Hate Crime Awareness

Making sure everyone knows what hate crime is, what impact it has on our communities, and how we can work together to prevent it.

Operational Responses

Understand how the police respond to hate crime, and think how we can prepare ourselves, our loved ones, our communities to be ready to respond as well.

Preventing Hate crime

Making sure we learn from previous hate crime attacks so that we can prevent them happening again.

Engaging Communities

Ensuring local authorities consult, resource and involve our communities in the development and delivery of local hate crime action

Wherever you live around the UK, come and get involved in the national movement to bring people together, to say no to all forms of hate crime and work together to make our communities safer for everyone

Remember those we have lost and those who need our ongoing support. Organise, register and attend hate crime awareness events. Download our free resources. Create and share your own HOPE Campaigns.

Report hate crime to stop it.
