

Important Information Please Read

***Only certified firewood is allowed. It is easily accessible at Menards, Home Depot, most grocery stores and gas stations. Certified Firewood will always be wrapped and labeled "CERTIFIED WOOD". Do NOT just buy firewood along the roadside.

***If you see a Fawn in the woods in the springtime, take a picture and just leave it. It is not injured. Mom will be back to get it at dark.

***You will find Local Channes on Youtube TV, always use the ROKU remote.

***The cabin heats and cools more quickly with the ceiling fans ON.

***High winds can show up out of nowhere, please secure the Umbrella on the deck.

***Wildlife is best seen and sunup and sundown. Stay on the trails, be safe.

***Please pick up after your pets inside and out.

***Never start a fire in the woods

***Hiking trails start 40 yards below the house, or you can turn right at the flagpole

***there are 2 first aid kits, Kitchen Pantry and Bathroom Closet

***when you leave be sure the fireplaces, ceiling fans and oven are OFF
