## Newsletter

March 2022 Alpine, CA

### Commander's Message

Comrades,  
I would like to say *welcome* to all of our new members and everyone receiving this newsletter for the first time. Through your generous support and membership in our **Post**, we continue to be a staple in this community.

If you or someone you know has served overseas during a conflict, please consider or have them consider becoming a member of **Alpine's VFW Post 9578**. Applications are available by the **Post** front door entrance.

I would like to take this opportunity to recognize our **women Veterans**, past and present. With the month of March being **Women's History Month**, it is important for us to remember those who have served in the past; but we must not forget to recognize the roughly **200,000 active duty women** currently serving our great country. Going all the way back to 1918 when American nurses cared for injured soldiers in France, **WWI** is also notable because it was the first time women *who didn't even have the right to vote yet* were allowed to

### Quartermaster's Report

Our Post is now safely reopened for normal operations, and we continue to follow additional sanitation procedures. Each table will continue to have a bottle of sanitizer and the furniture has been spread out to allow more space between guests.

Members, please ensure that your dues are paid up! Your timely financial support enables the Post to continue its operations.

We want to increase our active membership and need your help in finding new members to grow our **Post** and protect our future. If you know anyone who is eligible for the **VFW** or our **Auxiliary**, please just give us their name and telephone number.

The pressure from increased food and supply costs remains a problem; we are looking at various ways to save on costs while still delivering deliver quality meals.

We really need you to support your "Home on the Hill" and hope you will bring friends and relatives to enjoy one of the best **VFWs** in the entire state of California - **Alpine VFW Post 9578!**

So when you see any of our women vet's around our **Post** this month, please thank them for their service and also thank them for paving the way for the next generation of young female service members who will follow in their footsteps for generations to come!

Please come out to the **Post** for our **General Meeting at 11 a.m. Saturday, March 12th**. Attend the meeting to have your say in the current and future operations of **VFW Bert Fuller Post 9578**.

If you need me reach out, please call me at **(858) 729-3911**. I am here for you - the **Veterans**, the **Auxiliary**, our families and the community of Alpine!

## Auxiliary President's Message

Happy March! The cold is starting to fade, or hopefully, and Spring is on its way. Soon the new blossoms will sprout, and new life will be all around. As we head into this usually hopeful season, there is still much stress around. Let's please remember to be there for our brothers and sisters. As we head into this season of new life and energy, we are also close to elections for the next team of **Auxiliary** officers. Please see me or one of the other officers if you want to get more involved.

As many of you know, I am a high school

much to ask that our fellow Veterans and guests show respect and civility towards each other; after all, we **VFW members** are advertised and promoted as an "Elite" group. True, our backgrounds, education, political and religious views, and military careers vary greatly within our ranks, but this diversity should not be a reason for animosity. Let's all please keep this in mind.

"Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away. ...And now these three remain: Faith, Hope, and Love. But the greatest of these is Love."

*1 Corinthians 13, verses 4-8, and 13  
(New International Version)*

Here are ten ways to demonstrate integrity and caring for others:

- (1) Listen without interrupting.
- (2) Speak without accusing.
- (3) Give without sparing.
- (4) Pray without ceasing.
- (5) Answer without arguing.
- (6) Share without pretending.
- (7) Enjoy without complaining.
- (8) Trust without wavering.
- (9) Forgive without punishing.
- (10) Promise without forgetting.

Practicing some of the above may be difficult in our daily personal interactions with others, but how much more peaceful and rewarding our lives would be if we could!

"Better is the poor who walks in his integrity, than one who is perverse in his lips, and is a fool." *Proverbs 19:1  
(New King James Version)*

teacher and this stems from a lecture I gave last month but let us please remember to show respect in all that we do. In this still wild time, let's remember that many have had a difficult time and let's show them the benefit of doubt. Also, let's remember to address **Post** and **Auxiliary** officers in a formal and respectful way. Thank you for all that you do in representing our **Auxiliary** and our **Post**.

The **Auxiliary** thanks everyone that has come down to join us for lunch and the "**Burgers with a View**" that we hold every Saturday from 11 a.m. to 1:30 p.m. We are thinking of changing it up with other meals on the third and fourth Saturdays of the month. Many of us have secret "crowd-pleaser" recipes that we are proud of and want to share with the **Post**. Please let me know if this is you and you would like to volunteer to make a meal, support the **Auxiliary** and help feed our fellow Post patrons.

We as an **Auxiliary** look forward to a great year as we continue 2022. Please keep posted for some great things coming shortly. Happy March, everyone!

As always if you have any questions or if there is something that the auxiliary can help with please email me at [buxtonm@gmail.com](mailto:buxtonm@gmail.com).

anything at all." – Thumper

(Written by Richard M. Sherman and Robert B. Sherman and copyrighted in 1963 per "Thumper's Great Race").

Yes, I am quoting a verse from a cartoon bunny!

I try to make my Chaplain's message's either light, funny, thought provoking, or uplifting. But I must make this one a little sternly and Motherly.

When you walk up to someone and say "Hi" and immediately they start complaining away to you... with not even a "Hi" back. That's just not right. There is a lot of complaining going on right now and a lot of it are things we just cannot fix or do one thing about.

Don't you think everyone gets tired of just listening to others complain? We ALL have our difficulties and our trials. Don't weigh others down with yours, they do not want to hear you go on and on. What does complaining do? Makes others angry and feel useless and helpless. That is certainly not good.

Everyone has plenty on their minds as it is, the Lord knows we all have sorrow and burdens in our life. But if all you do is complain... and never say anything comforting or funny or loving to those around you – then why even interact with them?

Try to put your own sufferings aside for a moment and just simply enjoy the friend in front of you. Ask them about their day. They may not be here tomorrow.

Two days ago, we lost a truly great, talented, and gentle, man – **Will Downey**. I never, in all the years I've known **Will**, heard him say an unkind word to or about anyone; complain; or be aloof. He always had a ready and contagious smile, or a lovely ballad to sing. He didn't want to bring people down – he definitely wanted to lift them up. We all need to be more like **Will**. In his memory and because it is just the right thing to do.

*"If you can't say something nice..." Amen*

## Message

The **Alpine VFW Riders** invite everyone to our monthly **Bike Nights**. There is no requirement to have a motorcycle to have fun. Our next **Bike Night** is Wednesday, March 9th, and is **Mardi Gras**-themed with **Karaoke**, **Motorcycle Cornhole** games, and **Cajun Jambalaya** for dinner.

We are happy to announce the completion of the **VFW Post** outside signage.

Our next **Bike Ride** is Saturday, March 19th starting at 9 a.m. at the Post, following our monthly meeting. All interested riders are welcome to ride and check out what we do and visit the places we travel too. March we are going to **Borrogo Springs**, visit the **American Legion** and check out the sculptures.

We would like to welcome our latest leader to our group, **Mark Cormier** as our **Interim Vice President**.

Our Riders are making great progress on our project to modernize the dining room (**VFW Honor Wall**) and the corridor between the game room and the bar (**VFW Memorial Wall**). The frames have been constructed for the memorial wall, pictures edited and printed, and plexiglass has finally arrived. Our goal is to transform the images of our **VFW membership** (current and deceased) into 5"x7" images, organized to support growth of our veteran recognition efforts. This includes repairing and painting the walls, re-framing the veteran recognition images, and adding more recent conflict memorabilia (Beirut, Gulf War [Kuwait Liberation], Afghanistan, Iraq, etc.).

We ask those in our local community who are a member of the **Alpine VFW Post 9578** to consider providing us your photos ASAP, so that we can include them into our modernization efforts and give proper thanks to ALL who have served our nation.

You can email your picture to [AlpineVFW@gmail.com](mailto:AlpineVFW@gmail.com) or provide a 5"X7" hard copy to **Canteen Manager Kimberly**, **Post Commander John**, **Quartermaster Carl**, **Chaplain Theo**, or any one of our **VFW Riders**.

We also ask if you have some items that could be used as war props that you let us know so we can consider them as display
