

# Tribulation Watch Newsletter

“And all that dwell upon the earth shall worship him, whose names are not written in the book . . .” (Revelation 13:8).

Dear friend

February 2025

On January 20, Donald Trump was sworn in once again as the 47<sup>th</sup> president of the United States. He started his speech with these words: “The Golden Age of America begins right now.” He also said during the speech that God saved him from an assassin’s bullet to make America great again.

Over the past four years the American people have witnessed President Joe Biden shake his fist in God’s face by promoting wickedness and perversion of all kinds. And it appears America is now under judgment because of it. Will Donald Trump bring America back to God or will he continue down the same path of moral destruction as the Biden regime. We will answer that question in this edition of *Tribulation Watch Newsletter*.

God bless you!

Bro. Matt Tiemann

“The wicked shall be turned into hell, and all the nations that forget God”

Psalms 9:17

**Did you know** that Donald Trump’s pick for Secretary of Treasury is an open homosexual and protégé of George Soros, the billionaire investor and Democratic mega donor?

Donald Trump’s nominee for secretary of the treasury, Scott Bessent, who lives in Charleston, South Carolina with his husband and family, is the first Senate-approved homosexual (sodomite) member in a Republican cabinet.

After his landslide MAGA victory over Kamala Harris, Trump announced his intention to nominate billionaire hedge fund manager Scott Bessent to be secretary of the treasury, after he helped raise millions of dollars for Trump’s campaign for president. If confirmed by the Senate, his signature will be on all paper currency.

Trump praised Bessent as “one of the world’s foremost international investors and geopolitical and economic strategists”, adding: “Scott’s story is that of the American dream...together, we will make America rich again, prosperous again [and] affordable again.”

Scott Bessent is 62-years old and graduated from Yale University with a degree in political science in 1984, and joined the George Soros Fund Management in 1991, rising to become a partner in the business. He resigned from SFM in 2000 to start his own hedge fund, which closed in 2005. Bessent went back to SFM and worked there until 2015, then left again to begin a new firm, Key Square Group.

Key Square Group lost money until 2021, but started making gains after that. However, its assets have shrunk from a high of \$5.1 billion in 2017. According to Forbes, KSG had less than \$600 million in assets under management as of the end of 2023. Bessent said he will sell his stake in the company if he’s confirmed.

As part of the confirmation process, Trump’s pick for treasury secretary has disclosed that he has assets worth at least \$521 million, including a home in the Bahamas and art and antiques worth \$1 million to \$5 million. He also has more than \$50 million in U.S. Treasury bills, plus significant “cryptocurrency” investments. In total, he’s believed to have a net worth of at least \$1 billion.

## The Pink Palace

Scott Bessent and his so-called husband John Freeman are raising two young children which they attained through surrogacy. The family literally lives in a “pink” mansion in Charleston, South Carolina. The mansion was purchased in 2016 for \$6.5 million. It has eight bedrooms, 10 bathrooms, and is known as the “Pink Palace.” However, the family may be moving soon. The house is currently on the market for \$22.25 million, according to the South China Morning Post.

In a 2015 interview with Yale Alumni Magazine, Bessent spoke about their surrogacy journey. In the interview Bessent said: “In a certain geographic region at a certain economic level, being gay is not an issue. What’s fantastic is now, people in the rest of America, whether blue collar or white collar, have access to everything. If you told me in 1984 when we graduated and people were dying from aids that 30 years later I’d be legally married and we could have children via surrogacy, I would not have believed you.”

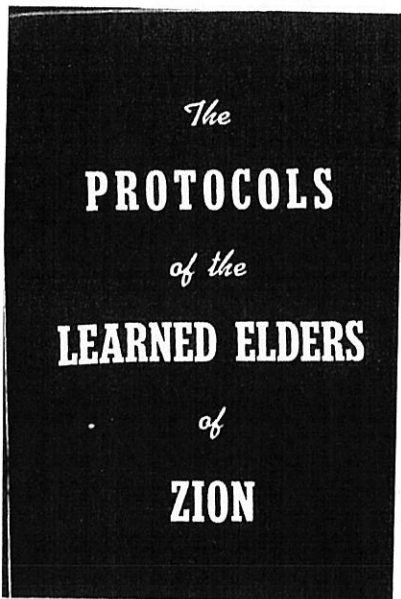

The previous Trump administration unilaterally denied the marriage status of LGBTQ +couples. Under the policy all children born to LGBTQ +married couples were labeled as being born “out of wedlock” by the State Department. And in April 2024, a Trump advocate –Michael Knowles-called surrogacy “evil” and said anyone involved should be imprisoned for life “at least”-appearing to hint that the death penalty should also be used.

Final comment: It appears in his second term Donald Trump will be promoting members of the homosexual community to make America great again. However, the Bible tells us it will bring judgment upon us all! (See 2 Peter 2:6)

# If I was the Devil!!!

Editor’s note: The Devil’s goals in the following article come from the Protocols of the Elders of Zion. The Protocols were published in 1905. The book is a blueprint for world takeover by a secret international organization that has been in existence for many centuries, the Illuminati. The head of this organization is Satan, or Lucifer, the angel cast out of Heaven by God.

In Revelation Ch. 12, we read about a war that takes place in Heaven between Michael and his angels, and the Devil and his angels. The Devil lost the war! Therefore, Satan and his angels (demons) were cast out upon the earth. Let’s read: “WOE TO THE INHABITERS OF THE EARTH AND THE SEA! FOR THE DEVIL IS COME DOWN UNTO YOU, HAVING GREAT WRATH, BECAUSE HE KNOWETH THAT HE HATH BUT A SHORT TIME....” “AND THE DRAGON WAS WROTH WITH THE WOMAN, AND WENT TO MAKE WAR WITH THE REMNANT OF HER SEED, WHICH KEEP THE COMMANDMENTS OF GOD, AND HAVE THE TESTIMONY OF JESUS CHRIST.” (Rev. 12: 12, 17)

After studying Rev. Ch.12, I thought to myself: “what would I do if I was the Devil and was cast out of Heaven to the earth?” Well, the first thing I would do is send my devils to seek out the most evil rich men they could find. That includes bankers, aristocrats and kings. I would give them power to control the entire world. They would become my chosen people, such as ancient Israel was to God. I would guide and lead them in the direction I wanted them to take. (See Protocol No. 1)

If I was the Devil, I would set up Masonic Lodges all over the world. That would include all countries, cities and communities. I would then send my devils to inhabit the Lodges. The Lodges would become devil dens. Everyone that entered the doors would be under their influence. Lodge members will move closer to me by degrees. When the member reaches the 33 degree they will be totally devoured. There will be no turning back to God. (See Protocol No. 15)

I would also infiltrate all the governments of the world through Masonic Lodges. I would find the most corrupt, evil men and women as possible and place them in power as presidents and prime ministers. I would pick people with a dirty past such as liars, playboys and cocaine addicts. The ones with closets full of skeletons will work best. They will do whatever I tell them out of fear of having their evil deeds exposed. Elections will also be rigged. Only my faithful followers from the Lodges would be chosen. Some will be called conservative and some will be called liberal. Nevertheless, they will all belong to me. (See Protocol No. 15)

I would also use Masonic Lodge members to infiltrate every aspect of society. That would include doctors, lawyers, politicians and pastors, etc. I would actually turn churches into devil dens too. My Masonic ministers will pretend to be true men of God. I will have them preach one thing with their mouth and another thing with their hands. They will lead the people to hell! ***“And no marvel: for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.”***(2 Corinthians 11: 14-15) (See Protocol No. 17)

If I was the Devil, I would do away with traditional services in the churches. The suit and tie, old-time sin killing messages and hymns would be tossed to the side. My new ministers would wear tennis shoes, shorts and Hawaiian shirts. I will have them preach prosperity messages. Therefore, they will become rich by fleecing the flocks. The old hymns will be replaced with rock, country and even rap music. The parishioners would receive an emotional experience brought on by the music, but their spiritual life with God will eventually dry up and die. (See Protocol No. 17)

If I was the Devil, I would then send my demons to corrupt the youth of the world. I would do this mostly through the education systems such as schools and colleges. My devil inspired professors and teachers would feed them all kinds of lies such as Marxism, Materialism and Naturalism. Over time, the gullible youth will begin to believe these false beliefs. The end result, society will begin to fill up with home-grown Marxists who reject God as their creator. They will believe we all came from monkeys. (See Protocol No. 3)

My devils would also introduce the youth to alcohol, sex, drugs and rock-n-roll music, especially when they go off to college. They will be “free” from the constraints of their parents. Therefore, they will be easy prey for us. Some will return home as alcoholics, drug addicts, and sexual perverts of all kinds. Many will die young from drug overdoses, diseases and suicides. (See Protocol No. 9)

## Control the Media

If I was the Devil, I would send my demons to take full control of all media. That includes newspapers, magazines, T.V. and radio. Through these media outlets I could spread all kinds of propaganda and lies. I could influence people’s behavior to do evil instead of good. I could also spread fear everywhere. Fear is a wonderful tool. People will do whatever I tell them, out of fear! (See Protocol No. 12)

If I was the Devil, Hollywood would also play a major role in destroying people’s souls. I would have my devil inspired Jewish movie producers promote adultery, murder, homosexuality, etc. Large movie theaters would be set up everywhere. When the people come to sit down with their popcorn and drinks, they will have no idea they are being brainwashed to sin against God. Most of my movies will curse God! I would also target young children through Disney. Witchcraft, homosexuality, transgenderism will be fed to young children through “cute” animated characters. Parents will never suspect that their children are being corrupted by these shows. I will also feed them a heavy dose of violent video games. Eventually, violence will fill the land. (See Protocol No. 13)

If I was the Devil, I would then distract the masses by promoting sports of all kinds. That would include football, baseball, basketball, soccer, etc. Through sports the masses will eventually forget God. Hell will enlarge itself. I would make sure games are played on Sunday. God hates it when His Sabbath day is desecrated (See Ezekiel 23: 38). I would

also mix in alcohol, sex and gambling. Players will become gods of the youth. They will grow up eating and drinking beer while they watch their favorite team play. Ancient Israel fell for this same old "trick" thousands of years ago. ***"And they rose up early on the morrow, and offered burnt offerings, and brought peace offerings; and the people sat down to eat and drink, and rose up to play."* (Exodus 32:6) (See Protocol No. 13)**

If I was the Devil, I would reduce the world's population dramatically. This will make it easier for my earthly minions to control the masses. To carry out this plan, I would starve and inoculate (jab) most of the citizens of the world with slow-kill diseases. Once a person has been vaccinated there will be no way to reverse it. People will slowly die-off. It will all be covered up by the media which will be under the control by my demons. The kill shot will be promoted on T.V. and radio until most of the world's population is in the grave. (See Protocol No. 10)

### **One-World Government**

If I was the Devil, I would set up a one-world Communist type government (Jewish-Super-State). I would set up my man to be king over all the earth. All national boundaries would be erased. All citizens will be under strict surveillance. Anyone that dares take up arms will be utterly destroyed. No nation will be exempt! (See Protocol No. 9)

If I was the Devil, I would have my earthly minions (bankers) take full control of all money. They would confiscate all cash, silver and gold. Therefore, no one would be able to buy or sell without their approval. People will not be able to pay their mortgages, car payments or buy food. This is where most people including professing Christians will turn from God and worship me through my man, the Antichrist (beast). ***"And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world"* (Rev. 13:8).** (See Protocol No.10)

## **Conspiracy Alert!!!**

Six California fires have devastated Los Angeles. More than 12,000 homes and numerous businesses have been burned to a crisp. Movie stars such as Mel Gibson, Jeff Bridges and Billy Crystal have lost their homes in the blazes. Many Christians believe these fires are God's judgment, especially for all the perversion that comes from Hollywood. God did destroy Sodom and Gomorrah for far less wickedness than what is coming out of Los Angeles, California. ***"And turning the cities of Sodom and Gomorrah into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly."* (2 Peter 2:6).**

### **Illegals Starting Fires**

There is no doubt, that God is supplying the powerful Santa Ana winds to fuel these fires. But it appears Mexican illegals are striking the matches!

A man has been arrested after firefighters caught him 'actively lighting fires' in Los Angeles county. Ruban Montes, 29, was arrested for arson in Irwindale, California, roughly 16 miles away from Altadena, where the deadly Eaton fire raged. Firefighters were responding to a small brush fire in Irwindale when they witnessed Montes starting fires in the area, police have confirmed. He was detained by officers at the scene and ultimately arrested for arson.

Montes' arrest comes just days after an illegal Mexican national Jaun Manuel Sierra-leyva was detained by Calabasas residents for allegedly starting fires in the area. Sierra-Leyva was caught on video walking with a yellow blowtorch before he was confronted by residents in the area. They held his arms behind his back and pushed him to the ground as they waited for the police to arrive on scene near the Kenneth Fire-which was contained. This is what happens when a nation forgets God and leave their borders wide-open for the enemy to come in.

God bless you friend. Stay alert. Don't let the Devil deceive you!
