"And all that dwell upon the earth shall worship him, whose names are not written in the book . . ." (Revelation 13:8).

Dear friend,

January 2024

A Great Storm is headed our way. This storm, however, will not possess boisterous winds or torrential rains, but it does have a name, it is called the "Great Tribulation." This great end-time, manmade disaster will be perpetrated by a small cabal of evil men. Jesus referred to them as the Synagogue of Satan (Revelation 2:9).

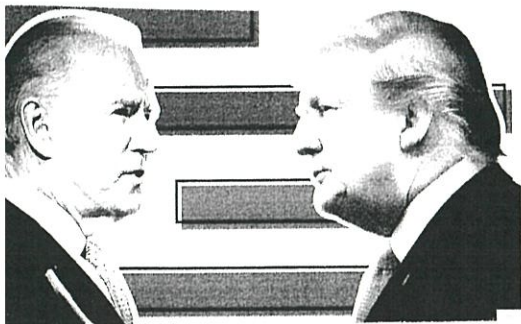

These powerful individuals are rapidly ushering in a New World Order, which they and their forefathers have planned-out over a hundred and twenty years ago. To achieve their goal of world domination they have set up secret Freemason Lodges all over the world. The people that enter these lodges have no idea they are being used as pawns to bring about Satan's One World Government. In this edition of *Tribulation Watch Newsletter* we shine light on the evil that is unfolding right before our eyes.

God bless you!

"For whosoever shall call on the name of the Lord shall be saved." Romans 10:13

Did you know Joe Biden and Donald Trump are both controlled by the same people?

In the mid 80's after my college football days and before I came to Christ, I decided to try my hand at professional wrestling. To learn how to wrestle I joined a small wrestling school which was located in the midst of downtown Dallas, Texas. The school was in an old building which was converted into a gym (Doug's Gym). The gym was a literal hole in the wall. Bricks were actually broken out of a sidewall creating a hole in which you had to walk through to get to the wrestling ring which was set up in another building.

After paying my dues, the owner's son Doug Jr. started training me and a few other wrestlers in the art of professional wrestling. We learned headlocks, body slams, running the ropes, how to kick and throw punches and a host of other wrestling moves. After a month of training I got my first gig.

The place where I would have my very first professional wrestling match was located in a country bar in Jacksboro, Texas which was about 100 miles north/west of Dallas. When I arrived at the bar there was a curtain in place that hid the wrestlers from the audience. My curiosity took hold of me which caused me to take-a-peek through the curtain. When I looked, I saw some country boys sitting around the wrestling ring drinking beer and being entertained by other wrestlers before my match.

The Tennessee Mountain Man

Before long it was my turn to wrestle. I opened the curtain, ducked under the ropes and entered the ring. Then came my opponent. He was about 6ft, 5 inches tall and weighed about 350lbs. He had long shaggy hair, beard and was dressed in black. I can't remember his stage name, so I'll just call him the Tennessee Mountain Man.

When the bell rang the Mountain Man came after me with his arms opened wide. I screamed a few words, then ducked under and started running the ropes. Back in those days I could move quickly especially if somebody as big as him was chasing me. Before long, the Mountain Man and I were locked up and wrestling Headlocks, elbow chops,

body slams you name it. But eventually the Tennessee Mountain Man was too much for me to handle. Finally he pinned me to the ground and the match was over.

Well, let me now tell you the “dirty” secret to my first and last ever, professional wrestling match. The Tennessee Mountain Man was actually my trainer, Doug Jr. The whole event was staged! Nevertheless, the country boys sitting around the wrestling ring drinking beer had no idea that they had just been deceived!

Working in Cahoots

Unfortunately, the type of deception that is found in a professional wrestling match has now made its way to all facets of society, especially politics!

In less than a year, the American people will be going to the polls to vote for the man they want to be their president for the next four years. Before the election, however, expect several heated debates between the two candidates. They will appear to be fierce opponents of each other. But the truth is, they are actually working in cahoots!

In November, most Democrats will end up voting for Joe Biden, even though he is a morally corrupt individual that has been destroying our nation through his open border policies which line up perfectly with the goals of the globalists (Zionist Jews) to destroy all national boundaries. Biden is also a gun grabber which also lines up with the goals of the globalists (Communists). An armed population is a huge threat to them, especially one that is full of AR-15 rifles!

On the other hand, most Republicans will be voting for Donald Trump if he is the nominee. Trump is also a morally corrupt individual, but he is also a Zionist puppet. Don't forget that he played a major role in pushing the Covid vaccines on the American people and the world. Millions of people, including conservatives that put their trust in him are now in their graves or extremely sick because of the jabs. “Operation Warp Speed” was also part of the globalists plan to depopulate the planet. And it appears Donald Trump was the perfect man for the job.

Trump is also a master at causing division. The Communist Jews love division because a divided people are much easier to conquer!

So hear me out: It doesn't matter who the next president of the U.S. will be, because they both work for the same people (Zionist Jews). And their goal is to lead us all like cattle into the arms of their king (the Antichrist) and his One World Government. It's all staged!

Side note: In 1950 the Jewish banker James Paul Warburg stated to the U.S. Senate: “We shall have world government whether or not we like it. The only question is whether world government will be achieved by conquest or consent.”

Prepare for the Storm

By Rob Pue

Luke, Chapter 21 is an interesting area of Scripture that deserves our study. More study than I will have time to go into in this message. It begins with the disciples admiring the beauty of the temple, and Jesus telling them that there will come a day when not one stone will be left upon another. The disciples asked Him when this will happen.

And then Jesus speaks of false christs and how many will follow after them. He speaks of wars and rumors of wars, but says that **“these things must first come to pass; but the end is not by and by.”**

And then starting at verse 10, we read, **“Then said he unto them, Nation shall rise against nation, and kingdom against kingdom: And great earthquakes shall be in diverse places, and famines, and pestilences; and fearful sights**

and great signs shall there be from heaven. But before all these, they shall lay their hands on you, and persecute you, delivering you up to the synagogues, and into prisons, being brought before kings and rulers for my name's sake. And it shall turn to you for a testimony. Settle it therefore in your hearts, not to mediate before what ye shall answer. For I will give you a mouth and wisdom, which all your adversaries shall not be able to gainsay nor resist. And ye shall be betrayed both by parents, and brethren, and kinsfolks, and friends; and some of you shall they cause to be put to death. And ye shall be hated of all men for my name's sake. (Luke 21:10-17).

In verse 20, He says, *"And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh."* Jesus goes on to describe the destruction of Jerusalem, which we know took place in the year 70 A.D.

This chapter of Luke describes not only the destruction of Jerusalem in 70 A.D., but also the last days before Jesus' Second Coming. I believe He often explained things that would be taking place soon right alongside things that would be taking place at His Second Coming.

Luke 21, He goes on to describe His Second Coming starting in verse 25: *"And there shall be signs in the sun, and in the moon, and in the stars; and upon earth distress of nations, with perplexity, the sea and the waves roaring; men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. AND THEN SHALL THEY SEE THE SON OF MAN COMING IN A CLOUD WITH POWER AND GREAT GLORY. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."*

In verse 29, Jesus tells them the parable of the fig tree-how when we see the tree begin to start budding, we know that summer is near. And then He says, *"So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand. Verily I say unto you, This generation shall not pass away, till all be fulfilled. Heaven and earth shall pass away: but my words shall not pass away."*

Are You Ready?

Then the warning for us to be prepared for His coming: *"And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and the cares of this life, and so that day come upon you unawares. For as a snare shall it come on all them that dwell on the face of the whole earth. Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."* (Luke 21:34-36).

Obviously, He was speaking not only of the destruction of the city and the temple in 70 A.D., but also His Second Coming...because the generation that saw the temple destroyed did pass away, and like Christians in every generation, they did suffer great persecution first.

But Jesus spoke of a generation of people on the earth that would witness His Second Coming firsthand, and His Second Coming would be preceded by signs in the sun, moon and stars, distress of nations here on earth, with perplexity. The sea and the waves roaring. Men's hearts failing them because of fear. Famines, pestilences. The powers of the heavens are shaken. And THEN they see the Son of Man coming on a cloud with power and great glory. That didn't happen in 70 A.D., but it WILL happen when Jesus returns.

We're admonished to pay attention to the signs leading up to His coming, like the fig tree, and when we see all those things taking place. To be ready for that Great and Terrible Day of the Lord. We're also told that this day will come as a snare on all who dwell on the face of the earth-most will be paying no attention to the most important things. Instead, they'll be caught up with carousing, drunkenness, and hearts weighed down with the cares of this life. Most will be unprepared. Have you tried to explain the truth of what's been happening to someone who knows nothing about the Globalist agenda? You'll find they don't care at all. In fact, they think you're crazy. Just as the devil and his demons hope for. Distracted by the cares of this world, carousing, entertainment (sports), luxury and ease...yet Jesus said His coming will be a "snare" on all who dwell on the face of the whole earth.

Yes, we'll be seeing signs in the sky-in the sun, moon and stars. The sea will be roaring. Men's hearts will be failing them for fear. Distress of nations with perplexity. This reads like every day's headlines now. I'm sure many

generations saw their now days in these words, but never before have we seen the “buds” of the “fig tree” so ready to burst forth with fruit as we see every day now.

So we must prepare spiritual and physically. Jesus told us what’s coming. He gave us the “weather forecast” and told us what to expect and that we should prepare. If we’re caught in a “snare” like the rest of the world when the storm hits, we’ll have no one to blame but ourselves. The time for preparation is now-before the storm. Here’s how we can prepare spiritually: First, review your commitment to Jesus and draw closer to Him. 2 Corinthians 13:5 **“Examine yourselves, whether ye be in faith; prove your own selves.”** If you have willful sin in your life, repent and turn away from it. Also pray without ceasing. (1 Thess. 5:17). Be in constant communication with the Father, through the Son and Holy Spirit. Be in such close contact that you need only utter a “thought” to the Lord and you KNOW that He not only hears you but is ready and willing to answer every prayer.

As we pray without ceasing, we should also maintain a prayer journal and an intercessory prayer list, praying for family members, neighbors, friends, co-workers, and others. Pray for their physical needs, but more importantly, their spiritual needs, that they may come to know Christ as Savior and that you may have an opportunity to lead them to Him. This is the will of God. —Rob Pue- Editor Wisconsin Christian News

Conspiracy Alert!!!

Have you ever drove past a Masonic Lodge and wondered why there are no windows in the building? Well, now we know why!

On November 16, an independent journalist named Kyle Clifton began posting a series of video clips he made while attending a highly secretive Masonic ritual. Filmed with a concealed camera, his footage documents the induction ceremony of a third degree Master Mason, which is the highest degree of Freemasonry in the Blue Lodge, before members can choose to deepen their membership through more specific routes such as in the Scottish Rite. One of the videos has been viewed more than 7 million times on X, formerly known as Twitter.

Clifton said in a recent interview that when he was 18 years-old he decided he wanted to expose Freemasonry because he believed it to be influential in much of the evil in the world. He explained that as a young man he was asking questions such as: “Why is the world the way it is? Why is there so much degeneracy in this world? Who’s pushing this propaganda?” The more he researched “it was like everyone was pointing to the Freemasons.”

“I went down to a local Freemason Lodge and I befriended some of them and got into it. But then I realized I was a little bit over my head with it all,” Clifton said.

Clifton’s videos provide evidence of the fiercely guarded secret rituals, including the mock execution ceremony, profession of the Masonic oath and the mimicry made of Christianity throughout the rituals.

The Masonic ritual is built on the recounting and re-enactment of details from the life of Hiram Abiff-believed to be the chief architect of King Solomon’s temple, who in Masonic lore was murdered by junior stone-masons demanding his information. The Old Testament records a craftsman named Hiram working on Solomon’s temple, though does not present him as the chief architect nor gives any record of his apprehension and murder. Clifton said he was shocked to learn how much of Freemason rituals come from ancient Jewish Talmudic teachings.

Lucifer is the god of the Freemason lodge. When an individual enters the lodge and starts heading east towards the light, it's Lucifer that is giving them the light. So as they work their way up in degrees eventually they become like Lucifer. And we know he has come to steal, kill and destroy! (John 10: 10).
