

"Gateway to Worldwide Friendship"

Volume 20, No.4 July 2019

Note from the President

It's good to be back home after a fantastic journey around the world. First I must thank Kaye Bultemeier for carrying on in my absence and moving us forward. I didn't worry about a thing! She'll continue her leadership in September while I'm again traveling.

Please note that the Board meeting minutes are now on our website. I would encourage you to read them each month to keep up with happenings. All of our governing documents are also on the web in addition to other great information about our club. Please visit it often:

https://wwwfriendshipforceknoxville.org.

I know it was disappointing that the club from the Cape of Good Hope couldn't get visas to come to the U.S., but we've turned that into a positive to welcome the Napa/Sonoma club in October. Mike McDonough and Jayne Raparelli took the program planned for the Cape and turned it into a fantastic program for a domestic journey. Then under the guidance of

Annalisa and Gus Roehrig, fourteen of us are on our way to Des Moines in August and looking forward to attending the Iowa State Fair. With both of these clubs, we will be reciprocating with our club welcoming Des Moines and possibly Quad Cities to Knoxville, and hopefully making the trek to Napa/Sonoma next year. Our outbound international journey will be to Australia in the fall of 2020. We have a number of members interested and should have a full contingent of ambassadors.

For this summer, Kaye arranged small dinners again for all our members. So far, those that have been completed were a huge success. It's fun to sit around and chat with a small group in someone's home. Thanks to those who are hosting this summer.

Believe it or not, we will be requesting inbound journeys for 2021 in August and outbound journeys in November. If you have suggestions, let us know.

We will have a special general meeting on August 27 to hear about the Des Moines

trip. Then in September, we will be getting prepared for our Open World ambassadors coming from Georgia. Ron Leadbetter will discuss the Republic of Georgia. Please come and share the time together.

As always, if you have any suggestions or ideas for the club, please feel free to share those with me. Kaye and I will be attending the FFI Conference in Boulder, CO, at the end of July. There are many good workshops and if you have anything specific we should check on, let us know My email is dlopez@utk.edu, or telephone (865) 223-4036.

Would you like to host a person with the Open World program from Nov. 15-23rd? We expect six delegates, one facilitator, and one interpreter from the Republic of Georgia. They will interact with people in higher education, here in Knoxville, during the program and should be interesting and well educated Georgians. It will be a rewarding experience. Call or email Joanne Schuetz (865-521-9937) or a_schuetz@msn.com. We will have fun! Join us!

Friendship Force International makes changes in charter regarding data protection

Our charter with our parent organization, Friendship Force International (FFI), has been renewed. Because of the current concerns with data protection, the European Union (EU) has passed very detailed rules. As an international organization with many clubs in Europe, FFI has decided to adhere to EU data protection rules in order to be in compliance with EU law. The changes in the renewed charter reflect those rules. The new data protection sections in the charter are quite extensive. Consequently, the Board of FFK has decided it is prudent for us to only collect the data that we absolutely need to operate and to distribute data only as needed. "As needed" to include providing the directory to all club members and an electronic contact/e-mail list to Board members and committee chairs and committee members. However, he new data protection rules seem to question whether FFK should publish birthdays and anniversaries. Consequently, the Board has

decided not to collect and publish such information.

Outbound Journey to Des Moines, Iowa

Under the leadership of Annalisa and Gus Roehrig, eleven club members will make their way to Des Moines Aug 7-12. Leslie Badaines, Ron and Sonja DuBois, Barbara Elder, Diana Lopez, Ron and Jean Mayer, Mike McDonough and Jayne Raparelli, and Annalisa and Gus Roehrig will be enjoying a day at the Iowa State Fair, a tour of the State Capitol, John Deere, Better Homes and Garden Test Garden, and Sculpture Garden, to name a few activities. Most are driving, stopping along the way to enjoy some other sites. It will be an exciting tour of the heartland.

Outbound to Australia in Fall 2020

The Knoxville Friendship Force has been invited to visit North Moreton and one other club on the east coast of Australia, either in New South Wales or Queensland. FFI is searching for a second club for us to visit. Our fall is of course their spring, so it should be beautiful, not too hot or too cold. A number of people have expressed interest. It's a great way to visit Australia.
