17-24-30 National Hate Crime Awareness Week (1184819) is a national anti-hate crime charity, set up in March 2009 to mark the 10th anniversary of the **London Nail Bomb attacks** on **Brixton, Brick Lane** and **Soho** (17th, 24th and 30th April 1999 hence the first part of our name).

The charity organised the **London Vigils against Hate Crime** (2009-2012) after the death of Ian Bayham (Oct 2009).

The vigils evolved into **National Hate Crime Awareness Week** in 2012.

The national week aims **to encourage the authorities (Government, Police and Councils), key partners and communities affected by hate crime to work together to tackle local hate crime incidents across the UK.**
