"And all that dwell upon the earth shall worship him, whose names are not written in the book . . ." (Revelation 13:8).

Dear friend,

July 2024

The next six months promises to be a wild rollercoaster ride in America. We have no idea who the next President will be. It is "very" possible that Donald Trump will end up going to jail for his 34 felony convictions he received in his New York hush money trial in May. This would open the door wide-open for others to become the Republican nominee. That includes a woman!

Christians can also expect the Devil to pick up pace in the next six months too. He knows his days are short. But God is still on the throne and working behind the scenes to help His people win the war. In this edition of *Tribulation Watch Newsletter* we show how God is moving in our behalf.

God bless you!

Bro. Matt Tiemann

"We will have a female President."

-Nikki Haley

Did you know the Ten Commandments are back in the public schools?

In June, Louisiana has become the first state to require that the Ten Commandments be displayed in every public school classroom under a bill signed into law by newly elected Republican governor, Jeff Landry.

The legislation "mandates" that a poster-sized display of the Ten Commandments in "large, easily readable font" be required in all public classrooms, from kindergarten to state-funded universities.

The Louisiana House overwhelmingly passed the bill in April, and the state Senate followed suit in May. Both votes largely fell along party line in the Republican controlled chambers.

Opponents question the law's constitutionality, warning that lawsuits are likely to follow. "The First Amendment promises that the people decide for ourselves what religious beliefs, if any, to hold and practice without pressure from the government," the Louisiana chapter of the American Civil Liberties Union, the Freedom from Religion Foundation and the Americans United for Separation of Church and State said in a joint statement after the law was passed.

Governor Landry has stated that he welcomes the fight! The poster would be paid through donations-state funds will not be used to implement the mandate.

THE GATEWAY TO HELL

Editor's note: The following is the horrifying story of a lady named Cindy Clemishire, 54 who was molested by mega Pastor Robert Morris starting when she was twelve-years-old in the early 80's. Instead of going to prison for years, Morris built Gateway Church, which is one of the largest mega-churches in America with a hundred thousand

members. He was also one of Donald Trump's spiritual advisers. Thankfully this past month Pastor Robert Morris was forced to resign Gateway because Cindy decided to come forward and share her story with the world!

In 1981, Cindy and her family met Robert Morris at a youth revival in Tulsa. He was a twenty-year-old traveling evangelist married to Debbie, his current wife. Cindy was eleven years old. Her family was involved in many evangelistic events, and they were active in the church. Morris was invited to do a youth revival in her hometown of Hominy, Oklahoma. After that, he began to regularly preach at their church on Sundays. He would often stay at her home and sometimes bring his wife, Debbie, and their little boy, Josh. Robert and Debbie Morris quickly became family friends, and Cindy viewed them as safe and friendly. The families would often go on trips with each other.

All that changed for Cindy on 12/25/1982. Yes, Christmas night. The Morris family came to visit and spend some time there. Cindy sat in the back seat of the car with Robert. He asked her to visit him in his room that night. She shared a room with her sister. Cindy, an innocent twelve-year-old girl, movingly described what she was wearing.

She thought nothing of visiting a family friend in the bedroom. She had no idea she was about to be molested by the youth pastor she had learned to trust. He warned her: *"Never tell anyone about this because it will ruin everything."* She returned to her bedroom and didn't tell her sister what happened.

Robert Morris repeated this behavior for four years until March 1987. This would happen in Oklahoma and in Texas when Cindy's family would stay at the Morris's home. Her father donated money to Robert's ministry, not realizing what was happening to his daughter.

Morris wanted to make out and engage in heavy petting. He reportedly told his wife Debbie he was "counseling" Cindy. Cindy wondered if Debbie was in denial about what was happening.

Things changed when she turned sixteen. He would take her out in his car and attempt to have sexual intercourse. By this time, Morris was a pastor at Shady Grove Church, which would eventually become Gateway Church-Grand Prairie, Texas Campus.

Morris Admits Wrong Doing

Cindy confided in a close friend (G.F.) who knew both families. Her friend said she needed to tell her parents. Her father was angry and called the head pastor of Shady Grove Church to report Morris. He demanded that Morris get out of the ministry, or he would call the sheriff. Morris reportedly stepped down from ministry for two years.

Cindy received a call from Debbie Morris (Robert's wife), who told her that she "forgave her." Debbie is a mother. It is inconceivable to me that a mother would blame a 12-year-old child for her husband's abuse. Cindy believes that Robert Morris might have told Debbie it was "Cindy's fault!" Cindy said things fell apart at this point. Their circle of family friends was no more.

Two years later, Robert returned to Hominy with Debbie, allegedly with James Robison's blessing. The pressure was on, and Robert Morris was aiming for the big time. They told her father that he wanted to get back into ministry. At that point, her father washed his hands of Morris and no longer interacted with him.

In a recent statement with the Christian Post, Morris said: **"When I was in my early twenties, I was involved in inappropriate sexual behavior with a young lady in a home where I was staying. It was kissing and petting and not intercourse, but it was wrong. This behavior happened on several occasions over the next few years."**

In her own statement to the Christian Post, Cindy said she was "appalled" at the description of her as a "young lady" instead of a 12-year-old-girl. Cindy also said the repeated abuse had taken decades for her to process. She said her family had threatened Morris with the police and later considered filing a lawsuit. —*The Wartburg Watch. com*

Gateway to Hell

The Bible says, *“This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, UNHOLY, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; HAVING A FORM OF GODLINESS, BUT DENYING THE POWER THEREOF: FROM SUCH TURN AWAY. (2 Timothy 3:1-5)*

Today’s mega-churches such as Robert Morris’s Gateway Church and thousands of others across America fit perfectly in the preceding Scripture prophesied by the Apostle Paul two thousand years ago. The church today, especially the mega-churches have become **“The Gateway to Hell”** for millions of gullible so-called Christians in America. These churches such as Gateway are UNHOLY churches lead by unholy men that preach a weak, “powerless” watered down “unlimited grace gospel” that can’t set anyone “free” from their sins like Jesus said He could do. *“If the Son therefore shall make you free, ye shall be free indeed.” (John 8: 36)*

Mega-churches across America are helping to destroy souls instead of saving them. In fact, Rick Warren the Pastor of Saddleback mega-church in southern California says the most destructive thing that you can say to a person is to call them a sinner. Warren also believes there is no need for one to recognize his own sin, no need for crucifixion of self.

Entertained to Death

Many years ago I was called to do some paint contract work for one of Robert Morris’s Gateway churches in the north Texas area. When I entered the church I quickly realized this was nothing but an entertainment center disguised as a church. I found indoor basketball hoops, pool tables and a coffee shop. I couldn’t believe my eyes. Of course, these things are much more attractive to the youth of today than the old country church with a steeple.

Satan is slick! Another tool that mega-churches such as Gateway are using to increase their numbers and make themselves rich, is contemporary rock music which brings in “false fire!” Even though Christian lyrics are being used, the hard drumbeat of the music in these churches is doing nothing more than arousing the emotions of the people, but “not” feeding their souls. The American Indians, the voodooists in Haiti, and the medicine men in Africa all beat the drums to bring down the spirits. But these spirits are not of God. They are actually devils!

One of the major denominations in America that have strayed off the old path of true holiness and has embraced the mega church platform is the Nazarenes. In the 1920’s and 30’s the Nazarenes were known as the “Noisarenes.” They were nicknamed this because of the shouting that took place in their worship services. These true Christians sang the “old time” hymns without the use of drums or heavy metal instruments in their services. They didn’t need them. They were “Holy” people with “Power” from God which only comes when people are practicing the true doctrines of the Bible, which includes repentance, born again, death to self, and holiness which is the only way to heaven! *“Follow peace with all men, and holiness, without which no man shall see the Lord.” (Hebrews 12:14.)*

Final comment: It is safe to say that 95% of the mega-pastors in America are Freemasons (witchcraft cult). They say one thing with their mouths and another with their hands. So be careful who you’re listening to. Especially on T.V.

Conspiracy Alert!!!

On May 30, 2024 jurors in New York state court found Donald Trump guilty on all 34 felony counts of falsifying business records to cover up hush money payments to a porn star with campaign funds (130k). So, the man that says he’s going to “Make America Great Again” is actually a whoremonger and a felon. These may be strong words, but truth is truth!

On July 11, Trump is scheduled to be sentenced. He could get probation or be sentenced up to four years in prison for each felony charge. So with this in mind, I can see two scenarios come to play here. First, Donald Trump will get probation and continue on the path for being elected President in November. Second, Trump could be sentenced to prison time. If this happens he will be knocked out of the race and the door will open for others to become the

Republican nominee.

I'm leaning more towards the second scenario than the first. The reason is, if Donald Trump gets away with 34 felony counts without spending a day in jail than what is that saying about the justice system in New York State. Trump, has also been name-calling after the verdict. He's called everybody (judge, prosecutors, jury) but himself crooks and devils. Not too smart, especially when they're the ones that will be sentencing him.

If Trump goes to jail and gets knocked out of the 2024 Presidential race, than next-in-line is Nikki Haley who was the only female candidate in the Republican race. Haley was the last candidate to exit the race after Donald Trump won most of the states in the Republican primary race. So it stands to reason that she could become the nominee during the Republican National Convention which takes place (July 15) just days after Donald Trump is scheduled to be sentenced on July 11.

Who is Nikki Haley?

Nikki Haley was born January 20, 1972 in Bamberg, South Carolina. Her original name was Nimrata Nikki Randhawa. Her parents were Indian immigrants which migrated to America (South Carolina) in the early 1960's. They were practicing Sikhs, a religion of India that believe and worships a genderless god named Wahegura. Nikki Haley was raised a Sikh but now claims Christianity.

Her parents owned a small foreign goods store that evolved into a hugely successful clothing and gift venture. She began working there while still a teenager, and, after studying accounting at Clemson University. In 1996 she married Michael Haley, who later served in the National Guard and was deployed during the Afghanistan War. In 2004 Nikki won a seat in the state House of Representatives, campaigning on a traditional Republican platform that included tax cuts, immigration controls, and abortion restrictions. She took office the following year and was reelected in 2008.

In 2010 Haley ran for governor of South Carolina, earning the backing of the Tea Party movement, notably Sarah Palin. It was a bitter campaign-with Haley being subjected to racial slurs and accusations of infidelity-but she defeated more experienced candidates in the primary and went on to win the general election.

In 2015 Haley attracted national attention after Dylann Roof, a white man, opened fire during a Bible study meeting at Emanuel African Methodist Episcopal Church in Charleston, killing nine African Americans. Roof later claimed that he had hoped to start a race war, and in the ensuing weeks pressure mounted to remove the Confederate flag-perceived by some as a symbol of racism-from the State Capital. Although she had earlier dismissed calls to remove it, in the wake of the tragedy Haley successfully led an effort to have the flag taken down.

In November 2016, however, President-elect Trump selected her to serve as the U.S. ambassador to the United Nations. Despite having limited foreign-policy experience, she was easily confirmed by the Senate in January 2017 with a vote of 96 to 4. Immediately thereafter she resigned as governor of South Carolina.

Warning: Many Bible scholars and students believe that America is Babylon the Great, which can be found in chapter 18 of the book of Revelation. And it appears that Babylon the Great elects a woman (queen) before she meets her fiery judgment. Let's read: *"...for she saith in her heart, I sit a QUEEN, and am no widow, and shall see no sorrow. Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her."*(Rev. 18:7-8)
