Note from the President

We’re about to host 11 ambassadors from the San Antonio Friendship Force Club! This will be our first inbound Friendship Force journey in two years. The group arrives this Friday, Oct. 22, and that evening

we’re having a Welcome Dinner at the Cherokee Bluff Clubhouse. I hope to see many of you there.

The host week, Friday through Tuesday, will be filled with activities, and many opportunities for hosts and ambassadors to learn about each other and make great memories.

If you are wondering what hosting is really like, come to the November general membership event when the FFK San Antonio hosts will talk about their experiences.

There will be another opportunity to host in April 2022 when the Greater Des Moines, Iowa, Friendship Force Club visits Knoxville.

We hope to be traveling again in the summer and fall 2022. Stay tuned for information in future newsletters and emails.

I hope to see you soon in person!

Jayne Raparelli, President

Member Profile: Susana Navarro-Valenti

Susana joined FFK in Sept 2020. She is our newest and very enthusiastic member. The Mishu's, who are our oldest members and her good friends and neighbors introduced her to Friendship Force. Susana was born and raised and schooled in Mexico. After that she moved to the US to obtain her master's and PhD degrees at Rensselaer Polytechnic Institute in nuclear engineering. Following graduation, she worked at Oak Ridge National Labs for 3 years. Susana then formed her own company, Navarro Research which employs 700 people. It is a contractor for department of energy, NASA, and department of defense. Her interests aside from work are hiking locally and

travel. Pre-pandemic she went to Egypt and took her niece for her fifteenth birthday along with six others to Europe. Susana said they had a blast and want to do it again. Together with her busy work schedule, her FFK activities include Program Committee for which she wrote an article about the Mishu's, hosted a small dinner party, and is doing the same for the incoming San Antonio group.

Completion of 2021 Journeys and Preparation for 2022 and 2023

Ambassadors to San Antonio completed their journey successfully and learned much about that city. We will be welcoming the San Antonio club to Knoxville from Oct 22-27. Everyone is vaccinated and feels fairly comfortable sharing homes and meals with each other. The journey committee has planned an exciting itinerary for our visitors that includes: a full day downtown with a walking tour, a visit to the East TN History Museum, and music at the Blue Plate Special; a tour of Norris Dam and the Lenoir Museum; a day in the Smoky mountains with an easy hike and lunchtime at Spence Cabin in Elkmont. Plan to attend the welcome potluck dinner (Oct 22) at the Cherokee Bluff Clubhouse, and/or farewell dinner (Oct 26), at Calhoun's on the River (reservations are required by Oct 19). We hope that many members will join with us in welcoming our visitors. This will conclude our journeys for 2021.

For next year plans are being made for international trips to Romania and Australia, and a domestic journey to the Lower Columbia club in Washington. FFK will also be hosting a couple of domestic clubs, Des Moines coming in April and St Louis in September. We also hope to host an Open World visit of a delegation of judges from Uzbekistan.

FFI will be requesting hosting capabilities for 2023 and shortly after asking for our requests for international journeys. The Journey Committee will be asking the membership for suggestions.

Where would you like to go? A poll will be emailed in November, so be thinking about locations in the world you would like to visit.

We still need your help in planning our journeys for 2022 and 2023. There are many opportunities to get involved, either hosting overnight or day, hosting small dinner parties for the ambassadors and their hosts, serving on the planning committees, being an ambassador. We have a wonderful journey committee with experienced people to help new coordinators. You are never alone in the planning. Please consider serving as a coordinator. You won't regret it!

Look Back on the Sept. 28th Meeting Journey to Napa Sonoma

The Friendship Force Knoxville members who were Ambassadors to Napa Sonoma, shared their experiences on their outbound journey from September 8 through 13. Twenty-one members and one guest attended this virtual meeting learning about not only about the activities the

group participated in but also how an outbound journey is created and implemented.

Six members from Friendship Force Knoxville met their fellow Friendship Force ambassadors from New York City, Winston-Salem, North Carolina, and Atlanta for this first outbound journey since 2019.

FFK November 16th Event: Hosting San Antonians

Join us for the FFK Program Event when FFK members who hosted ambassadors from the San Antonio Friendship Force Club will share their recent experiences showing the San Antonians a wonderful time in the Knoxville area and describe how an Inbound Journey works. This was our club's first Inbound Journey since 2019 with a theme of Mountains and Music. The program will follow a very brief annual membership meeting, including election of officers.
