're always ahead with a Farmall. Watch your local newspaper for his big open house!

MEMBERSHIP APPLICATION (new or renewals)

If your address changes, please call, email, or write to Dave Meacham or you will not be receiving your newsletters. It costs the chapter money every time a newsletter or National magazine is returned, and bulk mail will not be forwarded.

Thank you for your interest in the International Harvester Collectors, Chapter 35 of New York State. Below is an application with information necessary to process your membership.

If you are a member and questioning whether you need to renew, just look at the top left of your address on the newsletter and if it is equal to or greater than N23 you are already renewed. Anything less than N23 means you need to renew. See sample label below.

Please use your legal name and full address as required by your post office. New members will receive a national membership card with your national and state member numbers. Save this, they are not reissued each year.

Club benefits include:

- membership in the National Club and NY State Chapter 35
- quarterly magazine publication from the IHC National Club, *Harvester Highlights*
- quarterly newsletter from Chapter 35, *Farmall Flyer*
- National IHC insurance policy coverage at **Chapter 35** sanctioned events
- post your equipment pictures on our website www.ihcc35ny.com for all to see!

Dues currently are \$35.00 beginning January 1, 2023. This includes the National dues of \$20.00 and Chapter 35 dues of \$15.00.

Please print information, **cut out application** and return with remittance payable to **IHC Chapter 35 of NYS** to the address below. Save the rest of the information for your records. We look forward to hearing from you and meeting you at one of our future events.
