"And all that dwell upon the earth shall worship him, whose names are not written in the book . . ." (Revelation 13:8).

Dear friend,

September 2026

On August 3, 2026 I boarded a plane from DFW airport to Washington DC for a four day unexpected mission trip. It was a chance of a lifetime. Just me and Jesus! The whole trip was orchestrated by God through His Holy Spirit which helped me preach three open-air messages of repentance to America. The first was in front of the Capital building. The second message was preached in front of the Lincoln memorial. On the final day (Aug. 6th), the Holy Spirit led me to the corner of 1600 Pennsylvania Ave. (White House) where He helped me preach a 20 minute message of repentance to America and President Trump. I share details of the trip and the message in this edition of *Tribulation Watch Newsletter*.

God bless you!

"I ain't got no time for fear"—(The Truth Conductor, Washington DC)

Did you know the government wants the people to fear them?

During my four day mission trip to Washington DC in early August, I met some interesting characters that I will never forget. I will never forget the Donald Trump impersonator who held my Repent America sign with the White House and Washington monument far in the background. This fellow was much shorter than Trump, but the mask he had custom made was a perfect look-a-like. He also had Trump's hand gestures and moves down perfect too.

Another character I came across was Billy the "Trump Hat" salesman. He was a black man who appeared to be in his 70's. I asked Billy how he felt about President Trump. He told me he loved him. I did learn a few things from Billy. He pointed out the sniper nest that was on top of the White House. I even saw a sniper walking around on the roof. He also shared with me the best way to sell Trump hats. Billy told me he would hold the most popular hat (Trump hair hat) in his hand and hide the rest in a bag. He would then tell people he only had one left. So the person would buy it because it was the last one. Billy admitted to me that he was a liar. But he wasn't quite ready to repent!

Oh, I can't forget Imi the homeless man from California who travels around different cities warning people about the dangers of Islam. He held a homemade sign that said: SUBMISSION=ISLAM=SEXUAL SLAVERY+DEATH CULT.

The Truth Conductor

Yes, I came across many characters on my four-day mission trip to DC. But Mr. Don Folden (The Truth Conductor) stood out the most. Like Billy the Trump hat salesman, the Truth Conductor knew how to make \$1 too, but he did it by telling the truth according to what he believed was the truth.

Mr. Folden has been a resident of DC for over fifty years. He's an outspoken fellow that wears a vintage train conductor hat. He claims: the government is spreading fear amongst us. For the past six years he has set up his little

wheeled cart, umbrella, speaker and microphone near the White House park. Attached to the front of his cart is a sign that reads: STOP HATING EACH OTHER, BECAUSE YOU DISAGREE.

The Truth Conductor made his money by playing the national anthems of visitors of all different nations that came to see the White House. After their anthem was finished most would joyfully walk over and hand him an offering. He was always counting his money. He would then get on his microphone and trash the DC ice cream trucks for being unsanitary, Trump's construction fence and the National Guard. He claimed there are 5000 National Guard members with guns walking around DC doing absolutely nothing. He wants Trump to take down the construction fence and put the National Guard in the White House Park. He claimed the fence is normalizing fear. Well, I don't believe the Truth Conductor was a Christian because some of the words I heard come out of his mouth. However, he was not afraid to speak out and warn the people. He had no fear of the National Guard, Secret Service or the government. The only thing he feared was the ice cream trucks.

Repent America!

Return to Jesus!

Side note: The following is an edited open-air message by Bro. Matt Tiemann calling on America and President Trump to "Repent" and return to Jesus. It was preached at 1600 Pennsylvania Ave. (White House) Washington DC Aug. 6, 2026.

Isaiah 55:6-7 *"SEEK ye the Lord while he may be found, CALL ye upon him while he is near: Let the wicked FORSAKE his way, and the unrighteous man his THOUGHTS: and let him RETURN unto the Lord, and he will have MERCY upon him; and to our God, for he will ABUNDANTLY PARDON."*

"America! This is a call to Repentance. This is a call to Return back to Jesus. America, when you were a young nation you loved God. You put your trust in God. And you became a blessing to the whole world. But you have turned from your God, the God of Abraham, Isaac and Jacob. You have forsaken your God. And now instead of loving God, you love yourselves. America this is a call to Repentance, this is a call to Return back to Jesus!"

Homosexuality- "America you must Repent for your homosexuality. The Bible says that homosexuality is an abomination to God (see Leviticus 20:13). It is an abomination for a man to lie with a man and a woman to lie with a woman. America turn from this wickedness. Turn from this evil. You have embraced it. You have promoted it. And now you are proud of it. You are proud of being gay. You are proud of being transgender. You are proud of being non-binary. America your gonna be judged. The Bible says: *"The wicked shall be turned into hell, and all nations that forget God (Psalm 9:17).* You have forgotten God America. You have forgotten God! Jesus was your first love. You became the greatest nation in the whole world because you put your trust in Jesus. But now you have forsaken Him. And instead of being a blessing to the world you are now becoming a curse to the world. America Repent and return to Jesus."

Abortion- "America repent of your abortions. Sixty million babies have been murdered since 1974. Sixty million babies, that blood is on your hands. And judgment is coming, your cities are going to burn because of this evil you have committed against children. Their blood is crying out from the ground. You have bloody hands America. You have bloody hands. Repent America because of this evil. Repent and return to Jesus!"

Idolatry - "America repent of your idolatry. You have now embraced strangers, they have come into your land. And they have brought their gods with them. Their gods did not bless their lands but they are coming here for the

blessings that God gave you because you served Jesus when you were young. That is our foundation. America the foundation has been destroyed! Do you hear me America. Do you hear me Donald Trump. I know you live on this street. America the foundation has been destroyed! America repent of this evil, turn back to God. Turn back to your first love. You put your trust in God when you were a young nation. But now you have put your trust in yourselves. You have become lovers of yourselves instead of lovers of God. Instead of worshipping God, you worship your sports heroes. Those that can run, jump and play. They have become your gods. America listen to me, judgment is at the door. Judgment is coming. Your cities are gonna burn. They are already burning. America Repent! Donald Trump repent of your sins. **He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy (see Proverbs 28:13).** God wants to have mercy on you America. God doesn't want to judge you. He wants to have mercy on you. But we must repent and return to Jesus."

Pornography- "America you have become a wicked nation. You have become full of pornography. Thirty years of unchecked internet pornography. Your children are looking at it. Your young people are looking at it. Adults are looking at it. As a result, divorce, suicide, murder! America you are committing evil against God. Jesus said if you look at a woman and lust after her you have committed adultery. America you have committed adultery against God. Repent, return to Jesus."

Drunkenness- "America repent for you drunkenness. You have become a land of drunks. Drinking, partying, and you have mixed it all in with your idolatry, your sports. America this Bible says that drunkards will not enter the kingdom of God. (1 Corinthians 6:9-10). But you have become a nation of drunks. America Repent! Repent of your drunkenness."

Nakedness- "America you have now become a nation of nakedness. When you were young, you were a righteous nation. When you put your trust in God, you were a modest nation. Your women wore dresses and your men wore pants. But now your women wear pants and your men wear dresses. This is an abomination to God. The land is polluted. Your beaches are polluted with your nakedness. The cities are polluted with your nakedness. Repent, return to Jesus."

Corrupted Youth- "America your youth have been corrupted by your education systems. When you were a young nation you taught your children through the Bible. But you have rejected the Bible. You have kicked Jesus out of the schools. You have kicked Jesus out of our government. The end result is corrupted youth. Your youth are godless. We wonder why there is violence everywhere. We wonder why there is killing everywhere. It is because they have been corrupted. It is because you have left your first love America. I'm telling you repent Donald Trump. Repent Congress. Repent senators. Judgment is at the door. God's cup is full! His wrath is about to be poured out upon you America. And like I said He doesn't want to. He still loves you. There is still good people here that are holding on. America you must repent and turn back to Him."

Serving Other gods- "America you must repent for serving other gods. You had one God when you were a young nation. One God and he has a son Jesus Christ. **"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."** (John 3:16). America you put your trust in Jesus when you were young. But now you are serving other gods that can't help you. They are coming from all nations and they are building their temples right here in this land that we call the land of the free. They are bringing their gods here, their temples and America you are turning to them instead of turning to God, instead of turning to Jesus Christ. Please, Please repent for the kingdom of Heaven is at hand. Return to Jesus!"

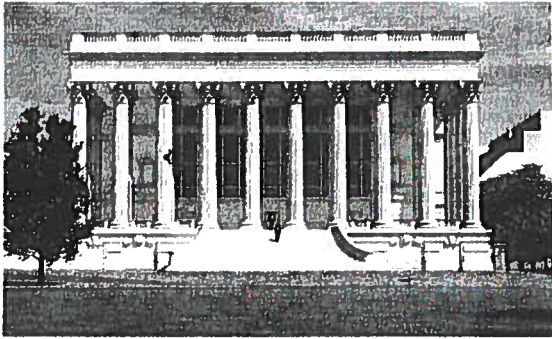

Lukewarm Churches- "America the churches have become lukewarm. When you were young your pastors preached out against sin, they preached out against wickedness, they preached out against drinking. But now you

have corrupted pastors that are doing the same thing as the people. The Devil has turned the table on the churches, and now he is using the churches to destroy souls instead of saving them. Your churches have become an apostasy to God. Repent America and return to Jesus."

Corrupt Leaders-"And finally America you are electing leaders that should not be elected. You are electing wicked men, vile men, corrupt men. You didn't do that when you were young. You elected men with integrity. I'm here to tell you that you are electing corrupt men. Right down the street is the first convicted felon to become president of the United States of America. You elected him to lead you. The people follow the leaders! That's why we have become a corrupt nation, because our leaders are corrupt. So I'm calling right now to you Donald Trump. You're the leader of this country. Donald Trump, I don't know if you can hear me down there. But you are the leader of this country. It starts with you Donald Trump! Repent, return back to Jesus and he will forgive you. So America, I'm begging you, I'm crying out to you. I'm warning you that judgment is coming soon. God's cup is full of His wrath. Repent and return back to Jesus."

Side note: The full 20 minute open-air message (**Warning comes before Destruction**) that Bro. Matt Tiemann preached on the corner of Pennsylvania Ave. Washington DC is posted on his website: **savedsaved.com**.

Conspiracy Alert!!!

While standing behind the black fence that surrounded the White House I could see two giant cranes far off in the distance. One of the cranes was constantly in motion working to build Trump's 90,000 sq. ft. ballroom which some compare to Solomon's Temple. We do know the head architect of the project is a Jew named Shalom Baranes. So is Trump's ballroom a replica of the Third Temple many Jews in Israel desire to build on the Temple Mount? Unfortunately, everything is speculation at this point in time. However, there are some things we do know for sure about Trump's ballroom.

We do know Trump's massive ballroom will be decked with gold and will hold up to a thousand guests. But what is being built directly under the new ballroom remains quite a mystery. Trump has referred to it as a "military complex", and the estimated cost will be over 400 million when completed.

Trump's Survival Bunker

So why is this all being done now, especially during our 250 year celebration. Why are they working nearly around the clock (20 hours a day) to build Trump's ballroom. These are the kinds of questions that people are asking. Because we don't have a lot of information about the survival bunker that is being constructed, it has spawned a tremendous amount of conspiracy theories and speculation.

Back in January, Trump admitted that "the highest levels of the United States Military and Secret Service" were involved in the design of the facility. But Congress (*We the People*) has not approved it. So why is it suddenly necessary to build a gigantic underground bunker that could potentially hold hundreds of people under the White House? Are they expecting some kind of disaster such as a nuclear war or a giant asteroid to hit the earth? Or maybe it will be a cool place to hide when God turns up the heat on all those that take the mark of the beast during the Great Tribulation (see Rev. 16: 9). We do know that the AC units will be placed inside Trump's ballroom complex instead of being placed on the roof. Well, it is hard to tell at this time. But it is obvious that the Trump administration is preparing for something really big to happen in the next few years. And it would behoove us all to pay close attention.

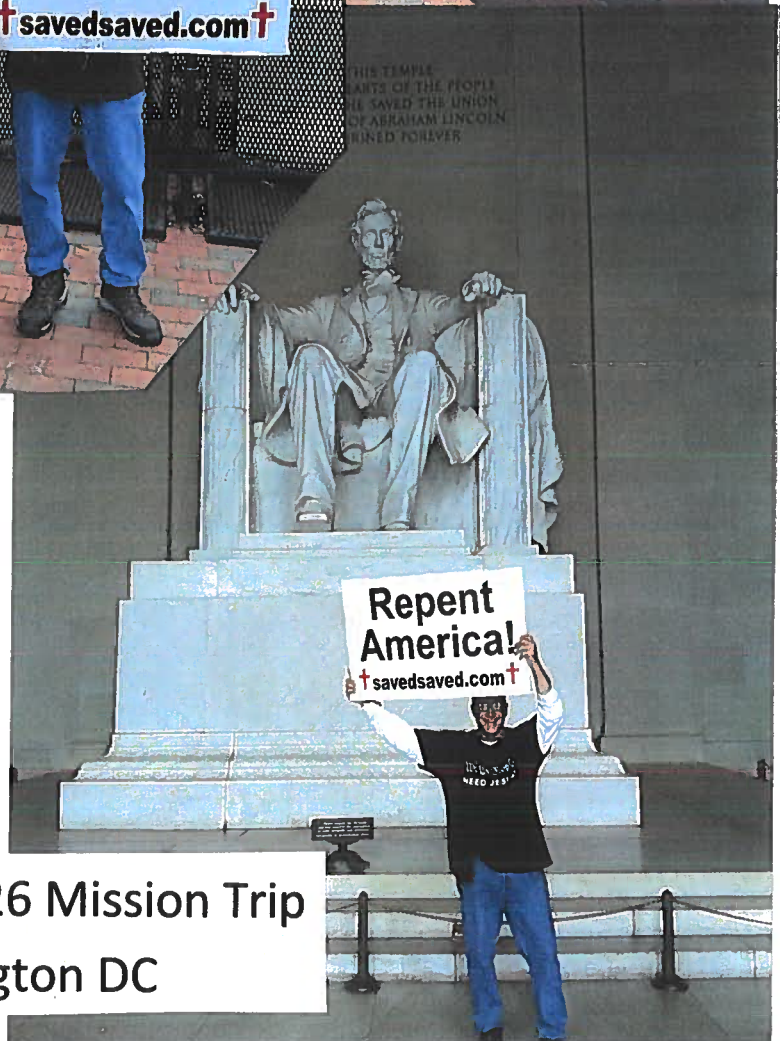

God bless you friend. Draw near to God. There's no time for fear!
