"And all that dwell upon the earth shall worship him, whose names are not written in the book . . ." (Revelation 13:8).

April 2025

Dear friend,

Donald Trump and Elon Musk have promised to bring America into a new Golden Age of prosperity. However, it appears for millions of Americans poverty will come first. On April 3-4 some \$6.6 trillion dollars was taken from U.S. stockholders-the largest two-day wipeout (transfer of wealth) of shareholder value in the history of the stock market.

The Golden Age of peace has not arrived either. The saber rattling between Trump and Iran has started once again. Trump has promised to bomb Iran if they don't put a stop to their nuclear ambitions. Iran has promised to attack America if we attack them. This coming war is actually prophesied in the Bible. We explain the prophecy in this edition of *Tribulation Watch Newsletter*.

God bless you!

Bro. Matt Tiemann

"Iran will deliver 'strong blow' against US if it attacks"

-Ayatollah Ali Khamenei

Did you know Donald Trump is a WEF (World Economic Forum) member?

The WEF was created in 1971 by German economist Klaus Schwab who was trained by Henry Kissinger [Rockefeller agent] at the Harvard School of Business.

Originally the WEF was set up to discuss the economic issues of the different nations of the world. Today, however, Schwab and his elite billionaire friends around the globe are actually resetting the entire world to their Communist way thinking. They call it the "Great Reset"!

At a WEF meeting in June 2020, Klaus Schwab said the following:

"Every country, from the United States to China, must participate, and every industry, from oil and gas to tech, must be transformed. In short, we need a 'Great Reset' of capitalism... All aspects of our societies and economies...must be revamped...from education to social contracts and working conditions."

In a nutshell, the Great Reset refers to an Orwellian globalist agenda to redistribute wealth, monitor and control the entire world through digital surveillance, and require everyone to have an electronic ID linked to bank accounts and health records. It's about redistributing wealth, eliminating free enterprise & capitalism. Of course, this is all being done to save the planet from global warming!

Worldwide Communist Club

Klaus Schwab's WEF organization is nothing more than a worldwide Communist club which infiltrates and hand picks presidents and leaders around the globe. Their desire is to create "godless" Communist slaves which do whatever they are told by their elitist puppet masters. True Christianity that saves men's souls will not be included in the Great Reset! Some of Schwab's guest speakers include:

BILL CLINTON, HILARY CLINTON, PRINCE CHARLES, AL GORE, GEORGE W. BUSH, DONALD TRUMP, VLADIMIR PUTIN, JOE BIDEN, JUSTIN TRUDEAU, ANGELA MERKEL, BENJAMIN NETANYAHU, XI JINPING, VOLODYMYR ZELENSKY, EMMANUEL MACRON, BORIS JOHNSON, BILL GATES, DR. ANTHONY FAUCI.

Daniel's Vision

Editor's note: The article below was published in Tribulation Watch Newsletter over a decade ago. It appears the Prophet Daniel's end-time vision found in Daniel chapter 8, which involves a war between a powerful nation from the "West" and two nations from the Middle East of which one is Persia (Iran) is about to be fulfilled.

The prophecy hits you in the face like a ton of bricks! Revelation 9:15,18 **"And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for TO SLAY THE THIRD PART OF MEN....By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths."**

Is that what this prophecy is saying? To slay the third part of men? That would be two billion people dead! Surely not! I checked the Greek. Sure enough...one-third of mankind. I checked several other translations-one third of the human race; one-third of the people on earth; one-third of humanity. They all said the same thing! **A WAR IS JUST AHEAD THAT WILL KILL TWO BILLION HUMAN BEINGS!** *—Irvin Baxter, founder End-Time Magazine*

Daniel's Vision

A war that kills over two billion human beings would most certainly involve the most powerful nation on earth. So, is there any proof in the Bible that America will be involved in this coming worldwide catastrophe? I believe there is!

About 2,600 years ago while going about his daily business for the king of Babylon at Shushan, the Prophet Daniel saw a strange vision of a ram and a he goat engaged in battle. Shushan today would have been located in modern day Iraq by the Euphrates River.

In Daniel's vision the ram had one horn larger than the other. It pushed in all directions and became strong. Then a powerful goat appeared in the vision. This was no ordinary goat, it had a large horn between its eyes, and it could fly! **Daniel 8:5 "And as I was considering, behold, a he goat came from "WEST" on the face of the whole earth and touched not the ground..."**

In the battle, the goat that came from the west attacked the ram and broke its horns and stomped it to the ground destroying the threat. **Daniel 8:7 "And I saw him come close unto the ram, and he was moved with choler (anger) against him, and smote the ram, and brake his two horns: and there was no power in the ram to stand before him, but he cast him down to the ground, and stamped upon him: and there was none that could deliver the ram out of his hand."**

In the battle with the ram, the goat also suffered injury. The great horn that was between its eyes was broken, but out of it grew four other horns. Out of one of these horns grew a little horn (the Antichrist). **Daniel 8:9 "And out of one of them came a little horn, which waxed exceeding great, toward the south, and toward the east, and toward the pleasant land."**

Being astonished at the vision, Daniel quickly sought (prayed) for its meaning (see Daniel 8:15). After the command from the Lord went out, the angel Gabriel came to Daniel to give him the understanding of the vision. The first information that Gabriel shared with Daniel was the timeline of the vision. **Daniel 8:17- "So he came near where I stood: and when he came, I was afraid, and fell upon my face: but he said unto me, Understand, O son of man: FOR AT THE TIME OF THE END SHALL BE THE VISION."**

Down through time, Bible prophecy teachers have taught that Daniel's vision of the battle between the ram and goat was Alexander the Great's conquest of the Median and Persian empires, which took place around 300 B.C. But

according to the information that Daniel received from the angel Gabriel the vision is for the end-times in which we live.

There's another undeniable proof that the Prophet Daniel's vision of the battle between the ram and the goat is a end-time prophecy that has yet to be fulfilled. In the vision, Daniel actually sees Jesus Christ (Prince of Princes) return to earth and destroy the Antichrist (Little Horn). Let's read: **Daniel 8:25 "And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: HE SHALL ALSO STAND UP AGAINST THE PRINCE OF PRINCES; BUT HE SHALL BE BROKEN WITHOUT HAND."**

War on Terrorism

September 11, 2001 became one of the darkest days in American history. Over three thousand souls perished in the World Trade Center towers as they came down in a burning heap. After this attack by religious Muslim radicals, our nation became unified in anger. This anger was quickly turned into action by President George W. Bush. Within days of the attack, he declared that our nation would seek out and destroy all terrorist organizations and the countries that harbored them.

Over six years ago, the American military, authorized by President George W. Bush, staged a fierce attack against the nation of Iraq. With our powerful air force combined with a massive ground invasion, it didn't take long to defeat this terrorist nation. As an end-result of this war, Iraq's ruthless dictator, Saddam Hussein, met his end on the gallows.

Even though the Iraq threat was destroyed eight years ago, the threat from Iran still exists. The clock is running out for America, and especially Israel, to move against this nuclear ambitious nation. In Daniel's vision one of the horns of the ram was Persia which would be Iran today. **Daniel 8:20 "The ram which thou sawest having two horns are the kings of Media and Persia."**

Iran Warns America

The battle with Iran will not be as easy as the one with Iraq. We have given them too much time to prepare for this end-time confrontation. No doubt, Iran's leaders have been conspiring behind the scenes with their allies-North Korea, Russia, and China, to deliver a death blow to the U.S. if we attack them.

Even though the dictators of Iran and North Korea have their backs against the wall, you can be sure they are not just sitting around waiting for the U.S. and Israel to attack. Iran's President Mahmoud Ahmaddinejad has repeated over and over that if America and Israel attack his country it will be the beginning of World War III. So, what do the Iranian and North Korean dictators have up their sleeves that have kept back an U.S. attack so far? Well, all evidence seems to point to suitcase nukes and stealth submarines!

Multiple suitcase nuclear devices were purchased from Russia years ago and have never been accounted for. During his first national debate with John McCain, Barack Obama suggested that suitcase nukes are a threat. Matter of fact, teams of nuclear scientists have been scanning the U.S. with airplanes and devices that detect nuclear material, but it's like looking for a needle in a haystack.

To go along with the suitcase nuke threat, America is also facing Chinese-North Korean mini stealth submarines. These mini-subs can go undetected by normal sonar. Mysterious missiles launched in November, 2010 off the coasts of California, New York, and Texas, tell us these stealth submarines are lurking in U.S. waters. Although the American government swept these mysterious missile launches under the rug, many ex-military experts say without question, the missiles were ICBM'S launched from submarines.

The Twelfth Imam

Shortly after his election in 2005, President Ahmadinejad donated the equivalent of \$17 million U.S. dollars of government funds to prepare a shrine to mark the return of the Twelfth Imam, the messiah of Shiite Islam, of which

Ahmadinejad is a follower. Shiites believe, prior to the Twelfth Imam's reappearance, the world will experience death, destruction, and apocalyptic events. At the appointed time, the Imam will save the world from chaos, convert Christians to Islam, and establish global Islamic rule.

Yes, it's coming!!! The Prophet Daniel's end-time vision of the battle between the he goat and the ram, which will lead to the rise of the Antichrist (Little Horn) is at the door, the only question is: When?

Conspiracy Alert!!!

The Globalist rulers of this world have now reached a point where we're literally going from one crisis of Biblical proportions to another without even giving us a chance to catch our breath. They've achieved non-stop, world-wide chaos, and I don't see any "white hats" coming to save us.

The destruction we're seeing today in Israel is coming soon to our own country. Sleeper cells are already in place, settled in quite comfortably, mind you, in places formerly occupied by elderly veterans and former homeowners who've lost everything due to "Bidenomics." They're just waiting for the signal to launch the "hot" war-and don't be deceived into thinking they're not prepared. They're far more prepared than our own now "woke" military is.

Yes, Americans have guns. There are still plenty of patriots and hunters and "good guys" with guns. If you're not one of them, I'd suggest you start making friends. You're going to need them. I only learned recently that citizen militias are actually ILLEGAL in all 50 states. Did you know that? So yes, the second amendment guarantees our right to keep and bear arms, but it's illegal for us to do so in any kind of organized way.

Something very, very bad is coming to our doors, and I don't see how the Biden regime cannot insist that it begins sometime before this time next year. As censorship of the truth continues to grow, as innocent Americans continue to be persecuted and jailed for crimes they didn't commit, as the flood of enemies continues to pour in over our borders-all paid for and financed by each one of us obedient taxpayers, and as the wicked politicians and communists continue to ramp up the speed with which they're lining their own pockets with dirty money... blood money, I can see that time is quickly running out for the United States of America.

Sorry to be the one to give you the bad news. But all this has been well planned for a very long time. Recent surveys now show that even self-identifying "liberals" feel the country is headed dangerously in the wrong direction. Such ones are living in fear of what the future holds, even as they double-down on their leftist ideologies; they're so brainwashed they can no longer reason or think. Their foolish hearts are darkened. They've been given over to reprobate minds, as they continue to choose to believe the lies.

The world rulers are orchestrating non-stop chaos. And America is not "untouchable." America is the primary target now. But our Creator is not a God of chaos, but of order. I believe He's returning soon, and will crush "chaos" under His feet. Meanwhile, we've been commanded to occupy until He returns, being a retraining influence against evil. We must speak the truth, even when no one wants to listen. We must never give up our quest for the truth and never stop being righteous witnesses for Christ. Remember, only he who stands firm 'til the end shall be saved.-Rob Pue-
