"And all that dwell upon the earth shall worship him, whose names are not written in the book . . ." (Revelation 13:8).

Dear friend

August 2026

On July 4th, 2026 America will celebrate 250 years of freedom. But the question is: is America a truly free nation today like it was after the *Declaration of Independence* was signed on July 4th, 1776? 250 years ago, it was *We the People* that controlled and ran the government. However, today it appears that our government has been hijacked and taken over by evil forces from within. In this edition of *Tribulation Watch Newsletter* we pull back the curtain and expose who these evil forces are.

"The Jews, I find are very selfish...when they have power, physical or political, neither Hitler nor Stalin has anything on them for cruelty or mistreatment of the underdog."

- President Harry S. Truman

Did you know the Devil has his own chosen people?

The Bible tells that God's chosen people today are those that have accepted Jesus Christ as their personal Savior. And it matters not what nation you come from. Let's read: "***And if you be Christ's, then are ye Abraham's seed, and heirs according to the promise. (Galatians 3:29).*** However, Satan has his chosen people too!

In 600 A.D., a mixture of Mongols and another tribe similar to modern-day Turks conquered a territory known today as Southern Russia. These people became known to history as the Khazars (Chazars). Eventually this pagan tribe of people occupied territory that stretched from the Caspian to the Black Sea. Their capital, Ityle, was located at the mouth of the Volga River.

In the late eighth century, the Khazars had a king that ruled over them named Bulan. Apparently King Bulan wanted some spiritual guidance for his pagan people. So after consulting with leaders of Judaism, Christianity, and Mohammedanism, the king was convinced that Judaism was the best religion for his people. Soon after this decision was made, the king and about 4,000 Khazars were circumcised. Over time, Judaism became the religion of the entire population. Therefore, the Khazars became known as the Khazar Jews even though the blood of Abraham, Isaac, and Jacob did not flow through their veins.

Over the centuries the Khazar Jews spread throughout Europe, but eventually fell to Russian powers. Desiring a better life than they had under their Russian lords, many European immigrants, including Khazars, boarded ships and headed west to America. The first wave of European immigrants, which came in the early 1800's blended in well with the American Christian culture. Many helped settle the American frontier, and were happy to conform to the new land rather than try to change it. But, starting in the 1880's, the second wave of Eastern European immigrants, mostly non-Christian, started arriving aboard ships. They were much more radical than their earlier predecessors, and had no intention of mixing in with Western Christian culture.. Therefore, they became a nation within a nation.

-John Beaty, *The Iron Curtain Over America*, pg. 15,26,27,39,46

Distinctive Look

Today, Khazar Jews are known as "Zionists" but Jesus referred to them as the "Synagogue of Satan" (Rev. 2:9). They can't be identified as Jews through DNA testing. However, many of them have a distinctive look. They're known for their olive-colored skin, small eyes, hooked noses, wiry, wavy hair, and large ears. A good example is Henry Kissinger who was a trusted agent of the House of Rockefeller for over fifty years. Kissinger was identified by an ex-Communist as a double agent whose code name was Bor.

Other good examples of the Synagogue of Satan are Trump's negotiating team in the Middle East, Steve Witkoff and Jared Kushner. Of course, convicted pedophile Jeffrey Epstein and his prominent billionaire investor friend Leon Black are great examples too!

Final comment: Satan's chosen people (Zionist Jews) have taken over America. They control our government, banks, stock market, mainstream media, Hollywood and porn industry. They also control the President and the U.S. military with all its nuclear arsenal. This is what happens when a nation forgets God! (See Deuteronomy chapter 28)

THE ROCKEFELLER FILE

Editor's note: Some of the following article came from the book *The Rockefeller File* by Gary Allen, which was first published in 1976. The introduction of this book was written by Lawrence P. McDonald a Congressman from the State of Georgia. A year later Congressman McDonald was killed when his South Korean flight 007 was shot down by Russian Communists. Many believe he was assassinated, especially his wife. It's dangerous to stand up against the elite.

Introduction: "**The Rockefeller File** is not fiction. It is a compact, powerful and frightening presentation of what may be the most important story of our lifetime—the drive of the Rockefellers and their allies to create a one-world government, combining super-capitalism and Communism under their control.

For more than one hundred years, since the days when John D. Rockefeller Sr. used every devious strategy he could devise to create a gigantic oil monopoly, enough books have been written about the Rockefellers to fill a library. I have read many of them. And to my knowledge, not one has dared reveal the most vital part of the Rockefeller story: that the Rockefellers and their allies for the last fifty years, have been carefully following a plan to use their economic power to gain political control of first America, and then the rest of the world.

Do I mean conspiracy? Yes, I do. I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent. You will find the truth—often surprising, sometimes unpleasant, always vital—in the pages that follow. Gary Allen has done a masterful job of combing the hundreds of scattered facts and hidden clues of the Rockefeller puzzle until one unmistakable pattern emerges.

The picture that is revealed when **The Rockefeller File** is finally opened may shock you. In this book, you will learn why the Rockefellers follow the policies they do, what their goals are, where they intend to take America...and why it is essential they be stopped.—Lawrence P. McDonald, Member of Congress. November 1975.

Creating a New World Order

The Rockefellers learned nearly a century ago that there are two standard ways for one of their companies to absorb another corporation. If the firm to be required is much smaller, a "takeover" is the simplest procedure: buy 'em out. But if the competitor is more your equal, a "merger" must be arranged.

The same principles hold true among nations. No matter how much this country sends abroad as foreign aid, technical assistance, loans that are never repaid, or other largesse, there is simply no way another country-or even a bloc of countries-can be made powerful enough to take us over.

Recognizing this political fact of life, the master planners devised the strategy of a merger-a great merger-among nations. But before such a merger can be consummated, and the United States becomes just another province in a New World Order, there must at least be the semblance of parity among the senior partners in the deal. How does one make the nations of the world more nearly equal? The *insiders* determined that a two-prong approach was needed; use American money and know-how to build up your competitors, while at the same time use every devious strategy you can devise to weaken and impoverish this country. The goal is not to bankrupt the United States, we must emphasize. Rather, it is to reduce our productive might, and therefore our standard of living, to the meager subsistence level of the socialized nations of the world.

Only a fascist-socialist dictatorship would have the power to accomplish such a "redistribution." Notice that the plan is not to bring the standard of living in less developed countries up to our level, but to bring ours down to meet theirs coming up.

You may be assured, however, that the Rockefellers and their allies are not talking about reducing their own quality of life. It's *your* standard of living which must be sacrificed on the altar of the New World Order.

The Rockefeller game plan is to use population, energy, food, and financial controls as a method of *people control* which will lead, steadily and deliberately, into the Great Merger. Much of the spadework for setting up this ploy is being done by Henry Kissinger, who was a personal employee of Nelson Rockefeller for a decade before Rocky placed him in the Nixon Administration. On numerous occasions Henry Kissinger has declared that his goal is to create a "New World Order."

Common sense tells us that a Rockefeller hireling such as Kissinger would not be setting up an "international control" system which takes assets from the Rockefellers and gives them to someone else. Obviously, the game plan is to take other people's assets and put them under the umbrella of a Rockefeller-controlled World Government. *Gary Allen-The Rockefeller File.*

Who are "They"-by Texe Marrs

Beginning in 1986, I launched my nonstop quest to discover who "*They*" are. For many years I toiled in the deep, dark dungeon of conspiracy science. I read every book, every treatise, every article I could get my hands on to get to the answer. I thought that, perhaps, if I could build on the works of other great conspiracy scientists, I would find the answer. The guilty culprits, the monsters who have so tormented the earth and continue to do so would be revealed.

Good men and woman long before my entry into the battle had done great work seeking to unravel the mystery. I need not recount their names here. You know them, and they deserve maximum credit for their labors in search of the truth-to unveil "*They*," the parasites who bedevil the world and infect society.

It seemed for a time I would find them (that is, "*They*") lurking about in one or another of the many secret societies or globalist organizations. Could the masters of humanity be found in the Bohemian Grove, the Council on Foreign Relations (CFR), the Trilateral Commission, the Scottish Rite of Freemasonry, the Grand Orient Lodge, the Pilgrim Society, the Bilderbergers, the World Economic Forum (WEF), the G20, the P2 Lodge, the Priory of Sion, the Rosicrucian Order, the Order of Skull and Bones, Alta Vista, O.T.O?

So many groups, orders, organizations, and secret societies, and so little time and answers. Importantly, I asked, is there a link between them all, a connecting cord? Could one identifiable, a core people or organization, or even one nation be responsible for all-or at least most-of these evil groups? If so, were "*They*" human or perhaps, of a demonic character? Maybe the Devil himself and his dark angels are the hierarchy, the "CONTROLLERS", the "ascended masters" the plotters behind the world conspiracy? Is it "*They*" who pull the strings of earthly "puppets?" Is that possible?

After careful consideration, I realized that "*They*" are of human origin but also are led and inspired by devil powers.

The ongoing conspiracy, then, is a combination of human and supernatural.

So the question that remains: if *"They"* are the Zionists Jews, then who is at the head? Well, if the old saying "he who owns the gold makes the rule" is true, and it is, then we know the international bankers such as the Rothschild's and Rockefellers are making the decisions for the rest of humanity.

In the 1880's, Rockefeller and Rothschild were competing as the world's foremost oil and banking barons. But the two competitors each finally realized that competition was not a good thing. The more oil wells they drilled, the more oil produced, the more the price of oil per barrel fell. This led a disgruntled John D. Rockefeller Sr. to exclaim, *"Competition is a Sin!" -Texes Marrs-Conspiracy of the Six-Pointed Star.*

Side note: Before he died of cancer, Hollywood director and documentary filmmaker, Aaron Russo (Jew), openly discussed his relationship with Nicholas Rockefeller of the Rockefeller family. According to Russo, Nicholas Rockefeller personally told him that the elite's ultimate goal was to create a microchipped population. Russo replied, "I used to say to him, what's the point of all this? You have all the money in the world you need. You have all the power you need. What's the point? What's the end goal?" Rockefeller replied (paraphrasing), **"The goal is to get everybody chipped, to control the whole society, to have the bankers and the elite people control the world."** Rockefeller even assured Russo that if he joined the elite, his chip would be specially marked to avoid undue inspection by authorities.

Conspiracy Alert!!!

We are now entering the most dangerous time period the world has ever known (see Daniel 12:1-3). A lot of people out there still don't realize that we are literally watching World War III play out right in front of our eyes. The war between Russia and Ukraine is already longer than World War I was, and every single ceasefire in the Middle East that has been agreed to since Oct. 7th, 2023 has ultimately collapsed. Just a couple of weeks ago, the world was celebrating because the U.S. had signed a "Memorandum of Understanding" with Iran and we were being told that we were finally going to have permanent peace in the Middle East. So how did that work out? I feel like a broken record when I keep saying that there isn't going to be peace in the Middle East, but it is the truth.

At the end of last week, the Iranians attacked a commercial vessel that was traveling through the Strait of Hormuz using a route that they did not authorize, and the U.S. responded by bombing several Iranian military targets. Iran attacked another commercial vessel that was attempting to slip through the Strait of Hormuz along an "unauthorized" route, and in response the U.S. conducted an even larger wave of strikes.

Following that wave of strikes, President Trump warned that there "may come a point" when the U.S. must hit Iran so hard that it "will no longer exist"... "United States aircraft just struck Iranian missile and drone storage locations, and coastal radar sites, for violating the Cease Fire Agreement, AGAIN!" Mr. Trump said in a recent Truth Social post.

The president issued an aggressive threat in the post, saying it was possible Iran "may never learn. ***"There may come a point when we are no longer able to be reasonable, and will be forced to militarily complete the job that we very successfully started," the president said. "If that happens, the Islamic Republic of Iran will no longer exist!"***

That is very strong language. Needless to say, conventional weapons would not be able to accomplish that goal. — Michael Snyder's Substack
