

Tribulation Watch Newsletter

“And all that dwell upon the earth shall worship him whose names are not written in the book . . .” (Revelation 13:8).

Dear Friend

savedsaved. com

America is changing very quickly. We were a nation that put our trust in God but now we put our trust in ourselves. Instead of Christ, most Americans today lift up sports heroes, movie actors, singers and even pastors. They have become their gods! They are doing this because they have forgotten God which is a very dangerous place to be as a nation. (See Psalms 9:17)

One may ask: why has America become so wicked and divided? The answer is very simple, *We The People*, especially the church have let down our guard and allowed a godless enemy to infiltrate us. This enemy is controlled by Satan at top levels. Therefore, they will not quit until “all” people come under their submission! In this edition of *Tribulation Watch Newsletter*, we expose this enemy and their Forbidden Secrets.

God bless you!

Bro. Matt Tiemann

“For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?” (1 Peter 4:17)

FORBIDDEN SECRETS

Editor's note: The following are nine forbidden secrets that the elite that control the world don't want any of us to know. These secrets have been revealed to me through God's Holy Spirit and many different book sources. I challenge you to do your own research and you will find that these “Forbidden Secrets” are true.

1. U.S. Government Hijacked! In the early 1950's Winthrop Rockefeller the fifth son of the six children of John D. Rockefeller Jr. moved to Arkansas from New York to get a quick divorce from New York socialite, Bobo Sears. Two revelations came out of this divorce hearing. First, it turned out that Winthrop, who eventually became governor of Arkansas was a homosexual and had the largest collection of homosexual pornography in the world. Second, it was revealed that Winthrop and his brothers would meet every year and conspire on how they might infiltrate and takeover (highjack) the U.S. government. In 1974 their plan was successful at Watergate!

When Richard Nixon left the Presidency on August 9, 1974 the House of Rockefeller moved in to seize power from the American people. This power grab became possible when Gerald Ford chose his boss, Nelson Rockefeller, to be his Vice President. Therefore, Nelson became an unelected de facto President, which opened the door for him and his Communist family to hijack our government. *Gary Allen-The Rockefeller File*

2. Both Parties Captured In his eye-opening book, *The Naked Communist* which was first published in the late 1950's. W. Cleon Skousen, FBI agent under J. Edgar Hoover had some words of warning when it came to Communist infiltration of the U.S. On page 260 of his book, Skousen claimed that one of the top goals of the Communists in the U.S. was to: “Capture one or both political parties in the United States.” No doubt, they have accomplished this goal.

Many people today are baffled why our nation continues to head down the same morally, financially destructive path even though the U.S. has two political parties that are so different in their philosophies. The answer is: both parties have been captured by the bankers (Rockefellers). Therefore, it makes no difference what party is in power because both are heading in the same direction. The only difference is: the Rockedems are taking us straight there, while the Rockepubs are leading us around the bend. But eventually, like sheep, we will all be herded into the same One World Government corral which will be overseen by Satan's man, the Antichrist. That's the forbidden secret that your local radio talk show host dares not to talk about.

3. Rigged Elections in the *Protocols of the Elders of Zion* we read these words: **In order that our scheme (World Government) may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other-then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations. Protocol No. 10.**

What the Zionist Jews were saying here is they planned on picking "corrupt" men and placing them in power as Presidents. This is clearly happening today in America. Bill Clinton, George W. Bush, Barack Obama and Donald Trump are all corrupt men with dark stains (skeletons in the closet). They all fit perfectly in this scheme that was thought of over a 120 years ago.

4. First Gay President In November of 2008, after Barack Obama was elected President of the U.S. The Holy Spirit spoke to my heart clear as crystal to begin publishing *Tribulation Watch Newsletter*. Even though Obama appeared intelligent and had a nice smile, like many others I knew deep down that he was a wicked man placed in power by the elite (Rockefellers/ Rothschild) that run the world. A year later my suspicions came true when I came across information that Obama was gay and had a homosexual affair with a Florida man named Larry Sinclair.

Sinclair self published a book, **"Barack Obama & Larry Sinclair: Coke, Sex, Lies & Murder."** In the book he gave details about his two homosexual encounters with Obama in Chicago in 1999.

Also in the book Sinclair wrote about the death of Donald Young, the openly gay choir director of Jeremiah Wright's church in Chicago where Obama attended. Sinclair wrote that he was in contact with Young shortly before he was murdered execution-style. Young revealed his relationship with Obama before his death.

In a recent interview with Tucker Carlson, Larry Sinclair gave details of his homosexual fling with Obama.

5. Purpose Driven Church For the Communists to gain control of America they would have to infiltrate and destroy true soul saving Christianity and replace it with false worship and false Christian music. This goal has been accomplished through Rick Warren's Purpose Driven movement.

True Christians know salvation is only in Jesus Christ. The Communists hate this truth and have used Rick Warren's Purpose Driven Movement to destroy it. Warren welcomes people from all different religions of the world to join his Purpose Driven Church. That would include: Catholics, Muslims, Buddhists, and Hindus. But old-fashioned fundamentalist Christians that believe Jesus is the only way to heaven are not invited.

Rick Warren's purpose driven church movement has also trashed the old gospel hymns that feed the soul and replaced them with jazzed up, feel good worship music that only feeds the emotions. Therefore, the people will end up losing their souls. No doubt, that's the real "purpose" behind Rick Warren's Purpose Driven church.

6. Covid-19 Lethal Injections While most of the nation is fixated on Donald Trump and the possibility that he might be sentenced to jail on July 11 for his hush money wrong doings, the kill-off of Americans young and old through the Covid-19 holocaust continues on.

Many scientists are predicting a massive "wave" of death do to the mRNA jab. The material in the Covid-19 jabs are hardening in people's arteries over time. So eventually people will slowly die off. This is the sinister agenda of population control. The elite that rule over us want to bring the world's population under one billion people.

It is obvious that the heads of Pfizer and Moderna know their poison is slowly killing people but that has not stopped them from continuing to advertise it on T.V. and over the radio. People that continue to take the Covid booster shots are playing Russian roulette with their lives!

7. Transgendering the Children When he entered office, Joe Biden continued pushing the homosexual agenda where Obama left off. However, his administration is targeting children like never before. Two years ago, Biden signed an executive order which massively expands access to so-called “gender affirming” care, particularly in more conservative-leaning states where laws currently exist to protect children from such an evil agenda.

What Biden has basically announced to the entire country is that he does not care what you or anyone else thinks about protecting childhood innocence. He wants zero restrictions on filling school classrooms with degenerate curriculum and transforming America’s youth into gender-deranged perverts.

8. Weapon of Mass Destruction Before his death V.I. Lenin proclaimed, **“First we will take Eastern Europe, secondly we will take the masses of Asia; then we will surround the United States, which will be the last bastion of Capitalism. We shall not have to fire a shot; it will fall into our hands like a ripe fruit.”**

The rock group, The Beatles (Communist musical agents) were a vital part of the takeover of America for Communism. In the third verse of their 1968 hit song *“Revolution”* they let the cat out of the bag for their plan to take over America from within. Let’s read: Verse 3 **“Say you’ll change the Constitution. Well, you know, we all want to change your head. You tell me it’s the institution. Well, you know, you better free your mind instead. But if you go carrying pictures of Chairman Mao (China’s Communist dictator) you ain’t going to make it with anyone anyhow. Don’t you know it’s gonna be!”**

The Communist plan to use the Beatles to take over America worked perfectly. The youth of this country blindly followed them into the slime pit of degradation, rebellion, sex, and drugs. This subtle moral attack on the youth of this country was vital to the overthrow of our government. Yes, even the Communists know that when people lose their morals that they will fall for anything. That includes their vile, bloody system of slavery. The Beatles were a Communist weapon of mass destruction!

9. Christians and Patriots Replaced Many people are angry at the fact that the Biden administration has allowed illegal immigrants to pour into our country with little resistance whatsoever. These people are coming here for a better life, or you might say to take part in the American dream. However, the Communists that control our government are purposely allowing them to come in for two reasons. First, they will be the workers (slaves) in the coming satanic, Jewish controlled New World Order. This was made clear when New York Rep. Jerry Nadler (Jew) made the following statement during a recent House Judicial meeting on immigration. Nadler said: **“We need immigrants in this country. Forget the fact that our vegetables would rot in the ground if they weren’t being picked by many immigrants-many illegal immigrants.”**Nadler continued: **“The fact is the birth rate in this country is way below replacement level, which means our population is going to start shrinking. And the ratio of people on Social Security and Medicare is going to increase relative to the number of people supporting them.”** Other words, Nadler wants to bring in illegal immigrants to do our dirty work and help support Medicare and Social Security.

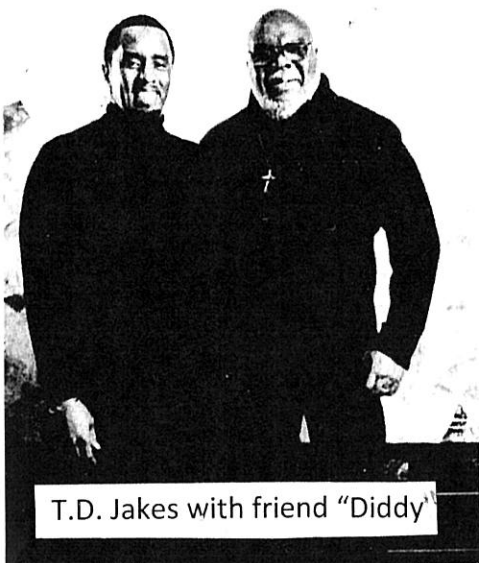

The second reason the U.S. government has been allowing illegal immigrants to invade our country is to get rid of Christians and Patriots which they consider the enemy. Most of these illegal immigrants are non-Christian, or serve other gods and could care less about our Constitution. They’re also having more children than the ordinary American family. Therefore, it stands to reason that over time that Christians and Patriots will be replaced with godless, dependant immigrant slaves!

Conspiracy Alert!!!

Jesus warned His disciples that the end-time generation in which we live would face false prophets. These false prophets will be dangerous because they will lead people away from the true Gospel unto “fables” (lies). These lies will cause their gullible followers to lose their salvation. ***“For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching years.” (2 Timothy 4:4)***

One of the end-time false prophets Jesus warned about, no doubt includes T.D. Jakes the charismatic senior pastor of the Potter’s House Church in southern Dallas, Texas. Recently Jakes has gotten himself into some hot water, not

only with some of the members of his 30,000 member megachurch, but also with the U.S. government.

T.D. Jakes was named in a recent lawsuit against music producer Sean “Diddy” Combs as someone who might help rehabilitate Comb’s public image. Comb’s Los Angeles and Miami homes were raided by federal agents in March as part of a sex trafficking investigation, reports say. Over the past year, Combs has been subject of several lawsuits that have accused him of sexual assault and sex trafficking.

In December 2023, Jakes was accused by some members of his church of being a homosexual and participating in sex parties hosted by Combs on social media. Jakes appeared to respond to the accusations during the Christmas Eve service at The Potter’s House. “The worst that could happen, if everything was true, all I got to do is repent sincerely, from my heart. There’s enough power in the blood to cover all kinds of sin. I don’t care what it is, the blood would fix it,” Jakes said. “But I ain’t got to repent about this.”

It’s been reported that Diddy had hundreds of hidden cameras in his mansions. Therefore, the truth will most likely come out.

Christ Saves “From” Sin

At least T.D. Jakes believes that repentance is necessary if we commit willful sin against God. One of the soul-damning doctrines that was actually promoted by Rev. Billy Graham during his ministry was the teaching that the blood that Jesus Christ shed at Calvary covers all our sins, past, present and future. The following article came from an old syndicated newspaper article entitled **“Salvation Depends Only On One Thing.”**

“Dear Rev. Graham: If I commit a sin just before I die, and I don’t have time to confess it to God or get forgiveness, does that mean I won’t go to heaven? –G.P.

“Dear G.P.: No, it does not. If you have truly given your life to Jesus Christ and are trusting Him alone for your salvation, then He has cleansed you of all your sins-past-present, and future. When we come to Christ, ‘God ...forgave us all our sins’ (Colossians 2:13).

“You see, your salvation depends on only one thing: what Jesus Christ accomplished when he died on the cross for us. Why did He do that? He did it for one reason: so He could become the final complete Sacrifice for all our sins. He was without sin, but on the cross all your sins and my sins were placed on Him, and He died in our place. As the Bible says, ‘Christ died for sins once for all, the righteous for the unrighteous, to bring you to God’ (1 Peter 3:18).

“Yes, we need to seek God’s forgiveness so whenever we sin our fellowship with Him will never change. Make sure of your salvation by trusting Christ and receiving Him into your heart and life today.-The End.”

According to his syndicated column the Rev. Billy Graham is saying that Jesus came to save sinners **“IN”** their sins, but the Bible teaches that he came to save them **“FROM”** their sins. *“...Thou shalt call his name Jesus: for he shall save his people from their sins” (Matthew 1:21).* There is a huge difference between the words IN and From, but the sad fact is, that difference will end up costing millions their salvation!

Side note: Tony Evans, another well known black pastor from Dallas has recently resigned his church for an “unnamed” sin of the past. The Bible is true, *“...your sin will find you out!” (Numbers 32:23)*

God bless you friend. Follow Jesus. And know your Bible! (King James Bible).
