

# Tribulation Watch Newsletter

“And all that dwell upon the earth shall worship him, whose names are not written in the book . . .” (Revelation 13:8).

Dear friend

February 2026

The Bible tells us that in the last days “...evil men and seducers shall wax worse and worse, deceiving, and being deceived” (2 Timothy 3: 13). Unfortunately, these prophetic words from the Apostle Paul are coming to pass in this day in which we live. Evil men are being lifted up and placed in positions that they should not be in.

Jesus also prophesied that in the last days just prior to His second coming that nations would be in great distress (see Luke 21: 25). In a recent meeting (World Economic Forum) in Davos, Switzerland Donald Trump said we now have peace in the Middle East. Is this true, or is Trump one of the end-time deceivers the Bible warns us about? We will answer that question in this edition of *Tribulation Watch Newsletter*.

God Bless you!

Bro. Matt Tiemann

“A lone psychopath is dangerous, but a cooperating network of like-minded psychopaths who follow the lead of an even greater psychopath can be terrible beyond measure.” -Texe Marrs

## Did you know the Antichrist will come from the Western hemisphere?

Many end-time Bible prophecy teachers today believe the Antichrist will come from Europe. Where they get this information, I'm not real sure. I do personally believe the False Prophet will most likely be a Pope from the Catholic Church, which of course is based in Europe (Rome Italy). However, in my thirty plus years of studying Bible prophecy the only place I can clearly see the Antichrist (Little Horn) comes from is the West.

During his 2026 speech in Davos, Switzerland, Donald Trump said we now have peace in the Middle East. However, nothing could be further from the Truth. Iran is a country in great distress. Millions of Iranians marched in the streets this past month and it is reported thousands were killed by Iranian forces. The head cheerleader for this insurrection was none other than Donald Trump himself.

Tensions between the US and Iran have reached the boiling point once again. The Trump administration has made it crystal clear that it is time for the current Iranian regime to go. Iranian leaders have warned America of “dire” consequences if we attack them. As a result, we are now seeing a US build up of military power headed to the region. US warships including the aircraft carrier USS Abraham Lincoln, several destroyers and fighter aircraft are being moved into position. This end-time confrontation between the West (US) and Iran (Persia) seems inevitable. In fact, Bible prophecy says it will happen.

## Daniel's Vision

About 2,600 years ago while going about his daily business for the king of Babylon at Shushan, the Prophet Daniel saw a strange vision of a ram and a He Goat engaged in battle. Shushan today would have been located in modern day Iraq by the Euphrates River.

In Daniel's vision the ram had one horn larger than the other. It pushed in all directions and became strong. Then a powerful goat appeared in the vision. This was no ordinary goat, it had a large horn between its eyes, and it could fly

and it came from the western hemisphere. Let's read: **Daniel 8:5 "And as I was considering, behold, a he goat came from "WEST" on the face of the whole earth and touched not the ground..."**

In the battle, the He Goat came from the west and attacked the ram and broke its horns and stomped it to the ground destroying the threat. **Daniel 8:7 "And I saw him come close unto the ram, and he was moved with choler (anger) against him, and smote the ram, and brake his two horns: and there was no power in the ram to stand before him, but he cast him down to the ground, and stamped upon him: and there was none that could deliver the ram out of his hand."**

### **Little Horn from the West**

In the battle with the ram, the He Goat which came from the west also suffered injury. The great horn that was between its eyes was broken, but out of it grew four other horns. Out of one of these horns grew a little horn (the Antichrist). **Daniel 8:9 "And out of one of them came a little horn, which waxed exceeding great, toward the south, and toward the east, and toward the pleasant land."**

Being astonished at the vision, Daniel quickly sought (prayed) for its meaning (see Daniel 8:15). After the command from the Lord went out, the angel Gabriel came to Daniel to give him the understanding of the vision. The first information that Gabriel shared with Daniel was the timeline of the vision. **Daniel 8:17- "So he came near where I stood: and when he came, I was afraid, and fell upon my face: but he said unto me, Understand, O son of man: FOR AT THE TIME OF THE END SHALL BE THE VISION."**

There's another undeniable proof that the Prophet Daniel's vision of the battle between the ram and the goat is an end-time prophecy that has yet to be fulfilled. In the vision, Daniel actually sees Jesus Christ (Prince of Princes) return to earth and destroy the Antichrist (Little Horn). **Daniel 8:25 "And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: HE SHALL ALSO STAND UP AGAINST THE PRINCE OF PRINCES; BUT HE SHALL BE BROKEN WITHOUT HAND."**

### **US vs. Iran**

The battle with Iran will not be easy. We have given them too much time to prepare for this end-time confrontation. No doubt, Iran's leaders have been conspiring behind the scenes with their allies-North Korea, Russia, and China, to deliver a deathblow to the US if we attack them.

Multiple suitcase nuclear devices were purchased from Russia years ago and have never been accounted for. During his first national debate with John McCain, Barack Obama suggested that suitcase nukes are a threat. Matter of fact, teams of nuclear scientists have been scanning the U.S. with airplanes and devices that detect nuclear material, but it's like looking for a needle in a haystack.

To go along with the suitcase nuke threat, America is also facing Chinese-North Korean mini stealth submarines. These mini subs can go undetected by normal sonar. Mysterious missiles launched in November, 2010 off the coasts of California, New York, and Texas, tell us these stealth submarines are lurking in U.S. waters. Although the American government swept these mysterious missile launches under the rug, many ex-military experts say without question, the missiles were ICBM'S launched from submarines.

### **The Twelfth Imam**

Shortly after his election in 2005, President Ahmadinejad donated the equivalent of \$17 million U.S. dollars of government funds to prepare a shrine to mark the return of the Twelfth Imam, the messiah of Shiite Islam, of which Ahmadinejad is a follower. Shiites believe, prior to the Twelfth Imam's reappearance, the world will experience death, destruction, and apocalyptic events. At the appointed time, the Imam will save the world from chaos, convert Christians to Islam, and establish global Islamic rule.

It's coming!!! The Prophet Daniel's end-time vision of the battle between the He Goat (US) and the ram (Iran), which will lead to the rise of the Antichrist (Little Horn) appears to be at the door. And Scripture tells us he comes from the West!

# The Psychopath President

I recently looked up the definition of a psychopath and found the following definition: A psychopath is someone with a personality characterized by a profound lack of empathy, remorse, and guilt, combined with superficial charm, manipulateness, impulsivity, and antisocial behavior, often masking a callous disregard for others.

The following are key traits & characteristics of a psychopath. In my opinion Donald Trump fits them ALL!

**Emotional Deficits:** Shallow emotions, lack of empathy, inability to feel guilt or love.

**Interpersonal Style:** Superficial charm, grandiosity, pathological lying, and manipulative tactics to exploit others that disagree with them.

**Behavioral Patterns:** Impulsivity, irresponsibility, thrill-seeking, poor behavioral controls, and parasitic lifestyle.

**Antisocial Tendencies:** Disregard for social rules, juvenile delinquency, and a tendency towards criminal behavior.

## A Convicted Felon

Sad to say, Donald Trump is the first convicted felon president in US history. We all know about Stormy Daniel's hush money trial in which Trump tried to buy her silence with a hundred and thirty thousand dollars of campaign funds. Trump was convicted of 34 felony counts in which he didn't have to spend a day in jail. But the sexual attack on writer Jean Carroll in a New York City department store dressing room should be of great concern for all freedom loving Americans because it shows all the "frightening" characteristics of a man with a psychopathic personality.

On June 21, 2019, E. Jean Carroll published an article in *New York magazine* titled *Hideous Men*. She is the only person whose rape allegation against Trump has been upheld as credible in court, though two other women have also accused him of rape. His first wife, Ivana Trump, who once alleged he raped her during their marriage before later recanting the claim, and a second woman-known publicly as "Jane Doe"- who accused Trump and Jeffrey Epstein of repeatedly raping her at Epstein's New York City Apartment in 1994 when she 13, but withdrew her lawsuit for some unknown reason. Maybe she got paid off!

In the article Carroll claimed she ran into Donald Trump while she was leaving Bergdorf Goodman department store in late 1995. Trump asked her for help with buying a gift for another woman. After she suggested a handbag or a hat, the two moved to the lingerie section. Carroll said they ended up in a dressing room together, the door of which was shut, and Trump forcefully kissed her, pulled down her tights and raped her. In November 2019, Carroll filed a defamation lawsuit with the New York Supreme Court. The suit states that Trump had damaged her reputation, substantially harmed her professionally, and caused emotional pain. The following is Jean Carroll's complaint to the New York Supreme Court:

**"Decades ago, the now President of the United States raped me. When I had the courage to speak out about the attack, he defamed my character, accused me of lying for personal gain, even insulted my appearance. No woman should have to face this. But this lawsuit is not only about me. I am filing this on behalf of every woman who has ever been harassed, assaulted, silenced, or spoken up only to be shamed, fired, ridiculed and belittled."-E. Jean Carroll**

In an official government statement, Trump denied that he had ever met Carroll, accused her of trying to sell books, implied she had a political agenda and was lying. But Jean Carroll held on to the black dress Trump raped her in, which DNA samples were taken. She also produced a picture of her and her ex husband John Johnson laughing with Trump and his wife Ivana at a social gathering in 1987.

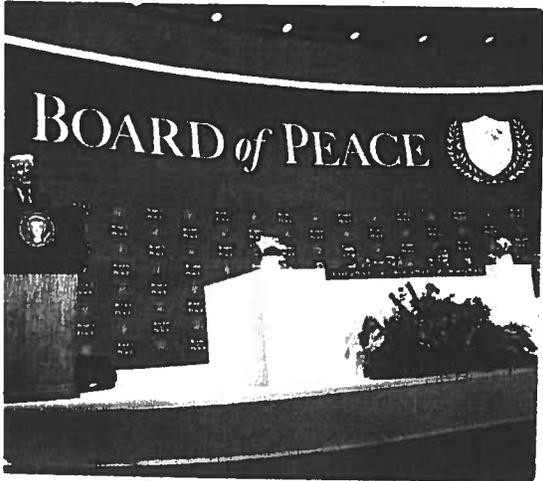

Jean Carroll was awarded \$88 million in damages with the two civil law suits she filed against the president. Trump's lawyers appealed all the way to the Supreme Court. But Trump lost all appeals. Therefore, he is guilty as

charged. But is still commander and chief of the most powerful military on Planet Earth. This is what happens when a nation forgets God!!!

Side note: In a March 17, 2010, deposition, Jeffery Epstein was asked directly if he had ever socialized with Donald Trump in the presence of females under the age of 18. Epstein refused to answer. Instead he invoked his Fifth, Sixth, and 14<sup>th</sup> Amendment rights. I wonder why?

## Conspiracy Alert!!!

On January, 21 President Donald Trump (Chairman) unveiled his international "Board of Peace" during the World Economic Forum in Davos, Switzerland. Trump inaugurated the Board of Peace as an official international organization intended to rival the United Nations in negotiating peace deals worldwide.

The board was inaugurated together with state officials from more than 20 countries, including Argentina, Armenia, Azerbaijan, Bahrain, Bulgaria, Egypt, Hungary, Indonesia, Jordan, Kazakhstan, Kosovo, Mongolia, Morocco, Pakistan, Paraguay, Qatar, Saudi Arabia, Turkey, the United Arab Emirates, and Uzbekistan.

The Board of Peace was announced in September last year as part of Trump's 20-point Gaza peace plan, put forth by Special Envoy Steve Witkoff (Zionist Jew) and the president's son-in-law Jared Kushner (Zionist Jew).

The U.N. ratified the Board of Peace's role in supervising the process of replacing Hamas as the governing authority of the Gaza Strip in November last year. On the Israel-Gaza war, Trump said, "They're down to little fires. We can put them out very easily."

"We have peace in the Middle East, no one thought that was possible," he proclaimed. "Today the world is a safer, richer, much more peaceful place than it was one year ago." Trump said the board would "work with many others," including the U.N., which the US president has criticized multiple times for not fulfilling its core mission of preserving peace.

"I think we can spread out to other things as we succeed with Gaza, we're going to be very successful in Gaza," Trump said. **"We can do numerous other things. Once this board is completely formed, we can do pretty much whatever we want to do."**

### **"Board of Action"**

See Revelation 13:4

In remarks after Trump's comments, US Secretary of State Marco Rubio said the board's priority was making sure the ceasefire in Gaza endures but the possibilities for the organization were "endless".

"This is not just a Board of Peace. This is a board of action, just like President Trump is a president of action," he said. Trump's son-in-law Jared Kushner, a senior White House adviser and real estate developer, outlined details about the Board of Peace's development plans in Gaza without mentioning plans for a path towards a Palestinian state. The "number one thing is going to be security. Obviously, we're working very closely with the Israelis to figure out a way to de-escalation, and the next phase is working with Hamas on demilitarisation," Kushner said.

"Without security, nobody's going to make investments, nobody's gonna come build there. We need investments in order to start giving job's," he said.

The Board of Peace wants to use "free market principles" to shift Gaza away from dependence on foreign aid, Kushner said, showing a Gaza Strip divided into "residential" and "coastal tourism mixed" zones.

God bless you friend. Keep watching. Put your trust in Jesus!
