HATE CRIME AWARENESS FOR SIKHS AND SOUTH ASIAN COMMUNITIES

Rakkha is a UK-based third-party hate crime reporting and community support organisation. We work to increase awareness, reporting and understanding of hate crime, with a particular focus on Sikh and South Asian communities.

You are not alone.

REPORT HATE CRIME

Rakkha is a trusted, independent service for reporting hate incidents, without judgement.

SUPPORT VICTIMS & WITNESSES

We provide practical and emotional support to those affected by hate incidents, including guidance and signposting to further help.

OVERCOME BARRIERS

We help reduce the barriers to reporting, so more people feel safe and supported to come forward.

PROMOTE INCLUSION

We raise awareness, challenge hate and build understanding for safer, more inclusive communities across the UK.

*Hate has no place in our communities.
See it. Report it. Stop it.*
