

Tribulation Watch Newsletter

"And all that dwell upon the earth shall worship him, whose names are not written in the book . . ." (Revelation 13:8).

Dear Friend

August 2025

This past year has been the darkest year of my life. In August 2024, I started losing sight in my left eye. It started off with little black spots (floaters) which turned into dark blotches, which made everything a blur. After being examined by the eye doctor I was told I had a detached retina in my left eye. I have gone through four eye surgeries to repair the damage.

On May 25, 2025 my sweet wife Nicole passed away from complications of metastatic breast cancer. I held her hand as she went to be with Jesus, the one she loved more than anything in this world. In this edition of *Tribulation Watch Newsletter* I share an amazing story my wife and I experienced together one night near downtown Dallas, Texas.

God bless you friend!

Bro. Matt Tiemann

"This world is not my home, I'm just passing through!"

-Nicole Renee Tiemann

Did you know Satan has a plan for you to "worship" him as God?

Ever since Lucifer (Satan) fell he has wanted to be "worshipped" as God. The devil even tried to get Jesus to worship him. Let's read: ***"Again the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; And saith unto him, All these things will I give thee, if thou wilt fall down and WORSHIP me."*** (Matthew 4:8-9). Praise God! Jesus overcame the devil's temptation, opening the door to eternal life for all who choose to follow and worship Him as their Lord and King.

The Devil's Plan

Even though the devil could not get Jesus to fall down and worship him he is now focused on each one of us. The following is the devil's plan laid out in Scripture:

1. **Create a One World Dictator**---***"Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; who opposeth and exalteth himself above all that is called God, or that is WORSHIPPED; so that he as God sitteth in the temple of God, shewing himself that he is God."*** (2 Thess. 2: 3-4)
2. **Create a One World Government**---***"And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall WORSHIP him, whose names are not written in the book of life of the Lamb slain from the foundation of the world."*** (Rev. 13: 7-8)
3. **Create a One World Religion** - ***"And he (false prophet) exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to WORSHIP the first beast, whose deadly wound was healed."*** (Rev. 13:12)

4. **Create a One World Economy**—*“And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not **WORSHIP** the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.” (Rev. 13:15-17)*
5. **Worldwide Christian Persecution** —*“And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not **WORSHIPPED** the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.” (Rev.20: 4)*

A City Over There

By Matt Tiemann

In July on 1995 (30 years ago) I repented of my sins in an old fashion holiness church in Arlington, Texas. Jesus saved me that year and has helped me keep victory ever since. The next year, I met my dear wife Nicole in the lunch line at our district church camp in Duncan, Oklahoma. She turned around and introduced herself with a handshake and that beautiful smile of hers. I knew right away that she was a special person, a true Christian that possessed the Spirit of God. I believe I fell in love with her in the lunch line as we talked and made our way toward the food. I tell people it was love at first bite!

After camp meeting we parted ways until I got up the nerve to call her a year later. Nicole graduated from Bible school in Rock Island, Illinois and was teaching in a Christian church school in the area. In 1997 she moved to Arlington, Texas so we could be closer together. She began teaching at our church school. During this time period we fell in deep love with each other and were married on Feb. 14, 1998. What a beautiful day that was!

Called to the Streets

After we married we moved to an old rent house in Mesquite, Texas which is about 15 minutes east of downtown Dallas, Texas. I was sanctified in that old house and called to street evangelism. I shared with Nicole what the Lord was calling me to do. She supported 100% and even joined me for several years. We made a wonderful team!

We spent a lot of time in downtown Dallas handing out homemade tracts and witnessing to the lost. People from all over the world would come through downtown Dallas. We never knew who received our tracts. It could be a homeless person living under a bridge or a multi-billionaire traveling through Dallas on a business trip. Nevertheless, without Jesus they're all in the same lost condition.

Eventually, we started witnessing in an area known as “Deep Ellum” which is on the east side of downtown Dallas, Texas. Deep Ellum, originally called “Deep Elm” emerged in the late 19th century when the Houston & Texas Central and Texas and Pacific railroads intersected near Elm Street. This junction spurred economic activity, attracting both African Americans and European immigrants who established businesses, including the Munger Improved Cotton Machine Company and a Ford Model T assembly plant. In the 1920's Deep Ellum also played a significant role in the development of the blues music scene. However, in the 1950's the area started losing its popularity.

In the 1980's Deep Ellum revived. Old buildings and warehouses were converted into bars and nightclubs attracting Rock bands from around the country. This area also attracted all types of people even devil worshippers. One night in Deep Ellum Nicole and I passed out tracts to a group wiccans which were dressed all in black. They did not like the tracts so they placed them in a circle on the ground around us and lit them on fire. It was a little scary but we escaped the circle of fire and made it home safely.

“Cast thy burden upon the Lord, and he shall sustain thee:
He shall never suffer the righteous to be moved.” (Psalms 55:22)

The Deep Ellum Angel

Nicole and I saw some crazy things the times we witnessed in Deep Ellum together. But nothing compared to the night we met an angel of God!

It was the second year of our marriage (1999) that that I decided to try something new in Deep Ellum. There was a black preacher that preached with a "bullhorn" in downtown Dallas. So, I decided to try it in Deep Ellum even though bullhorns were not allowed in that area of town. However, sometimes when you're doing the Lord's work men's laws just have to take a back seat to God's calling. (See Acts 5: 27-29)

So, one Saturday morning I headed down to the local Radio Shack and purchased a small bullhorn, which people could hear at a short distance. It was lightweight, and easy to conceal. Just what I needed. After we parked the car in Deep Ellum that night, Nicole and I headed to our spot which was in front of a corner building. The plan was for me to preach to the people with the bullhorn on the sidewalk, then Nicole would hand them a tract when they reached the corner of the building.

All went well for about 30 minutes until a police car pulled up straight in front of me and parked. I continued to preach, but kept an eye on the two officers in the squad car. At this point I started to get a bit nervous, especially when I saw the lady officer in the passenger seat place some kind of device under her seat. When she did this, I decided to shut the preaching down. All I could think about was me and my sweet wife being hauled off to jail for breaking city code. And everything was being recorded.

After I placed the bullhorn behind a nearby trash can, I started praying earnestly to God to help us out of this situation. Within 15 seconds after I finished my prayer I heard the most beautiful sound coming from behind me. A young blonde haired man with glasses about 6ft. 2 inches tall came around the corner of the building where my wife was standing. He had a mega bullhorn in his hand and was preaching and quoting Scripture like I've never heard before. He also had Scripture verses written all over his t-shirt.

As he approached me he rebuked me for not preaching repentance to the people. I told him in a soft voice that I was trying. He then proceeded on towards the back of the police car continuing to preach loud and hard with no fear whatsoever. At this time my wife Nicole came and stood by my side. We both watched with amazement as the two police officers jumped out of the squad car and confronted the young man. The exchange was heated, but the young man kept preaching and quoting Scripture.

He then headed back towards my wife and I. When he got close to us I asked him where he came from? He stopped and pointed in an angle towards the sky and said: "FROM A CITY OVER THERE." He then walked off and disappeared around the corner of the building. We never saw him in Deep Ellum again. Nicole and I talked about this experience many times down through the years. We both came to the conclusion that God sent His angel that night and he showed up right on time!

New Jerusalem

One thing my wife Nicole was really good at was telling object lessons. She shared them with mostly children and the elderly. One of her lessons that stood out to me most she told last year to the people attending our nursing home service one Sunday morning. The object lesson was about the "things that will not be in Heaven." Her Scripture came from Revelation Ch. 21. Let's read: "And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband".... "And God shall wipe away all TEARS from their eyes; and there shall be no more DEATH, neither SORROW, nor CRYING, neither shall there be any more PAIN: for the former things are passed away. (Rev. 21: 1, 2, 4)

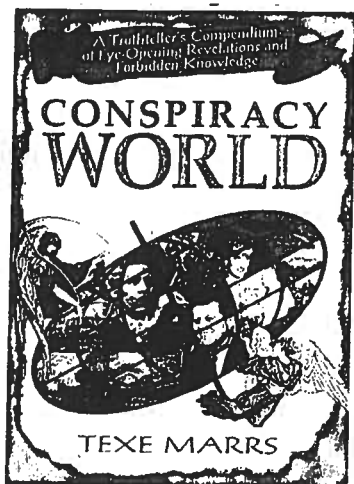

During her object lesson Nicole held up a box of tissues and a bottle of pills and told the people attending the service that there would be no need for them in Heaven because God is going to take away all pain and wipe away all

tears. What a wonderful promise! In the last two months I've shed enough tears to last a lifetime over my wife's passing. Pain, sorrow and crying come in waves. I now know how Job felt when he lost everything (see Job Ch.1). But Job did not quit or blame God. No, Job said: "Though he slay me, yet will I trust in him." (Job 13:15)

So I'm comforted in knowing that my wife was a saved and sanctified child of God. The night before she passed I asked her how much she loved Jesus? She placed her hand in the air and said, "with all my heart." Jesus was her King! She served Him since she was a child, and soon she will be with Him forever in That City Over There!

Conspiracy Alert!!!

Side note: The following information was written and published in 2009 by the late Texe Marrs founder of *Power of Prophecy* ministries based in Austin, Texas.

What if you having voluntarily been vaccinated to ward off anthrax, swine flu, smallpox, and other deadly viruses, are unaware that the substances injected into your blood stream, while containing preventative vaccines, also contain legions of tiny, but efficient, programmable, manmade killer viruses? Nanotransister robot machines which silently lie in your blood stream, passive and lifeless, but ready to spring into action when the signal is given and received.

What if men who run the master computers that control these nanotransister robot machines (killer viruses) someday are notified that you are a "threat" to society, to the New World Order? Well, perhaps it's because of your unorthodox, pro-constitutionalist views, your fundamentalist Bible-beliefs, or possibly your failure to fit in with Big Brother's carefully planned New Age Society.

What if some faceless bureaucrat sitting somewhere decides that you believe-or worse, preach to others-the dangerously outdated view that God, truth, family, individual rights, country are more important than the universalist-promoted principle that the socialist *collective consciousness* of the global village is all that exists and all that matters?

And what if, having been duly notified by cyberspace message of your worthlessness and uselessness to the cause of the Illuminati's *Great Work*, the computer operator takes immediate action? He tracks you by your "Cell Phone" by which you are identified and tracked each moment of the day, and assigns you "Code Red" classification. Instantly, the insidious, once inactive, but now fast moving, now fully orchestrated armies of nanotransmitter robots inside your body crank up and go straight to work. They tear into their targets, chomping, gouging, drilling, and demolishing your human tissue. Steadily, they destroy life-giving arteries to the heart; they eat away at the brain and liver cells, and tear off bits of plaque and cholesterol which dislodge, travel to the brain, heart, and kidneys, and induce strokes and hemorrhaging.

The manmade killer virus robots are now turned off, their mission accomplished. Too small to be seen-so infinitesimal in size they are dwarfed by bacteria and viruses-they have proved to be hidden killers, smart machines without souls, directed in their foul and deadly work by human killers from afar, men without souls. Scoffers and skeptics, no doubt, will be in denial. "It can't be," they will protest. "It just can't be!" But the technology genie is out of the bottle, and the world will never be the same. - *Texe Marrs, Conspiracy World, pp. 358-360. Published in 2009*

Final comment: Most doctors agree all of us have cancer cells in our bodies. How they got there remains a mystery because we know God did not put them there. And according to the information that Texe Marrs received over sixteen years ago these cancer cells could possibly be activated with a call from a cell phone. This is a dangerous day in which we live.

God bless you friend. Stay alert. The devil has come to steal, kill and destroy!
