

## Reaching Out Application

Apply to be featured for a month in the Reaching Out program. Applications will be accepted Nov. 1-20, 2022. Once the application period closes, organizations will be scheduled based on order received with those benefiting the local community getting priority. We like to act globally as well so 1-2 places will go to those reaching beyond the Panhandle (depends on numbers of applications received). Notifications will be sent on Dec. 1, 2022.

Please return application along with a client story and your IRS determination letter (501 c3 verification) to: [Danna@Crossties\\_yoga.com](mailto:Danna@Crossties_yoga.com)
