### Note from the President

The warmest of holiday greetings to everyone in FFK. This is a most blessed and wonderful time of the year. This year I find many of the things I had always read about but did not necessarily live have come into place. We are asked to slow down, pause, and enjoy the wonder and warmth of the season. This year we all slowed down and I have found that I am noticing many small wonderful things that other years might have gotten lost in the holiday festivities. In many ways it feels every day we are experiencing what is sung about in “Oh Holy Night”.

- The most beautiful holly berries and bushes I ever remember-stunning
- The quiet of not having to get ready for gatherings/parties
- The gift of not needing to worry about clothes, make-up or physical characteristics

- The tranquility of a glowing fireplace
- The beauty of the first snowfall
- The joy of sitting and enjoying the Christmas tree and the lights on buildings and houses
- The time to bake cookies and deliver them to neighbors
- Beautiful Christmas music
- The thoughts and memories of people all over the world and in our country that you cherish
- The pure joy of thinking about the people we care about most and sending them a card, a small gift, or just thinking about how important they are
- The profound appreciation of the life I have been given.

This is my last month as president of FFK. It has been a challenging year and yet in many ways it brought us closer as we tried to navigate the year and the limitations placed on gathering. Friendship Force is not a necessity in our lives, but it is one of the things that adds beauty, wonder, and meaning to our lives. I am thankful to have been allowed to serve as your president and look forward to seeing all of you in person sometime in 2021.

Enjoy the wonder  
*Kaye Bultemeier*-President

## Improved Zoom Security & Other Issues

Over most of 2020, the world has been using Zoom as an alternative to meetings of all kinds and they work continuously to create an environment where people can gather virtually and safely. In the early days of this year, there were many incidents of people breaking into meetings and behaving badly. Zoom has greatly improved their security and if you are new to Zoom and want to try it in advance or if you are having problems logging in to the meetings, you can contact the following members to help walk you through the process before our meetings:

- Betsy Tonkin (865-405-0837) for iPads and Apple computers
- Diana Lopez (865-223-4036) for PC and Android devices

We would love to see you and you can attend the meetings from the comfort of your own home!

*Janis Robinson*, Program Coordinator

## December Fun Activities

Take a few minutes and visit the FFK Website “About Knoxville” page where you will find an interesting list of places to go and things to see in December. Our Club’s web address is on page 1 of this newsletter below the title.

*Ray Simko*, Web Coordinator

## Membership Renewal, Interest Survey

Thanks to everyone who has renewed their Friendship Force of Knoxville (FFK) membership and completed the member interest survey. If you haven’t already completed the renewal form and survey, please do so by December 31<sup>st</sup>.

The FFK Board decided to waive 2021 dues for current members, however the club is required to pay Friendship Force International \$20 per member. Therefore, we need to know you wish to continue your FFK membership, and we certainly hope you do. This payment to FFI will be covered by existing club funds.

Please return the form and survey to Treasurer Bruce Robinson at the address on the form or scan it and send via email by **December 31**.

Thank you for your membership and involvement.

*Jayne Raparelli*, Vice-President

## A Successful November Meeting

The special annual club business meeting was held on November 24<sup>th</sup> before the program.

Twenty club members were present and elected the slate of Club Officers nominated for 2021 and, also, approved the up-dated By-Laws. Our officers for the 2021 year are:

- President: Jayne Raparelli
- Vice-President: Betsy Tonkin
- Secretary: Barbara Elder
- Treasurer: Bruce Robinson

Congratulations to all!

After the vote, Bruce and Janis Robinson shared a trip to Lisbon, Portugal, about the history and culture of that wonderful city They said it was fascinating and one of their best trips!

### **Virtual Reunion w/Georgia Delegation**

Open World hosted a very successful Zoom reunion on November 12 between delegates from the Republic of Georgia and our FFK hosts. The program

began with introductions by Open World Senior Program Manager Lewis Madanick, a recorded welcome from the cultural attachè at the U.S. Embassy in Georgia, and a brief talk by Kimberley Daly, a professor at George Mason University on higher education policy making in COVID-19 times. The discussion by Professor Daly initiated some dialogue with the Georgian delegates on the issues COVID has required them to face. Following this discussion, Britton Holmes (who supports the Friendship Force International Open World Program) was introduced, and then FFK representatives Kaye Bultemeier, FFK President, Joanne Schuetz, the Host Coordinator for the 2019 visit and Betsy Tonkin, the Reunion Coordinator, initiated the opportunity for each of the FFK hosts and the Georgian delegates to catch up on their respective lives over the last year.

All of the Georgian delegates took part, with the exception of their facilitator, who did not join the call. All the FFK hosts also took part: Diana Lopez, Kaye Bultemeier & Noel Kuck, Jean & Ron Mayer, Betsy Tonkin, Sonja & Ron Dubois, and Kathy Wright. The Georgians were all extremely complimentary of their visit in Knoxville. Several had been in contact with educators in the area with whom they had met while here. In fact, two had arranged for some type of interchange program with UT which had to be postponed due to COVID.

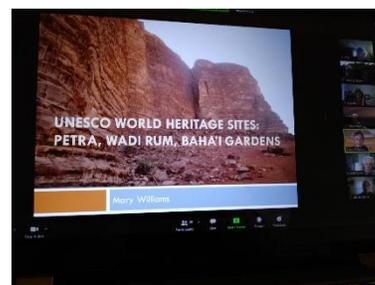

Not surprisingly, all of the Georgians were as impacted as we have been by the coronavirus. Most, if not all of them, were working from home. Those with children were involved with online learning. At least one had family members suffering from the virus. Another was isolated due to exposure.

All the hosts and the delegates thoroughly enjoyed this opportunity to reconnect. The delegates reconfirmed their invitations for us to visit them sometime in the future when travel is safe for all. Open World personnel were clearly pleased with the success of the program in November 2019 as well as this reunion. This should bode well for us the next time we seek to host an Open World visit.

*Betsy Tonkin*

### **FF Dallas Program on Petra**

The Friendship Force Club of Dallas invited members of our club to attend their virtual November meeting. Nine FFK members

accepted the invitation and joined the virtual program presented by the FF Dallas club on November 14<sup>th</sup>. The speaker was Mary Williams

of the FF Dallas club who spoke about her trip to Petra, Wadi Rum and the Baháí Gardens. The trip took place in 2018 after their club Journey to Israel. The Dallas Club warmly welcomed our members and we all enjoyed a great program.

### **Journey News for 2021 and 2022**

The 2022 Outbound Request form has been sent to FFI. This form indicates our Club's preferences for 2022 travel. We have requested the reinstatement of our postponed Australia trip to North Moreton and Gold Coast, and an additional week in New Zealand as our Outbound International choices.

# 2021 Friendship Force of Knoxville Membership Application/Renewal

The COVID pandemic has clearly disrupted Friendship Force of Knoxville's journey events planned for this year and at least the first part of 2021. Fortunately, FFK entered this COVID era in good financial shape thanks to the many years of hard work of its members. Recognizing this, the Board has discussed at length the dues structure for next year and believes that we can forego dues for our current members for 2021. FFK will fund expenses from our current resources. This includes the \$20/member affiliation fee that we owe Friendship Force International (FFI).

**Consequently, the dues for 2021 are:**

**Current members: no dues are owed for 2021** (if you are in the member directory sent to you by e-mail, then you are a current member)

**New members (not currently a member): \$20** (this will pay for the \$20/member FFI affiliation fee)

We do want to receive positive feedback that you wish to continue your membership for 2021, and to learn how you might like to contribute to the mission of FFK and FFI. **Please complete the attached Membership Application/Renewal form and the Member Interest Survey and return to Bruce Robinson by Dec. 31, 2020 at the address below. Be sure to include a check for \$20 payable to Friendship Force of Knoxville if you are a brand-new member for 2021.** We also appreciate any donations.
