"And all that dwell upon the earth shall worship him, whose names are not written in the book . . ." (Revelation 13:8).

Dear friend,

August 2026

This past month has been a very busy month for me. World Cup soccer matches were played right here in my back yard in Arlington, Texas. People from many different nations of the world were mingled amongst us. They were everywhere! For me as a Christian, it was a great opportunity to share the gospel of Jesus Christ with so many lost souls from so many different countries of the world. I now have no doubt the Devil is using modern day sports, such as soccer, to devour as many souls as possible before he meets his end. (See Rev.12:12). In this edition of *Tribulation Watch Newsletter* we expose the Devil's game plan to destroy the world!

God bless you!

"Set your affection on things above, not on things on the earth"

Colossians 3:2

Did you know witchcraft is part of the game of soccer?

In the month of June and July World Cup soccer matches came to my back door, right here in Arlington, TX. There were many different matches played in Dallas stadium. All these matches were from different nations of the World. That would include Argentina, Japan, France, Egypt, Norway etc.

As a Christian I saw the World Cup games as a great opportunity to reach the lost with the gospel of Jesus Christ. However, like the Apostle Paul when he visited Athens two thousand years ago (see Acts 17:16) I was shocked to see the city in which I live wholly given over to idolatry. I watched young people, old people, middle aged walk pass me dressed in costumes representing their home countries. Many were drinking and already drunk before they entered Dallas stadium, which is a giant demon nest in my opinion. What I witnessed on the outside of the stadium is truly what the prophet Joel describes as, **"Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision."** (Joel 3: 14)

"Juju" in West Africa

As I did my research on the game of soccer, I was not surprised to learn the Devil and his demons are deeply involved in the game. Witchcraft known as "juju" in West Africa, "muti" in South Africa, or "maraboutage" in parts of East and North Africa-is a well documented and deeply rooted aspect of African soccer culture. Rather than being viewed as malicious "witchcraft" by locals, these rituals are considered spiritual blessings to help their team win the match.

Teams, players, and fans call on traditional medicine men (witchdoctors) to influence match outcomes. Common practices include:

- **Pitch blessings:** Scattering ritual white powders, holy water, or burying charms on the goal lines.

- **Personal Talismans:** Players wearing a *gri-gri* (amulet) in their pockets, socks, or embedding sacred tree barks inside their shin guards.

.Pre-match Rituals: Bathed in herbal potions, making animal libations to ancestors, or intentionally entering the stadium through alternative gates to bypass curses.

Witchdoctor Places Hex on Player

Ghanaian spiritualist (witchdoctor) Nana Kwaku Bonsam claimed he placed a juju spell on England star soccer player Harry Kane ahead of the England vs. Ghana match at the 2026 FIFA World Cup. After the game ended in a 0-0 draw and Kane missed a late scoring opportunity, Bonsam announced he had lifted the hex.

Prior to the match, Bosman-whose name roughly translates to "Devil of Wednesday"-publicly stated that he was working to stop Kane from making an impact against Ghana, his home country. When Kane failed to find the back of the net and squandered a late chance to secure a win, the witchdoctor's pre-match comments went viral globally across social media and sports networks.

Final comment: Soccer will no doubt become the game of Satan' One World Government. Tournaments, such as the World Cup games bring together nations from every continent, driving massive economic growth and global visibility.

The Devil's Game Plan

Editor's note: The following article (The Devil's Game Plan) comes from the Protocols of the Elders of Zion. The Protocols were published in 1905. The book is a blueprint (game plan) for "world takeover" by a secret international organization that has been in existence for many centuries, the Illuminati. The head of this organization is Satan, or Lucifer, the angel cast out of Heaven by God.

In Revelation Ch. 12, we read about a war that takes place in Heaven between Michael and his angels, and the Devil and his angels. The Devil lost the war! Therefore, Satan and his angels (demons) were cast out upon the earth. Let's read: "WOE TO THE INHABITERS OF THE EARTH AND THE SEA! FOR THE DEVIL IS COME DOWN UNTO YOU, HAVING GREAT WRATH, BECAUSE HE KNOWETH THAT HE HATH BUT A SHORT TIME...." "AND THE DRAGON WAS WROTH WITH THE WOMAN, AND WENT TO MAKE WAR WITH THE REMNANT OF HER SEED, WHICH KEEP THE COMMANDMENTS OF GOD, AND HAVE THE TESTIMONY OF JESUS CHRIST." (Rev. 12: 12, 17)

After studying Rev. Ch.12, I thought to myself: "what would I do if I was the Devil and was cast out of Heaven to the earth?" Well, the first thing I would do is send my devils to seek out the most evil rich men they could find. That includes bankers, aristocrats and kings. I would give them power to control the entire world. They would become my chosen people, such as ancient Israel was to God. I would guide and lead them in the direction I wanted them to take. (See Protocol No. 1)

If I was the Devil, I would set up Masonic Lodges all over the world. That would include all countries, cities and communities. I would then send my devils to inhabit these Lodges. The Lodges would become devil dens. Everyone that entered the doors would be under their influence. Lodge members will move closer to me by degrees. When the member reaches the 33 degree they will be totally devoured. There will be no turning back to God. (See Protocol No. 15)

I would also infiltrate all the governments of the world through Masonic Lodges. I would find the most corrupt, evil men and women as possible and place them in power as presidents and prime ministers. I would pick people with a dirty past such as liars, playboys and cocaine addicts. The ones with closets full of skeletons will work best. They will

do whatever I tell them out of fear of having their evil deeds exposed. Elections will also be rigged. Only my faithful followers from the Lodges would be chosen. Some will be called conservative and some will be called liberal. Nevertheless, they will all belong to me. (See Protocol No. 15)

I would also use Masonic Lodge members to infiltrate every aspect of society. That would include teachers, doctors, lawyers, politicians and pastors, etc. I would actually turn churches into devil dens too. My Masonic ministers will pretend to be true men and women of God. I will have them preach one thing with their mouth and another thing with their hands. They will lead the people to hell! ***"And no marvel: for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works."*** (2 Corinthians 11: 14-15) (See Protocol No. 17)

If I was the Devil, I would do away with traditional services in the churches. The suit and tie, old-time sin killing messages and hymns would be tossed to the side. My new ministers would wear tennis shoes, shorts and Hawaiian shirts. I will have them preach prosperity messages. Therefore, they will become rich by fleecing the flocks. The old hymns will be replaced with rock, country and even rap music. The parishioners would receive an emotional experience brought on by the music, but their spiritual life with God will eventually dry up and die. (See Protocol No. 17)

If I was the Devil, I would then send my demons to corrupt the youth of the world. I would do this mostly through the education systems such as schools and colleges. My devil inspired professors and teachers would feed them all kinds of lies such as Marxism, Materialism and Naturalism. Over time, the gullible youth will begin to believe these false beliefs. The end result, society will begin to fill up with home-grown Marxists who reject God as their Creator. They will believe we all came from monkeys. (See Protocol No. 3)

My devils would also introduce the youth to alcohol, sex, drugs and rock-n-roll music, especially when they go off to college. They will be "free" from the constraints of their parents. Therefore, they will be easy prey for us. Some will return home as alcoholics, drug addicts, and sexual perverts of all kinds. Many will die young from drug overdoses, diseases and suicides. (See Protocol No. 9)

Control the Media

If I was the Devil, I would send my demons to take full control of all media. That includes newspapers, magazines, T.V. and radio. Through these media outlets I could spread all kinds of propaganda and lies. I could influence people's behavior to do evil instead of good. I could also spread fear everywhere. Fear is a wonderful tool. People will do whatever I tell them, out of fear! (See Protocol No. 12)

If I was the Devil, Hollywood would also play a major role in destroying people's souls. I would have my devil inspired Jewish movie producers promote adultery, murder, homosexuality, etc. Large movie theaters would be set up everywhere. When the people come to sit down with their popcorn and drinks, they will have no idea they are being brainwashed to sin against God. Most of my movies will curse God! I would also target young children through Disney. Witchcraft, homosexuality, transgenderism will be fed to young children through "cute" animated characters. Parents will never suspect that their children are being corrupted by these shows. I will also feed them a heavy dose of violent video games. Eventually, violence (school shootings) will fill the land. (See Protocol No. 13)

If I was the Devil, I would then distract the masses by promoting sports of all kinds. That would include football, baseball, basketball, soccer, etc. Through sports the masses will eventually forget God. Hell will enlarge itself. I would make sure games are played on Sunday. God hates it when His Sabbath day is desecrated (See Ezekiel 23: 38). I would also mix in alcohol, sex and gambling. Players will become gods of the youth. They will grow up eating and drinking beer while they watch their favorite team play. Ancient Israel fell for this same old "trick" thousands of years ago. ***"And they rose up early on the morrow, and offered burnt offerings, and brought peace offerings; and the people sat down to eat and drink, and rose up to play."*** (Exodus 32:6) (See Protocol No. 13)

One-World Government

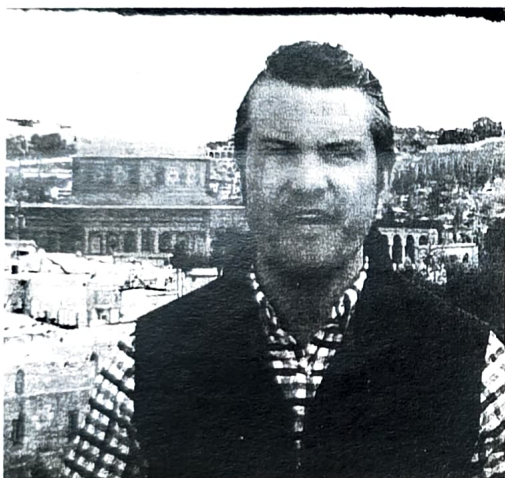

If I was the Devil, I would set up a one-world Communist type government (Jewish-Super-State). I would set up my

man to be king over all the earth. All national boundaries would be erased. All citizens will be under strict surveillance. Anyone that dares take up arms will be utterly destroyed. No nation will be exempt! (See Protocol No. 9)

If I was the Devil, I would have my earthly minions (bankers) take full control of all money. They would confiscate all cash, silver and gold. Therefore, no one would be able to buy or sell without their approval. People will not be able to pay their mortgages, car payments or buy food. This is where most people including professing Christians will turn from God and worship me through my man, the Antichrist (beast). ***"And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world"*** (Rev 13:8). (See Protocol No.10)

Yes, if I was the Devil I would just keep things the way they are!!!

Conspiracy Alert!!!

An old 2018 video clip of U.S. Secretary of Defense Pete Hegseth surfaced recently. During a visit to Israel he spoke at the Arutz Sheva conference concerning the building of a temple on the Temple Mount in Jerusalem. "There's no reason why the miracle of the re-establishment of the temple on the Temple Mount is not possible," Hegseth said. "I don't know how it would happen. You don't know how it would happen, but I know that it could happen," he added.

Hegseth also appeared to endorse annexing Israeli settlements, an effort backers often describe as "applying Israeli sovereignty to Judea and Samaria," using the biblical names for the West Bank. "A step in that process, a step in every process, is a recognition that facts and activities on the ground truly matter," he said.

"That's why going and visiting Judea and Samaria and understanding that sovereignty-the very sovereignty of Israeli soil, Israeli cities, locations- is a critical next step to showing the world that this is the land for Jews and the Land of Israel," Hegseth added.

He also rejected the two-state solution to the Israeli-Palestinians conflict, saying that "if you walk the ground today, you understand that there is no such thing as the outcome of a two-state solution. There is one state."

Antichrist and the Third Temple

The Bible tells us that God has placed His name in Jerusalem (Jeremiah 25:29). Therefore, Satan wants it. This is a spiritual battle between light and darkness. When the beast (Antichrist) rises to power he will have his eyes on the Temple Mount which is in the midst of Jerusalem. Bible prophecy tells us he will start a building program there. Let's read: ***"And he shall PLANT the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him."*** (Daniel 11:45)

The holy mountain in this verse refers to the Temple Mount (Mount Moriah) which sits between the Dead Sea and the Mediterranean Sea. The word PLANT in this verse means to "set up". So this verse tells us without any shadow of doubt that the Antichrist (Man of Sin) will have a "physical" Temple (tabernacle) placed on the Temple Mount. And this is where the ultimate blasphemy against God will take place. ***"Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God. Shewing himself that he is God."*** (2 Thess. 2:4)

Dear friend, the Devil is a deceiver! He is using sports in these last days to distract the masses from what's most important. He doesn't want anyone to make it to Heaven. Don't let him deceive you. Keep your eyes on the prize!

(Colossians 3:2)
