Note from the President

Greetings, Friendship Force of Knoxville members!

Let me begin by thanking you for renewing your membership to FFK.

Whether you are a new, semi-new, or long-term FFK member, I encourage you to attend our next membership event. We are fortunate to have Jeremi Snook, the Friendship Force International President and CEO, share with us the future vision of FFI. Jeremi will be our speaker on Tuesday, January 26. Join the event via Zoom and be prepared to learn something new.

Covid-19 has caused major disruption to our club’s travel and hosting plans. We had been scheduled to travel to Romania this June. In April, the St. Louis, Missouri Friendship Force Club had planned to visit Knoxville. Because of the pandemic, both of those journeys have been

postponed, most likely to 2022. We will let you know when we have new dates.

This September and October, we anticipate outbound journeys to Napa-Sonoma, California, and San Antonio, Texas. We also plan to have San Antonio visit Knoxville in October. All three journeys provide opportunities to experience the joys of belonging to Friendship Force: travel as an ambassador, and stay in club members’ homes, host ambassadors in your home, participate in the activities we will offer to our San Antonio friends, as well as attend their Welcome and Farewell dinners.

We look forward to the much-anticipated time when we can once again travel/host and create lasting friendships.

Jayne Raparelli, President

Merry December 22nd Meeting

Fifteen FFK members attended the December meeting sharing memories of travel close to Christmastime. We globe-trotted through Vietnam, Germany, Colombia, Nepal, London, Tuscany and cruises on the Danube, Seine and through the Panama Canal as well as sharing memories of family Christmases.

Three survey questions also had the group discussing their favorite Christmas/Holiday time movies, drinks and songs. The attendees had a pleasurable evening and wished each other the joys and happiness of the season.
